★★★★★ *From one of our satisfied customers.*

We spent months searching for a mattress and were so glad to have found Hibernated Bedding in Bernardsville, NJ. They are friendly, professional and helpful -- we learned a lot about organic mattresses. Mike and Pam were delightful to work with. They went out of their way to ensure that we had a great purchasing, delivery and set up experience. If you are in the market for a mattress and don't want the typical sales experience that you receive from a big box store where they pressure you, then visit Hibernated Bedding. You'll be glad you did.
