2. The maximum rent for restricted rental units within each affordable development shall be affordable to households earning no more than 60% of median income, and the average rent for restricted rental units shall be affordable to households earning no more than 52% of median income.

The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units, provided that at least 13% of all low- and moderate-income rental units shall be affordable to very low-income households, earning 30% or less of the regional median household income.

3. The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70% of median income, and each affordable development must achieve an affordability average of

55% for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different sales prices for each bedroom type, and low-income ownership units must be available for at least two different sales prices for each bedroom type.

4. In determining the initial sales prices and rent levels for compliance with the affordability average requirements for restricted units other than assisted living facilities and age-restricted developments, the following standards shall be used:
 - (a). A studio shall be affordable to a one-person household;
 - (b). A one-bedroom unit shall be affordable to a 1 1/2 person household;
 - (c). A two-bedroom unit shall be affordable to a three-person household;

 - (b). A one-bedroom unit shall be affordable to a 1 1/2 person household; and
 - (c). A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
6. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95% of the purchase price and the Federal Reserve H. 15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28% of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
7. The initial rent for a restricted rental unit shall be calculated so as not to exceed 30% of the eligible monthly income of the appropriate size household, including an allowance for tenant paid utilities, as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
8. The price of owner-occupied low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the Administrative Agent be lower than the last recorded purchase price.
9. The rent of low- and moderate-income units may be increased annually based on the permitted percentage increase in the Housing Consumer Price Index for New Jersey. This increase shall not exceed 9% in any one year. Rents for units constructed pursuant to low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.
10. All deed restricted affordable rental units will be subject to an annual rental recertification process to ensure that income eligible households continue to reside in the Township's portfolio of rental units.

- f. Mandatory Affordable Housing Set-Asides.
1. Any development, within the Township, that produces five or more housing units, shall be required to provide for affordable housing set-asides of at least 20% of the total housing units. When any calculation of the percentage of affordable units required to be divided results in a fractional unit of 1/2 or more, the fraction shall be rounded up to the next whole unit. When a calculation results in a fraction of less than 1/2, the fraction shall be rounded down to the previous whole unit.
 2. At least 50% of the restricted units in each development must be affordable to low-income households, including 13% to very low-income households. All such affordable units, including the required bedroom distribution, shall be governed by controls on affordability and affirmatively marketed in conformance with the Uniform Housing Affordability Controls ("UHAC"), N.J.A.C. 5:80-26.1, et seq. or any successor regulation, and all other applicable law.
 3. Developers shall not subdivide a project for the purpose of avoiding compliance with this requirement.
 4. This requirement does not give any developer the right to any such rezoning, variance or other relief, or establish any obligation on the part of the Township to grant such rezoning, variance or other relief. No subdivision shall be permitted or approved for the purpose of avoiding compliance with this requirement.
- g. Payments in Lieu and Off-Site Construction. Standards for the collection of payments in lieu of constructing affordable units or standards for constructing affordable units off site shall be in accordance with applicable law, including the Fair Housing Act and any requirements of the Affordable Housing Dispute Resolution Program. Payment in Lieu deposited into the affordable housing trust fund must be accounted separately, and, if assessed, a development fee cannot be charged for the same development.

§ 199-6.5 Minimum Floor Area Requirements and Standards for Low- and Moderate-Income Housing Units.

Developments approved as part of a compliance certification or that otherwise contain restricted units subject to the UHAC regulations shall satisfy the following occupancy standards:

- A. For any 100-percent affordable development comprising one or more restricted units:
1. Restricted units must meet the minimum square footage required for the number of inhabitants for which the unit is marketed and the minimum square footage required for each bedroom, as set forth in the applicable municipal code or the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4, whichever is greater.
 2. Each bedroom in each restricted unit must have at least one window; and
 3. Restricted units must include adequate air conditioning and heating.
- B. For developments comprising market-rate rental units and restricted rental units:
1.  2. Restricted units and market-rate units within the same affordable development must be sited such that restricted units are not concentrated in less desirable locations;
 3. Restricted units may not be physically clustered so as to segregate restricted and market-rate units within the same development or within the same building, but

must be interspersed throughout the development, except that age-restricted and supportive housing units may be physically clustered if the clustering facilitates the provision of on-site medical services or on-site social services;

4. Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms and outdoor spaces, and building entrances and exits;
 5. Restricted units must include adequate air conditioning and heating and, if market-rate units provide cooling and heating, restricted units must use the same type of cooling and heating sources as market-rate units of the same unit type;
 6. Each bedroom in each restricted unit must have at least one window;
 7. Restricted units must be of the same unit type as market-rate units within the same building; and
 8. Restricted units and bedrooms must be no less than 90 percent of the minimum size prescribed by the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4.
- C. For developments containing for-sale units, including those with a mix of rental and for-sale units, subsection b above shall govern the rental units, while for-sale units shall adhere to the following:
1. Restricted units must use the same building standards as market-rate units of the same unit type (for example, flat, townhome, or single-family home), except that restricted units and market-rate units may use different interior finishes;
 2. Restricted units may be clustered, provided that the buildings or housing product types containing the restricted units are integrated throughout the development and are not concentrated in an undesirable location or in undesirable locations;
 3. Restricted units may be of different housing product types than market-rate units, provided that developments containing market-rate duplexes, townhomes, and/or single-family homes offer restricted housing options that also include duplexes, townhomes, and/or single-family homes;
 4. Restricted units must meet the minimum square footage required for the number of inhabitants for which the unit is marketed and the minimum square footage required for each bedroom, as set forth in the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4;
 5. Penthouse and end units may be reserved for market-rate sale, provided that the overall number, value, and distribution of affordable units across the development is not negatively impacted by such reservation(s);
 6. Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms and outdoor spaces, and building entrances and exits;
 7. Each bedroom in each restricted unit must have at least one window; and
 8. Restricted units must include adequate air conditioning and heating.
- D. Housing units with more than three bedrooms are not permitted in areas zoned for affordable housing.

§ 199-6.6 Occupancy Standards.

- A. Ensure each bedroom is occupied by at least one person, except for age-restricted units;
- B. Provide a bedroom for every two adult occupants;
- C. Provide a bedroom for every occupant under the age of 18, unless the household requests a different arrangement, which arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and
- D. Avoid placing a one-person household into a unit with more than one bedroom.

§ 199-6.7 Control Periods for Restricted Ownership Units and Enforcement Mechanisms.

- A. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.6, as may be amended and supplemented, and each restricted ownership unit must remain subject to the requirements of this subchapter until the end of the control period specified in the deed restriction unless the municipality in which the unit is located elects to extend the unit's restriction in compliance with subsection 1 below. A restricted ownership unit must remain subject to the requirements of this subchapter for a period of at least 30 years; provided, however, that:
 - 1. Any unit that, prior to the effective date of the amendments to this subchapter as promulgated pursuant to P.L. 2024, c.2 (N.J.S.A. 52:27D-304.1), received substantive certification from COAH, was part of a judgment of compliance from a court of competent jurisdiction, or became subject to a grant agreement or other contract with either the State or a political subdivision thereof, will have its control period governed by such grant of substantive certification, judgment, grant agreement, or contract; and
 - 2. 95/5 units are subject to the option and price restriction rules set forth a N.J.A.C. 5:80-26.21 through 26.27; and
 - 3. Units for which affordability controls have been extended are subject to a minimum period of extension of 30 years, except that the extension period may be limited to 20 years if the original and extended terms of affordability controls, in combination, are at least 60 years.
 - 4. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit and terminates at the first non-exempt sale after the end of the deed-restricted affordability period, if and only if the municipality does not exercise the right of first refusal to extend the control period in accordance with N.J.A.C. 5:80-26.6(h), and if and only if the seller has provided the municipality with at least 60 days' notice of the seller's intention to make the first nonexempt sale.

§ 199-6.8 Price Restrictions for Restricted Ownership Units, Homeowner Association Fees and Resale Prices.

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.17, as may be amended and supplemented.

§ 199-6.9 Buyer Income Eligibility.

- A. When reviewing an applicant household's income to determine eligibility, the administrative agent shall compare the applicant household's annual income to the regional low- and moderate-income limits calculated pursuant to N.J.A.C. 5:80-26.3.
- B. For the purposes of this section, the administrative agent shall determine household income in accordance with the procedure for calculating annual income at the time of initial occupancy and assistance, stipulated at 24 CFR § 5.609, as it may be updated from time to time, and described in Chapter 5 of HUD Handbook 4350.3: Occupancy Requirements of Subsidized Multifamily Housing Programs, which is available at https://www.hud.gov/program_offices/administration/hudclips/handbooks/hsg/4350.3.

§ 199-6.10 Limitations on Indebtedness Secured By Ownership Unit; Subordination.

- A. Prior to incurring any indebtedness to be secured by an ownership unit, the owner shall submit to the administrative agent a notice of intent to incur such indebtedness (for example, a home equity loan or solar loan), in such form and with such documentary support as determined by the administrative agent, and the owner may not incur any such indebtedness unless and until the administrative agent has determined and confirmed in writing that the proposed indebtedness complies with the provisions of this section.
- B. With the exception of original purchase money mortgages, during a control period, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by an ownership unit to exceed 95 percent of the maximum allowable resale price of that unit, as such price is determined by the administrative agent in accordance with N.J.A.C. 5:8026.7(c).

§ 199-6.11 Capital Improvements to Ownership Units.

- A. The owner of an ownership unit may apply to the administrative agent to increase the maximum sales price for the unit to reflect eligible capital improvements made since they purchased the unit. Eligible capital improvements are limited to those that make the unit suitable for a larger household or that add an additional bathroom. However, the maximum sale price of an improved housing unit may not exceed the limits of affordability for the larger household.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) are included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the administrative agent at the time of signing the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, subject to 10-year, straight-line depreciation, has been approved by the administrative agent. Unless otherwise approved by the administrative agent, the purchase of any property other than central air conditioning may not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at resale.

- C. Capital expenditures approved in writing by the administrative agent for non-cosmetic replacement of existing items of property or non-cosmetic improvement to the property (for example, replacement of a leaky roof, installation of a solar energy system owned by the homeowner, installation of energy-efficient windows, or replacement of broken appliances with ENERGY STAR-labeled products) do not affect the maximum sale price, but will be factored into calculating reductions to the recapture amount pursuant to N.J.A.C. 5:80-26.6(c)1.

§ 199-6.12 Control Period for Restricted Rental Units.

- A. Each restricted rental unit must remain subject to the requirements of this subchapter until the end of the control period specified in the unit deed restriction, unless the unit's restriction is extinguished in compliance with (e) below or extended in compliance with (f) below. A restricted rental unit must remain subject to the requirements of this subchapter for a period of at least 40 years; provided, however, that the control period of any unit that, prior to the effective date of the amendments to this subchapter as promulgated pursuant to P.L. 2024, c.2 (N.J.S.A. 52:27D-304.1), received substantive certification from COAH, was part of a judgment of compliance from a court of competent jurisdiction, or became subject to a grant agreement or other contract with either the State or a political subdivision thereof will be governed by such grant of substantive certification, judgment, grant agreement, or contract.
 - 1. Rental units created on or after January 1, 2025, and which are subject to affordability controls for low- and/or moderate-income families pursuant to this subchapter are subject to a deed restriction of not less than 40 years.
 - 2. Any project composed entirely of rental units subject to the affordability controls of this section that does not participate in a State-administered preservation program may elect to extinguish the existing deed restriction beginning 30 years following the start of the deed restriction, regardless of original length, provided that the project enters into a new deed restriction of at least 30 years and that the project has applied for and obtained a refinancing and/or has commenced an approved rehabilitation for the purpose of preservation.
 - 3. Any project composed entirely of rental units subject to the affordability controls of this section that participates in a State-administered preservation program may elect to extinguish the existing deed restriction prior to the 30th year, regardless of original length, provided that the project enters into a new deed restriction that, in combination with the original deed restriction, totals at least 60 years.
- B. The affordability control period for the restricted rental units in a development commences on the first date that a unit is issued a certificate of occupancy and terminates only at the end of the control period specified in the deed restriction or at such time that the municipality releases the unit from the requirements in N.J.A.C. 5:80-26.12(e). For any restricted rental units occupied at the end of the control period specified in the deed restriction or the time at which the municipality releases the unit from the requirements, the affordability controls set forth in this subchapter remain in effect until the date on which the occupant household vacates the rental unit provided that the occupant household continues to earn a household income of less than 80 percent of the applicable regional median income. If, at that time, a rental household's income exceeds 80 percent of the

regional median income, the rental rate restriction will expire at the later of either the next scheduled lease renewal or in 60 days.

- C. Deeds of all real property that include restricted rental units must contain deed restriction language that conforms with the requirements of N.J.A.C. 5:80-26.12.
- D. A restricted rental unit remains subject to the affordability controls above despite the occurrence of any of the following events:
 - 1. Sublease or assignment of the lease of the unit;
 - 2. A sale or other voluntary transfer of [the] ownership of the unit;
 - 3. The entry and enforcement of any judgment of foreclosure or grant of a deed in lieu of foreclosure; or

If the unit is receiving assistance pursuant to the AHTF, the initial rent must be consistent with the AHTF grant agreement. The initial rent must be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate household size as determined pursuant to N.J.A.C. 5:80-26.5; provided, however, that the rent is subject to the affordability average requirement at N.J.A.C. 5:80-26.4.

 - 2. Low-income rental units shall be reserved for households with a gross household income less than or equal to 50% of the regional median income.
 - 3. Moderate-income rental units shall be reserved for households with a gross household income less than 80% of the regional median income.
- B. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income household, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - 1. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 - 2. The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 - 3. The household is currently in substandard or overcrowded living conditions;

4. The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 5. The household documents proposed third-party assistance from an outside source, such as a family member, in a form acceptable to the administrative agent and the owner of the unit.
- C. The applicant shall file documentation sufficient to establish the existence of the circumstances in a1 through b5 above with the Administrative Agent, who shall counsel the household on budgeting.

 - 3. Ensure that all restricted units are identified as affordable within the tax assessor's office and any municipal utility authority (MUA). The municipality and MUA shall promptly notify the administrative agent of a change in billing address, payment delinquency of two consecutive billing cycles, transfer of title, or institution of a foreclosure action, foreclosure judgment, or deed in lieu of foreclosure as to all affordable units;
 - 4. Work with the administrative agent to ensure that affordable housing opportunities are posted to the New Jersey Housing Resource Center pursuant to N.J.S.A. 52:27D-321.3 through 321.6, including, if necessary, levying fines through the process outlined at N.J.A.C. 5:99-5.6(c)4;
 - 5. Maintain a list of all affordable units within its jurisdiction, including the date of deed restriction expiration, income limits, and the administrative agent for each unit;
 - 6. Report the information at (c)6 above to the Division each year; and

7. Publish on the municipality's website the affordable housing operating manual(s) required pursuant to N.J.A.C. 5:99-7.2, the affirmative marketing plan required pursuant to N.J.A.C. 5:80-26.16, and contact information for the administrative agent for each project within the municipality's jurisdiction with an affordable housing component for which affirmative marketing is required.
- D. In addition to those listed at N.J.A.C. 5:99-7.2, administrative agent practices and procedures include, but are not limited to, the following:
1. Securing from all developers and sponsors of restricted units, at the earliest point of contact in the processing of the project or development, written acknowledgement of the requirement that no restricted unit be offered, or in any other way committed, to any person other than a household duly certified to the unit by the administrative agent;
 2. Requiring that all certified applicants for restricted units execute a certificate substantially in the form, as applicable, of either the ownership or rental certificate set forth at N.J.A.C. 5:80-26 Appendix D-3, J, or K;
 3. Working with the MHL to ensure that affordable housing opportunities are posted to the New Jersey Housing Resource Center pursuant to N.J.S.A. 52:27D-321.3 through 321.6, including, if necessary, levying fines for noncompliance and requiring new lotteries;
 4. Sending annual mailings to all owners of affordable dwelling units, reminding them of the requirements of N.J.A.C. 5:80-26.19-4(i) through 4(ix).
 5. Securing from municipalities lists of all affordable units for which tax bills are mailed to absentee owners, and notifying all such owners that they must either move back into or sell their unit;
 6. Establishing a program for diverting unlawful rent payments to the municipality's affordable housing trust fund or other appropriate municipal fund approved by the Department.
 7. Establishing a rent-to-equity program, to be implemented in situations where an affordable unit owner has unlawfully rented their unit, and where the tenant has entered into a tenancy without knowledge of its unlawful nature. Under such a rent-to-equity program, the tenant, including the immediate family of the tenant, shall be given an opportunity to purchase the unit from the affordable unit owner, and the affordable unit owner shall be compelled to sell the unit to the tenant, with the total of all rent paid to the owner being credited to the tenant as down payment money paid to the affordable unit owner. Anything in this subchapter to the contrary, notwithstanding, any person offered a unit under such a rent-to-equity program must first be certified as eligible pursuant to N.J.A.C. 5:80-26.17.
- E. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property

manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.

§ 199-6.19 Appeals.

Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison for the jurisdiction. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

§ 199-6.20 95/5 Restrictions.

- A. Each existing unit governed by a 95/5 restriction shall be governed according to its deed restriction for the duration of the control period identified in the deed restriction or the municipal resolution extending affordability controls, or, if no control period is identified, until the start of the Fifth Round on July 1, 2035. Following the expiration or release of the 95/5 deed restriction, any extension of affordability controls on the unit must be carried out in accordance with the procedures and instruments outlined at N.J.A.C. 5:80-26.6(h) to receive credit pursuant to the Act.
- B. The owner of a unit governed by a 95/5 restriction shall notify the administrative agent and municipal housing liaison by certified mail and by email of any intent to sell the unit 90 days prior to entering into an agreement for the first authorized non-exempt sale after controls have been in effect on the housing unit for the period specified at N.J.A.C. 5:80-26.6.
- C. Upon receipt of a notice specified at (b) above, the option to buy the unit at the maximum allowable restricted sale price or any mutually agreed upon sale price that does not exceed the maximum allowable restricted sale price will be available for 90 days. The administrative agent shall notify the municipal housing liaison and the Division that the unit is for sale. The municipality shall have the right of first refusal to purchase the unit. If the municipality exercises this option, it may enter into a contract of sale for the unit. If the municipality does not exercise this option within 90 days, the first of the other entities giving notice to the seller of its intent to purchase during the 90-day period may purchase the unit. If the option to purchase the unit at the maximum allowable restricted sale price is not exercised by one of the above entities by a written offer to purchase the housing unit within 90 days of receipt of notice of the intent to sell, the owner may proceed to sell the housing unit pursuant to N.J.A.C. 5:80-26.22. If the owner does not sell the unit within one year of the date of the delivery of the notice of intent to sell, the option to buy the unit will be restored and the owner will be required to submit a new notice of intent to sell 90 days prior to any future proposed date of sale.

- D. Any option to buy a housing unit at the maximum allowable restricted sale price must be exercised by certified mail and, if known, by email and will be deemed to have been exercised three days following the earlier of the postmark of the certified mail or the transmission of the email.

§ 199-6.21 Seller Option on 95/5 Restrictions.

- A. An eligible seller of a unit governed by a 95/5 restriction that has been controlled for the period established in the governing deed restriction who has provided the requisite notice of an intent to sell may proceed with the sale if no eligible entity exercises its option to purchase within 90 days. The seller may sell the unit to a certified household at an affordable price or to any purchaser at market price.
- B. Subject to this subchapter, the seller may:
 - 1. Sell to a certified household at a price not to exceed the maximum permitted sale price in accordance with N.J.A.C. 5:80-26.7; provided that the unit is regulated by the deed restriction and lien in accordance with N.J.A.C. 5:80-26.6. The administrative agent shall certify the income qualifications of the purchaser and shall ensure that the housing unit is regulated by the deed restriction and lien in accordance with N.J.A.C. 5:80-26.6; or
 - 2. Exercise the repayment option and sell to any purchaser at market price, provided that 95 percent of the price differential, or another amount determined by an ordinance of the municipal governing body, not to exceed 95 percent of the price differential, is paid to the Municipal Affordable Housing Trust Fund, through the administrative agent, as an instrumentality of the municipality, at closing. Any alternative amount or formula for calculating the alternative amount determined by such ordinance must be uniformly available to all sellers exercising the repayment option within the municipality.
- C. The administrative agent shall examine any contract of sale containing a repayment option to determine if the proposed sale price bears a reasonable relationship to the housing unit's fair market value. In making this determination, the administrative agent may rely on comparable sales data or an appraisal. The administrative agent shall not approve any contract of sale where there is a determination that the sale price does not bear a reasonable relationship to fair market value. The administrative agent shall make such a determination within 20 days of receipt of the contract of sale and shall calculate the repayment option payment.
- D. The administrative agent shall adopt an appeal procedure by which a seller may submit written documentation requesting the administrative agent to recompute the repayment obligation if the seller believes an error has been made, or to reconsider a determination that a sale price does not bear a reasonable relationship to fair market value. A repayment obligation determination made as a result of an owner's appeal is a final determination of the administrative agent appealable pursuant to N.J.A.C. 5:80-26.20.
- E. The repayment will occur at the date of closing and transfer of title for the first non-exempt transaction after the expiration of controls on affordability.
- F. The administrative agent shall deposit all repayment proceeds into the Municipal Housing Trust Fund, which may be used as specified at N.J.S.A. 52:27D-329.2. Money deposited in housing trust funds may not be expended until the municipality submits and the Division

or the county-level housing judge approves a spending plan. See N.J.A.C. 5:99-2 and N.J.S.A. 52:27D-329.2.

§199.6.22. Monitoring and Reporting Requirements

- A. The Township shall comply with the following monitoring and reporting requirements regarding the status of the implementation of its court-approved Housing Element and Fair Share Plan:
1. The Township shall provide electronic monitoring data with the Department pursuant to P.L 2024, Chapter 2 and N.J.A.C. 5:99 through the Affordable Housing Monitoring System (AHMS). All monitoring information required to be made public by the FHA shall be available to the public on the Department's website at <https://www.nj.gov/dca/dlps/hss/MuniStatusReporting.shtml>.
 2. On or before February 15 of each year, the Township shall provide annual reporting of its municipal Affordable Housing Trust Fund activity to the Department on the AHMS portal. The reporting shall include an accounting of all municipal Affordable Housing Trust Fund activity, including the sources and amounts of funds collected and the amounts and purposes for which any funds have been expended, for the previous year from January 1st to December 31st.
 3. On or before February 15 of each year, the annual reporting of the status of all affordable housing activity shall be provided to the Department on the AHMS portal, for the previous year from January 1st to December 31st.

SECTION 2. All ordinances or parts of ordinances inconsistent with this Ordinance are repealed as to such inconsistencies.

SECTION 3. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions of this Ordinance.

SECTION 4. This Ordinance shall take effect upon passage and publication as provided by law.

COUNTY OF HUNTERDON
STATE OF NEW JERSEY**

ORDINANCE NO. 04-2026

**ORDINANCE REPEALING AND REPLACING ARTICLE I, ENTITLED
“DEVELOPMENT FEE” OF THE TOWNSHIP OF LEBANON CODE**

BE IT ORDAINED by the Township Committee of the Township of Lebanon, County of Hunterdon, State of New Jersey, as follows:

This Ordinance repeals and replaces Article I, entitled, “Development Fee” of the Lebanon Township Code:

Article I, “Development Fee”

- § 110-1 Purpose.
- § 110-2 Retention of fees.
- § 110-3 Residential development fees.
- § 110-4 Nonresidential development fees.
- § 110-5 Eligible exaction, ineligible exaction and exemptions.
- § 110-6 Collection of fees.
- § 110-7 Housing Trust Fund.
- § 110-8 Use of funds.
- § 110-9 Expiration of article.
- § 110-10 Definitions.

Article I, “Development Fees.”

§ 110-1 Purpose; legislative authority.

- A. This section establishes standards for the collection, maintenance, and expenditure of development fees in accordance with P.L.2024, c.2, Sections 8 and 32-38. Fees collected pursuant to this section shall be used for the sole purpose of providing low- and moderate-income housing. This section shall be interpreted within the framework of the DCA’s rules on development fees, codified at N.J.A.C. 5:97-8.
- B. The collection of development fees from builders of residential and non-residential properties has been authorized by the court through the powers established pursuant to the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.). Due to the Legislature’s determination that the role of the Committee on Affordable Housing has not developed in practice as intended, the Legislature further determines that authority relating to rulemaking on the collection of residential and non-residential development fees is appropriately delegated to the Department of Community Affairs (the Department), given the department’s existing roles related to local government finance and the funding and financing of affordable housing throughout the State.

§ 110-2 Basic requirements.

- A. This section shall not be effective until approved by the Department pursuant to N.J.A.C. 5:96-5.1.
- B. Lebanon Township shall not spend development fees until the Department has approved a plan for spending such fees in conformance with N.J.A.C. 5:97-8.10 and N.J.A.C. 5:96-5.3.

§ 110-4 Residential development fees.

A. Imposed fees.

1. Within Lebanon Township's affordable housing district(s), residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided no increased density is permitted.
2. When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a "d" variance) has been permitted, developers may be required to pay a development fee of 6% of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application. Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1 1/2 of the equalized assessed value on the first two units; and the specified higher percentage up to 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.
3. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
4. Single-family additions less than 1,000 square feet shall be exempt from paying a development fee.

5. One- and two-family owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.

§ 110-5 Nonresidential development fees.

A. Imposed fees.

1. Within all zoning districts, nonresidential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new nonresidential construction on an unimproved lot or lots.
2. Nonresidential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for nonresidential purposes.
3. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the preexisting land and improvement and the equalized assessed value of the newly improved structure, i.e., land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the nonresidential development fee shall be zero.

B. Eligible exactions ineligible exactions, and exemptions for nonresidential development.

1. The nonresidential portion of a mixed-use inclusionary or market rate development shall be subject to the development fee of 2.5%, unless otherwise exempted below.
2. The fee of 2.5% shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
3. Nonresidential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required pursuant to P.L.2008, c.46, as specified in the Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.
4. A developer of a nonresidential development exempted from the nonresidential development fee pursuant to P.L.2008, c.46 shall be subject to it at such time the basis for the exemption no longer applies, and shall make the payment of the nonresidential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the nonresidential development, whichever is later.
5. If a property which was exempted from the collection of a nonresidential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid nonresidential development fees under these circumstances may be enforceable by Lebanon Township as a lien against the real property of the owner.

C. Collection procedures.

1. Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
2. For nonresidential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/ Exemption" to be completed as per the instructions provided. The developer of a nonresidential development shall complete Form N-RDF as per the instructions provided. The construction official shall verify the information submitted by the nonresidential developer as per the instructions provided in the Form N-RDF. The Tax Assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.
3. The construction official responsible for the issuance of a building permit shall notify the local Tax Assessor of the issuance of the first building permit for a development which is subject to a development fee.
4. Within 90 days of receipt of that notice, the municipal Tax Assessor, based on the plans filed, shall provide an estimate of the equalized assessed value of the development.
5. The construction official responsible for the issuance of a final certificate of occupancy notifies the local assessor of any and all requests for the scheduling of a final inspection on property which is subject to a development fee.
6. Within 10 business days of a request for the scheduling of a final inspection, the municipal assessor shall confirm or modify the previously estimated equalized assessed value of the improvements of the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
7. Should Lebanon Township fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in subsection b. of section 37 of P.L.2008, c.46 (N.J.S.A. 40:55D-8.6).
8. Fifty percent of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at issuance of certificate of occupancy.
9. Appeal of development fees.
 - i. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest-bearing escrow account by Lebanon Township. Appeals from a determination of the Board may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, N.J.S.A. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
 - ii. A developer may challenge nonresidential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a

review and determination by the Director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by Lebanon Township. Appeals from a determination of the Director may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, N.J.S.A. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

- D. All interest accrued in the Housing Trust Fund shall only be used on eligible affordable housing activities approved by DCA.
- E. Use of funds.
 1. The expenditure of all funds shall conform to a spending plan approved by DCA. Funds deposited in the Housing Trust Fund may be used for any activity approved by DCA to address the Lebanon Township's fair share obligation and may be set up as a grant or revolving loan program. Such activities include, but are not limited to, preservation or purchase of housing for the purpose of maintaining or implementing affordability controls, rehabilitation, new construction of affordable housing units and related costs, accessory apartment, market to affordable, or regional housing partnership programs, conversion of existing nonresidential buildings to create new affordable units, green building strategies designed to be cost saving and in accordance with accepted national or state standards, purchase of land for affordable housing, improvement of land to be used for affordable housing, extensions or improvements of roads and infrastructure to affordable housing sites, financial assistance designed to increase affordability, administration necessary for implementation of the Housing Element and Fair Share Plan, or any other activity as permitted pursuant to N.J.A.C. 5:97-8.7 through 8.9 and specified in the approved spending plan.

2. Funds shall not be expended to reimburse Lebanon Township for past housing activities.
3. At least 30% of all development fees collected or such amount as approved through the DCA waiver process and interest earned shall be used to provide affordability assistance to low- and moderate-income households in affordable units included in the municipal Fair Share Plan.  - iii. Payments in lieu of constructing affordable units on site and funds from the sale of units with extinguished controls shall be exempt from the affordability assistance requirement
4. Lebanon Township may contract with a private or public entity to administer any part of its Housing Element and Fair Share Plan, including the requirement for affordability assistance, in accordance with N.J.A.C. 5:96-18.
5. No more than 20% of all revenues collected from development fees may be expended on administration, including, but not limited to, salaries and benefits for municipal employees or consultant fees necessary to develop or implement a new construction program, a Housing Element and Fair Share Plan, and/or an affirmative marketing program. In the case of a rehabilitation program, no more than 20% of the revenues collected from development fees shall be expended for such administrative expenses. Administrative funds may be used for income qualification of households, monitoring the turnover of sale and rental units, and compliance with DCA's monitoring requirements. Legal or other fees related to litigation opposing affordable housing sites or objecting to the DCA's regulations and/or action are not eligible uses of the affordable housing trust fund.

Monitoring will be completed through the Affordable Housing Monitoring System (AHMS).

§ 110-8 Ongoing collection of fees.

The ability for Lebanon Township to impose, collect and expend development fees shall expire with its substantive certification unless Lebanon Township has filed an adopted Housing Element and Fair Share Plan with DCA, has petitioned for substantive certification, and has received DCA's approval of its Development Fee Ordinance. If Lebanon Township fails to renew its ability to impose and collect development fees prior to the expiration of substantive certification, it may be subject to forfeiture of any or all funds remaining within its municipal trust fund.
