This Ordinance shall apply to all inclusionary developments, individual affordable units, and 100% affordable housing developments except where inconsistent with applicable law.
- C. The High Bridge Planning Board has adopted a HEFSP pursuant to the Municipal Land Use Law at N.J.S.A. 40:55D-1, et seq. Prior round affordable units shall be integrated with market rate units to the extent feasible.
 - (d) Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. - (b) Restricted units may be clustered, provided that the buildings or housing product types containing the restricted units are integrated throughout the development and are not concentrated in an undesirable location or in undesirable locations. Prior round affordable units shall be integrated with market rate units to the extent feasible.
- (c) Restricted units may be of different unit housing product types than market-rate units, provided that there is a restricted option available for each market rate housing type. Developments containing market-rate duplexes, townhomes, and/or single-family homes shall offer restricted housing options that also include duplexes, townhomes, and/or single-family homes. Penthouses and higher priced end townhouses shall be exempt from this requirement. The proper ratio for restricted to market-rate unit type shall be subject to municipal ordinance or, if not specified, shall be determined at the time of site plan approval.

- C. Updated regional income limits are effective as of the effective date of the regional Section 8 income limits for the year, as published by HUD, or 45 days after HUD publishes the regional Section 8 income limits for the year, whichever comes later. In achieving this affordability average, moderate-income ownership units must be available for at least three different prices for each bedroom type, and low-income ownership units must be available for at least two different prices for each bedroom type when the number of low- and moderate-income units permits.

- F. The master deeds and declarations of covenants and restrictions for affordable developments may not distinguish between restricted units and market-rate units in the calculation of any condominium or homeowner association fees and special assessments to be paid by low- and moderate-income purchasers and those to be paid by market-rate purchasers. Notwithstanding the foregoing sentence, condominium units subject to a municipal ordinance adopted before December 20, 2004, which ordinance provides for condominium or homeowner association fees and/or assessments different from those provided for in this subsection are governed by the ordinance.

- J. The initial rent for a restricted rental unit shall be calculated so that the total monthly housing expense, including an allowance for tenant-paid utilities, does not exceed 30 percent of the gross monthly income of a household of the appropriate size whose income is targeted to the applicable percentage of median income for the unit, as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented. The rent shall also comply with the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented. Rent increases for units constructed pursuant to Low-Income Housing Tax Credit regulations shall be indexed pursuant to the regulations governing Low-Income Housing Tax Credits.

§145-509 Affirmative marketing.

- A. The municipality shall adopt, by resolution, an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.16, as may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age, or number of children, to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward Housing Region 3 and is required to be followed throughout the period of deed restriction.
- C. The Affirmative Marketing Plan provides the following preferences, provided that units that remain unoccupied after these preferences are exhausted may be offered to households without regard to these preferences.
 - (1) Where the municipality has entered into an agreement with a developer or residential development owner to provide a preference for very-low-, low-, and moderate-income veterans who served in time of war or other emergency, pursuant to N.J.S.A. 52:27D-311.j, there shall be a preference for veterans for up to 50 percent of the restricted rental units in a particular project.
 - (2) There shall be a regional preference for all households that live and/or work in Housing Region 3 comprising Hunterdon, Middlesex, and Somerset Counties.
 - (3) Subordinate to the regional preference, there shall be a preference for households that live and/or work in New Jersey.
 - (4) With respect to existing restricted units undergoing approved rehabilitation for the purpose of preservation or to restricted units newly created to replace existing restricted units undergoing demolition, a preference for the very-low-, low-, and moderate-income households that are displaced by the rehabilitation or demolition and replacement.

- D. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Process, including the marketing of initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the municipality shall implement the Affirmative Marketing Process to ensure the Affirmative Marketing of all affordable units, with the exception of affordable programs that are exempt from Affirmative Marketing as noted herein.
- E. The Affirmative Marketing Process shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Process, the Administrative Agent shall consider the use of language translations where appropriate.
- F. Applications for affordable housing or notices thereof, if offered online, shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and municipal library in the municipality in which the units are located; and the developer's rental or sales office. The developer shall mail applications to prospective applicants upon request and shall make applications available through a secure online website address.
- G. In addition to other Affirmative Marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units on the New Jersey Housing Resource Center website. Any other entities, including developers or persons or companies retained to implement the Affirmative Marketing Process, shall comply with this paragraph.
- H. In implementing the Affirmative Marketing Process, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- I. The Affirmative Marketing Process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.
- J. The cost to affirmatively market the affordable units shall be the responsibility of the developer, sponsor or owner, with the exception of Affirmative Marketing for resales.

§145-510 Selection of occupants of affordable housing units.

- A. The Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
- B. A pool of interested households will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.16.

§145-511 Occupancy standards.

- A. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:

- (1) Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
- (2) Provide a bedroom for every two adult occupants;
- (3) With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and
- (4) Avoid placing a one-person household into a unit with more than one bedroom.

§145-512 Control periods for restricted ownership units and enforcement mechanisms.

- A. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80- 26.6, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the controls on affordability for a period of at least 30 years subject to the requirements of N.J.A.C. 5:80-26.6, as may be amended and supplemented.
- B. Rehabilitated housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years (crediting towards present need only).
- C. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit. The date of commencement shall be identified in the deed restriction.
- D. If existing affordability controls are being extended, the extended control period for a restricted ownership unit commences on the effective date of the extension, which is the end of the original control period.
- E. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this Article until the owner gives notice of their intent to make an exit sale, at which point:
 - (1) If the municipality exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
 - (2) If the municipality does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
- F. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
- G. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- H. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging

the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Article, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.

- I. The affordability controls set forth in this Article shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

§145-513 Price restrictions for restricted ownership units and resale prices.

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7, as may be amended and supplemented, including:

- (1) The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.

- (2) The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C 5:80-26.7.

- (a) If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for the unit is the most recent non-exempt purchase price.

- (b) If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3

- (3) The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:

- (a) those that render the unit suitable for a larger household or the addition of a bathroom.

- (b) The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);

- (4) No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.

- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum

allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

§145-514 Buyer income eligibility.

- A. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented, such that very low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 30% of median income, low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 50% of median income and moderate-income ownership units shall be reserved for occupancy by households with a gross household income less than 80% of median income.
- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the municipality, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very-low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.
- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.

- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
- (1) The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;
 - (2) The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or
 - (3) The household is currently in substandard or overcrowded living conditions;
 - (4) The household documents the existence of assets, within the asset limitation otherwise applicable, with which the household proposes to supplement the rent payments.

§145-515 Limitations on indebtedness secured by ownership unit; subordination.

- A. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

§145-516 Control periods for restricted rental units.

- A. Control periods for units that meet the definition of prior round units shall be pursuant to the 2001 UHAC rules originally adopted October 1, 2001, 33 N.J.R. 3432 and shall remain subject to the requirements of this Article for a period of at least 30 years as applicable unless otherwise indicated.
- B. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Article for a period of at least 40 years. Restricted rental units created as part of developments receiving 9% Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.

- C. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability controls are being extended, on the effective date of the extension, which is the end of the original control period.
- D. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years.
- E. Prior to the issuance of any building permit for the construction/rehabilitation of restricted rental units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
- F. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property. The deed restriction shall be recorded by the developer with the county records office, and provided as filed and recorded, to the Administrative Agent within 30 days of the receipt of a certificate of occupancy.
- G. A restricted rental unit shall remain subject to the affordability controls of this Article despite the occurrence of any of the following events:
 - (1) Sublease or assignment of the lease of the unit;
 - (2) Sale or other voluntary transfer of the ownership of the unit;
 - (3) The entry and enforcement of any judgment of foreclosure on the property containing the unit; or
 - (4) The end of the control period, until the occupant household vacates the unit, or is certified as over-income and the controls are released in accordance with UHAC.

§145-517 Rent restrictions for rental units; leases and fees.

- A. The initial rent for a restricted rental unit shall be set by the Administrative Agent.
- B. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
- C. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
 - (1) Operating costs, for the purposes of this section, include certificate of occupancy fees, move-in fees, move-out fees, mandatory internet fees, mandatory cable fees, mandatory utility submetering fees, and for developments with more than one and a half off-street parking spaces per unit, parking fees for one parking space per household.
- D. Any fee structure that would remove or limit affordable unit occupant access to any amenities or services that are required or included for market-rate unit occupants is prohibited.

Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted unit to be applied to the costs of administering the controls applicable to the unit as set forth in this Article.

- E. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.
- F. Pet fees may not exceed \$30.00 per month and associated one-time payments for optional fees pertaining to pets, such as a pet cleaning fee, are prohibited.
- G. Fees charged to affordable unit tenants for other optional, unit-specific, non-communal items shall not exceed the amounts charged to market-rate tenants.
- H. For any prior round rental unit leased before December 20, 2024, elements of the existing fee structure that are consistent with prior rules, but inconsistent with 5:80-26.13(c)1, may continue until the occupant household's current lease term expires or that occupant household vacates the unit, whichever occurs later.

§145-518 Tenant income eligibility.

- A. Tenant income eligibility shall be determined pursuant to N.J.A.C. 5:80-26.14, as may be amended and supplemented, and shall be determined as follows:
 - (1) Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30% of the regional median income by household size.
 - (2) Low-income rental units shall be reserved for households with a gross household income less than or equal to 50% of the regional median income by household size.
 - (3) Moderate-income rental units shall be reserved for households with a gross household income less than 80% of the regional median income by household size.
- B. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income or moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:

After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - (a) A fine of not more than \$500 per day or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - (b) In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - (c) In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- C. The municipality shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
- D. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature

of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.

- (1) Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
- (2) The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.
- (3) Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- (4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.
- (5) Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any

qualified purchaser that may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.

- (6) The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- E. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this Article, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
 - F. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this Article if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the property is located. Any loan issued in violation of this subsection is void as against public policy.
 - G. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this Article, all of the rights and remedies available at law and in equity for the enforcement of this Article, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.
 - H. Appeals
 - (1) Appeals from all decisions of an administrative agent appointed pursuant to this Article must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

SECTION 3. The Borough Code, Chapter 145 “Land Use and Development”, Article VA “Municipal Housing Liaison”, Article VB “Administrative Agent” and Article VC “Affirmative Marketing” are hereby deleted.

SECTION 4. All ordinances or parts of ordinances inconsistent herewith are hereby repealed as to such inconsistencies.

SECTION 5. If any article, section, subsection, paragraph, phrase, or sentence is for any reason held to be unconstitutional or invalid, said article, section, subsection, paragraph, phrase or sentence shall be deemed separable.

SECTION 6. This Ordinance shall take effect upon final publication as provided by law.

NOTICE is hereby given that the foregoing Ordinance was introduced to pass on first reading at a regular meeting of the Council of the Borough of High Bridge held on _____, 2026, and ordered published in accordance with the law. WHEREAS, the Borough of High Bridge filed a Declaratory Judgment Action on January 24, 2025 seeking a certification of compliance with the Fair Housing Act, and

WHEREAS, the Borough has entered into a Consent Order with Fair Share Housing Center that requires all of the implementing documents, including a Development Fee Ordinance to be adopted by March 15, 2026; and

WHEREAS, new N.J.A.C. 5:99 regulations were adopted in December of 2025; and

WHEREAS, the Borough seeks to update its existing Development Fee Ordinance to reflect the new regulations.

NOW, THEREFORE BE IT ORDAINED, by the Mayor and Borough Council that:

SECTION 1. The Borough Code, Chapter 145 “Land Use and Development”, Article VII “Fees, Guarantees, Inspections and Off-Tract Improvements”, Section 145-704 “Affordable housing development fees.” be deleted in its entirety and replaced as follows:

§ 145-704 Affordable housing development fees.

- A. Purpose. This section establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with the amended Fair Housing Act (P.L.2024, c.2), N.J.A.C. 5:99, and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7). Fees collected pursuant to this Ordinance shall be used for

the sole purpose of providing very low-, low- and moderate-income housing in accordance with a Court-approved Spending Plan.

B. Basic requirements.

- (1) The municipality previously adopted a development fee ordinance, which established the Municipal Affordable Housing Trust Fund.
- (2) The municipality shall not spend development fees until the court has approved a plan for spending such fees.

C. Definitions.

- (1) The following terms, as used in this section, shall have the following meanings:

AFFORDABLE HOUSING DEVELOPMENT

A development included in a municipality's housing element and fair share plan, and includes, but is not limited to, an inclusionary development, a municipally sponsored affordable housing project, or a 100 percent affordable development. This includes developments with affordable units on-site, off-site, or provided as a payment in-lieu of construction only if such a payment-in-lieu option has been previously approved by the Program or Superior Court as part of the HEFSP.

AFFORDABLE HOUSING MONITORING SYSTEM OR AHMS

The Department's cloud-based software application, which shall be the central repository for municipalities to use for reporting detailed information regarding affordable housing developments, affordable housing unit completions, and the collection and expenditures of funds deposited into the municipal affordable housing trust fund.

AFFORDABLE HOUSING TRUST FUND OR AHTF

The non-lapsing, revolving trust fund established in the Department pursuant to N.J.S.A. 52:27D-320 and N.J.A.C. 5:43 to be the repository of all State funds appropriated for affordable housing purposes.

COAH OR THE COUNCIL

The Council on Affordable Housing established in, but not of, DCA pursuant to the Act and that was abolished effective March 20, 2024, pursuant to section 3 at P.L. 2024, c. 2 (N.J.S.A. 52:27D-304.1).

DEPARTMENT

The New Jersey Department of Community Affairs.

DEVELOPER

The legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

DEVELOPMENT FEE

Money paid by a developer for the improvement of residential and non-residential property as permitted pursuant to N.J.S.A. 52:27D-329.2 and 40:55D-8.1 through 40:55D-8.7 and N.J.A.C. 5:99-3.

EQUALIZED ASSESSED VALUE OR EAV

The assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with sections 1, 5, and 6 at P.L. 1973, c. 123 (N.J.S.A. 54:1-35a, 54:1-35b, and 54:1-35c). Estimates at the time of building permit may be obtained by the tax assessor using construction cost estimates. Final EAV shall be determined at project completion by the municipal assessor.

D. Residential development fees.

(1) Imposed fees.

- (a) Residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.
- (b) When an increase in residential density is permitted pursuant to a “d” variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a “bonus” development fee of 6.0% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1.5% of the equalized assessed value on the first two units; and the specified higher percentage of 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

(2) Eligible exactions, ineligible exactions and exemptions for residential development.

- (a) Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made an eligible payment in lieu of on-site construction of affordable units, if permitted by ordinance, or by agreement with

the municipality and if approved by a municipality prior to the statutory elimination of payments in-lieu on March 20, 2024 per P.L.2024, c.2, shall be exempt from development fees.

- (b) Developments that have received preliminary or final site plan approval prior to the adoption of this ordinance and any preceding ordinance permitting the collection of development fees shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where a site plan approval does not apply, the issuance of a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the development fee ordinance in effect on the date that the construction permit is issued.
- (c) Improvements or additions to existing one- and two-family dwellings on individual lots shall not be required to pay a development fee, but a development fee shall be charged for any new dwelling constructed as a replacement for a previously existing dwelling on the same lot that was or will be demolished, unless the owner resided in the previous dwelling for a period of one year or more prior to obtaining a demolition permit. Where a development fee is charged for a replacement dwelling, the development fee shall be calculated on the increase in the equalized assessed value of the new structure as compared to the previous structure.
- (d) No development fee shall be collected for the demolition and replacement of a residential building resulting from a fire or natural disaster.

E. Non-residential development fees.

(1) Imposition of fees.

- (a) Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
- (b) Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
- (c) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure; i.e., land and improvements; and such calculation shall be made at the time a final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

- (2) Eligible exactions, ineligible exactions and exemptions for non-residential development
 - (a) The non-residential portion of a mixed-use inclusionary or market-rate development shall be subject to a 2.5% development fee, unless otherwise exempted below.
 - (b) The 2.5% fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
- (3) Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.
- (4) A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.
- (5) If a property that was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the municipality as a lien against the real property of the owner.

F. Collection procedures.

- (1) Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
- (2) For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF, "State of New Jersey Non-Residential Development Certification/Exemption," to be completed by the developer as per the instructions provided in the Form N-RDF. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided on Form N-RDF. The tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.

- (3) The construction official responsible for the issuance of a building permit shall notify the tax assessor of the issuance of the first construction permit for a development that is subject to a development fee.
- (4) Within 90 days of receipt of that notice, the tax assessor shall provide an estimate, based on the plans filed, of the equalized assessed value of the development.
- (5) The construction official responsible for the issuance of a final certificate of occupancy shall notify the tax assessor of any and all requests for the scheduling of a final inspection on property that is subject to a development fee.
- (6) Within 10 business days of a request for the scheduling of a final inspection, the tax assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
- (7) Should the municipality fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of section 37 of P.L.2008, c.46 (N.J.S.A. 40:55D-8.6).
- (8) Fifty percent (50%) of the development fee shall be collected at the time of issuance of the construction permit. The remaining portion shall be collected at the time of issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the construction permit and that determined at the time of issuance of certificate of occupancy.

G. Appeal of development fees.

- (1) A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by that board, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the board may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
- (2) A developer may challenge non-residential development fees imposed by filing a challenge with the director of the Division of Taxation. Pending a review and determination by the director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the director may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

H. Affordable Housing Trust Fund.

- (1) A separate, interest-bearing Municipal Affordable Housing Trust Fund shall be maintained by the chief financial officer of the municipality for the purpose of depositing development fees collected from residential and non-residential developers and proceeds from the sale of units with extinguished controls.
- (2) The following additional funds shall be deposited in the Municipal Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:
 - (a) Payments in lieu of on-site construction of an affordable unit, where previously permitted by ordinance or by agreement with the municipality and if approved by a municipality prior to the statutory elimination of payments in-lieu on March 20, 2024 per P.L.2024, c.2;
 - (b) Funds contributed by developers to make 10% of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;
 - (c) Rental income from municipally operated units;
 - (d) Repayments from affordable housing program loans;
 - (e) Recapture funds;
 - (f) Proceeds from the sale of affordable units; and
 - (g) Any other funds collected in connection with the municipal affordable housing program including but not limited to interest earned on fund deposits.
- (3) The municipality shall provide the Department with written authorization, in the form of a tri-party escrow agreement(s) between the municipality, the Department and the financial institution in which the municipal affordable housing trust fund has been established to permit the Department to direct the disbursement of the funds as provided or in N.J.A.C. 5:99-2.1 et seq.
- (4) Occurrence of any of the deficiencies outlined in N.J.A.C. 5:99 may result in the Department requiring the forfeiture of all or a portion of the funds in the municipal Affordable Housing Trust Fund.
- (5) All interest accrued in the housing trust fund shall only be used on eligible affordable housing purposes approved by the Court.

I. Use of funds.

- (1) The expenditure of all funds shall conform to a Spending Plan approved by Superior Court. Funds deposited in the municipal Affordable Housing Trust Fund may be used for any activity approved by the Court to address the fair share obligation and may be

set up as a grant or revolving loan program. Such activities include, but are not limited to: preservation or purchase of housing for the purpose of maintaining or implementing affordability controls; housing rehabilitation; new construction of affordable housing units and related costs; accessory apartments; a market-to-affordable program; conversion of existing non-residential buildings to create new affordable units; green building strategies designed to be cost-saving and in accordance with accepted national or state standards; purchase of land for affordable housing; improvement of land to be used for affordable housing; extensions or improvements of roads and infrastructure to affordable housing sites; financial assistance designed to increase affordability; administration necessary for implementation of the Housing Element and Fair Share Plan; and/or any other activity permitted by Superior Court and specified in the approved Spending Plan.

- (2) Funds shall not be expended to reimburse the municipality or activities that occurred prior to the authorization of a municipality to collect development fees.
- (3) At least a portion of all development fees collected and interest earned shall be used to provide affordability assistance to very low-, low- and moderate-income households in affordable units included in the municipal Fair Share Plan. A portion of the development fees which provide affordability assistance shall be used to provide affordability assistance to very low-income households.
 - (a) Affordability assistance programs may include down payment assistance, security deposit assistance, low-interest loans, rental assistance, assistance with homeowners association or condominium fees and special assessments, infrastructure assistance, and assistance with emergency repairs. The specific programs to be used for affordability assistance shall be identified and described within the Spending Plan.
 - (b) Affordability assistance for very low income households may include producing very low-income units or buying down the cost of low- or moderate-income units in the municipal Fair Share Plan to make them affordable to households earning 30% or less of median income.
- (4) No more than 20% of all affordable housing trust funds, exclusive of those collected to fund an RCA prior to July 17, 2008, shall be expended on administration, including, but not limited to, salaries and benefits for municipal employees or consultants' fees necessary to develop or implement a new construction program, prepare and implement a Housing Element and Fair Share Plan, administer an Affirmative Marketing Program and for compliance with the Superior Court and the Program including the costs to the municipality of resolving a challenge.

J. Monitoring.

- (1) On or before February 15 of each year, the municipality shall provide annual electronic data reporting of trust fund activity for the previous year from January 1st to December 31st through the AHMS Reporting System. This reporting shall include an accounting

of all Municipal Affordable Housing Trust Fund activity, including the sources and amounts of all funds collected and the amounts and purposes for which any funds have been expended. Such reporting shall include an accounting of development fees collected from residential and non-residential developers, previously eligible payments in lieu of constructing affordable units on site (if permitted by ordinance or by agreement with the municipality prior to the March 20, 2024 statutory elimination per P.L. 2024, c.4), funds from the sale of units with extinguished controls, barrier-free escrow funds, rental income from municipally-owned affordable housing units, repayments from affordable housing program loans, interest and any other funds collected in connection with municipal housing programs, as well as an accounting of the expenditures of revenues and implementation of the Spending Plan approved by the Court.

K. Ongoing collection of fees.

- (1) The ability to impose, collect and expend development fees shall continue so long as the municipality retains authorization from the Court in the form of Compliance Certification or the good faith effort to obtain it.
- (2) If the municipality fails to renew its ability to impose and collect development fees prior to the expiration of its Judgment of Compliance or Compliance Certification, it may be subject to forfeiture of any or all funds remaining within its Affordable Housing Trust Fund. Any funds so forfeited shall be deposited into the New Jersey Affordable Housing Trust Fund established pursuant to section 20 of P.L.1985, c.222 (C. 52:27D-320).

L. Emergent Affordable Housing Opportunities. Requests to expend affordable housing trust funds on emergent affordable housing opportunities not included in the municipal fair share plan shall be made to the Department and shall be in the form of a governing body resolution. Any request shall be consistent with N.J.A.C. 5:99-4.1.

SECTION 2. All ordinances or parts of ordinances inconsistent herewith are hereby repealed as to such inconsistencies.

SECTION 3. If any article, section, subsection, paragraph, phrase, or sentence is for any reason held to be unconstitutional or invalid, said article, section, subsection, paragraph, phrase or sentence shall be deemed separable.

SECTION 4. This Ordinance shall take effect upon final publication as provided by law.

RESOLUTION: 086-2026

ADOPTED:

WHEREAS, in accordance with P.L. 2024, Chapter 2 and the New Jersey Uniform Housing Affordability Controls (“UHAC”)(N.J.A.C. 5:80-26.1 et seq.), the Borough of High Bridge is required to adopt an Affirmative Marketing Plan to ensure that all affordable housing units created are affirmatively marketed to very low-, low- and moderate-income households, particularly those living and/or working within Housing Region 3, the Housing Region encompassing the Borough of High Bridge.

NOW, THEREFORE, BE IT RESOLVED, that Governing Body of the Borough of High Bridge, County of Hunterdon, State of New Jersey, does hereby adopt the following Affirmative Marketing Plan:

Affirmative Marketing Plan

- A. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, to housing units which are being marketed by a developer or sponsor of affordable housing. The Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward the Housing Region in which the municipality is located and covers the entire period of the deed restriction for each restricted housing unit. The Borough of High Bridge is located in Housing Region 3, consisting of Hunterdon, Middlesex and Somerset Counties.
- B. The Borough of High Bridge has a plan to address both its Prior Round Obligation (1987-2025) and its Fourth Round Obligation (2025-2035). This Affirmative Marketing Plan shall apply to all developments that contain or will contain very low-, low- and moderate-income units, including those that are part of the municipality’s Housing Element and Fair Share Plan, and those that may be constructed in future developments not yet anticipated by the Housing Element and Fair Share Plan.

- C. The Affirmative Marketing Plan shall be implemented by the Administrative Agent under contract to the Borough of High Bridge or the Administrative Agent of any specific developer approved by the municipality.
- D. All of the costs of advertising and affirmatively marketing affordable housing units shall be borne by the developers/sellers/owners of affordable unit(s), and all such advertising and affirmative marketing shall be subject to approval and oversight by the designated Administrative Agent.
- E. The implementation of the Affirmative Marketing Plan for a development that includes affordable housing shall commence at least 120 days prior to expected occupancy. The implementation of the Affirmative Marketing Plan shall continue until all very low-, low- and moderate-income housing units are initially occupied and for as long as the affordable units remain deed restricted such that qualifying new tenants and/or purchasers continues to be necessary.
- F. The Affirmative Marketing Plan is a continuing program that shall be followed throughout the entire period of affordability restrictions. In implementing the Affirmative Marketing Plan, the Administrative Agent, whether acting on behalf of the Borough of High Bridge or on behalf of a specific developer, shall meet the following requirements at a minimum:
 - 1. The primary marketing and advertising must be employed at the start of the marketing program and continue until all units are leased or sold or until the number of applications received is at least three times the number of units. Additional advertising and publicity shall be on an "as needed" basis. The developer/owner shall disseminate all public service announcements and pay for display advertisements. The developer/owner shall provide proof of all publications to the Administrative Agent. All press releases and advertisements shall be approved in advance by the Administrative Agent.
 - 2. The advertisements shall, at a minimum, include:
 - a. The name and location of the housing project;
 - b. An address sufficient to find directions to the housing units;
 - c. A range of prices or rents for the affordable housing units;
 - d. The sizes, as measured in number of bedrooms of the affordable housing units;
 - e. The types (that is, family, age-restricted, or supportive) and number of affordable units available;
 - f. The number of units available to very low-, low-, and moderate-income households;
 - g. The accessibility features, if any, of the affordable housing units;
 - h. The maximum income permitted to qualify for the affordable housing units;
 - i. The population(s), if any, given preference in the selection process pursuant to N.J.A.C. 5:80-26.17(k)2;

- j. Where applications (paper and online) for the affordable housing units may be found;
 - k. The expected lease-up/closing date(s) for the affordable housing units;
 - l. The expected date of the random selection;
 - m. The business hours when interested households may obtain paper applications for the affordable housing units;
 - n. Contact information, including an email address and phone number that are regularly monitored by the administrative agent;
 - o. The name of the sales agent and/or rental manager; and
 - p. Application fees, if any.
3. Affirmative fair marketing of affordable units must be completed in accordance with the requirements set forth in UHAC at N.J.A.C. 5:80-26.16 in all media and outlets required by the rules.
 4. The Administrative Agent of the affordable housing development shall complete the Affirmative Fair Housing Marketing Plan, attached hereto as Attachment A, for review and approval by the Municipal Housing Liaison or the Borough's Administrative Agent, as the case may be, prior to commencement of advertising to the public.
 5. Affordable units must be listed on the New Jersey Housing Resource Center's website (www.njhrc.gov) in accordance with N.J.A.C. 5:80-26.16(f)1 at least 60 days before the random selection.
 6. Applications, or notices thereof, used as part of the affirmative marketing program must be available in the following locations:

- G. The municipality's Administrative Agent shall develop, maintain and update a list of community contact person(s) and/or organizations(s) Hunterdon, Middlesex and Somerset Counties that will aid in the affirmative marketing program with particular emphasis on contacts that will reach out to groups that are least likely to apply for housing within the region, including major regional employers.
- H. The municipality's Administrative Agent shall develop, maintain and update a list of major employers in Hunterdon, Middlesex and Somerset Counties that will aid in the affirmative marketing program.
- I. A random selection method to select occupants of very low-, low- and moderate-income housing will be used by the municipality's Administrative Agent, or the Administrative Agent of any specific developer, in conformance with N.J.A.C. 5:80-26.16(d) This Affirmative Marketing Plan provides a regional preference for very low-, low- and moderate-income households that live and/or work in Housing Region 3, which is comprised of Hunterdon, Middlesex and Somerset Counties. Pursuant to the New Jersey Fair Housing Act (C.52:27D-311), a preference for very low-, low- and moderate-income veterans duly qualified under N.J.A.C. 54:4-8.10 may also be exercised, provided an agreement to this effect has been executed between the developer or landlord and the municipality prior to the affirmative marketing of the units.
- J. All developers/owners of very low-, low- and moderate-income housing units shall be required to undertake and pay the costs of the marketing of the affordable units in their respective developments, subject to the direction and supervision of the municipality's Administrative Agent.

BE IT FURTHER RESOLVED that the appropriate municipal officials and professionals are authorized to take all actions required to implement the terms of this Resolution.

(Sections II through IV should be consistent for all affordable housing developments and programs within the municipality and with the municipal Affordable Housing Ordinance. Sections that differ must be described in the approved contract between the municipality and the administrative agent and in the approved Operating Manual.).

II. RANDOM SELECTION

For new projects and when random selection is utilized, the Administrative Agent will assign random numbers to each applicant through a computerized random number generator thereby creating a waiting list.

After the list of applications submitted during the initial lottery period is exhausted, the priority of preliminary applications is established by the date that the household submits their preliminary application ("Interest Date").

A separate waiting list will be kept for ownership versus rental units, resulting in a total of two waiting lists for the Municipality. Households waiting for age-restricted and family rental units will be part of the same waiting list. Likewise,

households waiting for age-restricted and family ownership units will be part of the same waiting list. In filling an age-restricted property, households that do not meet the age requirements will be skipped.

When brand new Affordable Units become available for rent or sale in a new development, a lottery will be conducted UNLESS there are households on the existing waiting list with lottery numbers that have not been contacted. In these cases:

- Those applicants with lottery numbers will be contacted first.
- Households that submitted a preliminary application after the last lottery (and do not have lottery numbers) will be included in the next lottery if it is required to fill the units.
- Affirmative Marketing will be required before this lottery is held since these are new Affordable Units and the public must be made aware of the new Affordable Housing opportunity.

As an example, if a new housing opportunity arises that will create 150 new Affordable Units and the existing waiting list has only 50 applicants on it (who hold numbers 1 to 50), a new lottery will be held with Affirmative Marketing. If an additional 50 applications are submitted as a result of this marketing effort, then these “new” applications will be assigned numbers 51 to 100 on the waiting list.

The household with the highest lottery number (or oldest Interest Date) may not always be the next person contacted for a specific available unit because of factors impacting waiting list priority. In addition to age-restricted requirements already discussed, these factors include the number of persons in the household, household income level, households with a person with physical disabilities, veterans preference and regional preference as may be established in the Municipal Affordable Housing Ordinance. The Borough of High Bridge has selected to use a regional preference which appears in the Borough of High Bridge’s Affordable Housing Ordinance. The Borough has selected not to use the Veterans Preference option at this time.

**BOROUGH OF HIGH BRIDGE
2026 AFFORDABLE HOUSING TRUST
FUND SPENDING PLAN**

January 19, 2026

Council Approval: _____

1) INTRODUCTION

The Borough of High Bridge has prepared a Housing Element and Fair Share Plan in accordance with the Municipal Land Use Law (NJSA 40:55D-1 et seq.), the Amended Fair Housing Act (NJSA 52:27D-301), and the applicable affordable housing regulations (NJAC 5:91-1 et seq., NJAC 5:93-1 et seq., NJAC 5:97 et seq., and NJAC 5:99, et seq.). A development fee ordinance creating a dedicated revenue source for affordable housing was originally approved by the Council on Affordable Housing on July 24, 1997 and adopted by the municipality on September 11, 1997.¹ The ordinance establishes the Borough of High Bridge's affordable housing trust fund for which this spending plan is prepared.

2) REVENUES FOR CERTIFICATION PERIOD

As of December 31, 2024, the Borough of High Bridge has collected \$81,519.61 and expended \$63,688.15, resulting in a balance of \$17,831.46. All development fees, payments in lieu of constructing affordable units on site, funds from the sale of units with extinguished controls, and interest generated by the fees are deposited in a separate interest-bearing affordable housing trust fund in Citizens Bank of Pennsylvania for the purposes of affordable housing. These funds shall be spent in accordance with NJAC 5:99-2.3, as described in the sections that follow.

To calculate a projection of revenue anticipated during the period of the fourth round (2025-2035), the Borough of High Bridge considered the following:

(a) Development fees:

1. Residential and non-residential projects which have had development fees imposed upon them at the time of preliminary or final development approvals;
2. All projects currently before the planning and zoning boards for development approvals that may apply for building permits and certificates of occupancy; and
3. Future development that is likely to occur based on historical rates of development.

¹ Dates sourced from Affordable Housing Monitoring System, accessed April 30, 2025.

(b) Payment in lieu (PIL):

Actual and committed payments in lieu (PIL) of construction from developers as follows:

- The approval for 77 Main Street requires a payment in lieu of \$67,530.53.

(c) Other funding sources:

Funds from other sources including, but not limited to, the sale of units with extinguished controls, repayment of affordable housing program loans, rental income and proceeds from the sale of affordable units.

- No funds are anticipated at this time.

(d) Projected interest:

Interest on the projected revenue in the municipal affordable housing trust fund at the current average interest rate.

- The Borough projects collecting \$11 between 2025 and 2035.

The Borough of High Bridge projects a total of \$93,000.51 in revenue to be collected between 2025 and 2035. This projected amount, when added to the Borough's trust fund balance as of December 31, 2024, results in an anticipated total revenue of \$110,831.97 available to fund and administer its affordable housing plan. All interest earned on the account shall be used only for the purposes of affordable housing. See the table on the following page for a projection of the anticipated revenues.

*For purposes of projecting revenues, we have utilized historic residential Certification of Occupancy data and projected forward. Projections assume the estimated value of a new home is \$339,452. (This value was provided by the tax assessor and is the average home value within the Borough.) The value is then multiplied by 1.5%.

3) ADMINISTRATIVE MECHANISM TO COLLECT AND DISTRIBUTE FUNDS

The following procedural sequence for the collection and distribution of development fee revenues shall be followed by the Borough of High Bridge:

(a) Collection of development fee revenues:

Collection of development fee revenues shall be consistent with the Borough of High Bridge’s development fee ordinance for both residential and non-residential developments in accordance with NJAC 5:91, 5:93, and 5:99, the Amended Fair Housing Act, and the Municipal Land Use Law.

(b) Distribution of development fee revenues:

The Administration forwards a resolution to the governing body recommending the expenditure of development fee revenues as set forth in this spending plan. The governing body reviews the request for consistency with the spending plan and adopts the recommendation by resolution. The release of the funds requires the adoption of the governing body resolution in accordance with the Court- and/or Program-approved spending plan. Once a request is approved by resolution, the Chief Financial Officer releases the requested revenue from the trust fund for the specific use approved in the governing body's resolution.

4) DESCRIPTION OF ANTICIPATED USE OF AFFORDABLE HOUSING FUNDS

(a) Rehabilitation and new construction programs and projects.

The Borough of High Bridge will dedicate a maximum of \$20,000 for hard costs to rehabilitate two units between January 2026 and December 2035. It should be noted that between January and May of 2025 one rehabilitation, in the amount of \$10,000, was paid for. This was a Third Round rehabilitation credit.

Rehabilitation program: Maximum of \$20,000 between January 2026 and December 2035, \$30,000 overall

New construction project(s): \$0

(b) Affordability Assistance (NJAC 5:99-2.5(a)).

Municipalities are required to “set aside a portion of all development fees collected and interest earned for the purpose of providing affordability assistance to very-low, low-, and moderate-income households in affordable units included in the municipality's fair share plan”. The regulations do not specify a certain percentage that must be attained, but for purposes of this document, a goal of 20% has been set. The actual affordability assistance expenditures are calculated on an ongoing basis in the online Affordable Housing Monitoring System platform.

According to the chart on the following page, the Borough of High Bridge has set a goal of 20% of all fees and interest earned to be reserved for affordability assistance. This goal translates to \$18,959.59. Through December 31, 2024, the Borough has spent \$0 on affordability assistance. High Bridge proposes the following affordability assistance programs:

- **Supportive/Special Needs Units and Other Affordable Opportunities.** High Bridge is located within the Highlands Region and has limited vacant and developable land. The Amended FHA encourages communities within the Highlands to construct 100% affordable housing. High Bridge would like the flexibility to, if the opportunity arises over the next decade, partner with an entity to construct supportive / special needs affordable housing opportunities. High Bridge would like to reserve funds to aid in bringing said units to fruition. It is anticipated that the program would be structured to provide funding per unit or bed in exchange for a deed restricted unit / bed. A majority of these units would be very-low-income units to address the very-low-income affordability assistance requirement.

Up to \$65,831.97 will be available for this mechanism, which is dependent on development fees collected.

(c) Administrative Expenses (NJAC 5:99-2.4(a)).

Municipalities are permitted to use affordable housing trust fund revenue for related administrative costs up to a 20% limitation, exclusive of funds collected to fund an RCA. The actual administrative expense maximum is calculated on an ongoing basis in the online Affordable Housing Monitoring System platform based on actual revenues.

The Borough of High Bridge projects that \$16,271.43 will be available from the affordable housing trust fund to be used for administrative purposes. Projected administrative expenditures, subject to the 20% cap, include, but are not limited to:

- Borough Attorney, Engineer and Planner fees related to attaining affordable housing compliance as well as consulting fees related to the administration and implementation of the Borough’s affordable housing program(s).
- Salaries and benefits for municipal employees for administration and implementation of the housing plan and program(s).

5) EXPENDITURE SCHEDULE

The Borough of High Bridge intends to use affordable housing trust fund revenues for the creation and/or rehabilitation of housing units. It should be noted that the amount spent in a given year for any line item may actually span multiple years in reality. The chart below provides an estimated timeline for expenditure and does not restrict the Borough from spending the money sooner or later in the Fourth Round period, nor does it prohibit the Borough from spending more or less money in one year assuming the funds are in place to make said expenditure.

6) EXCESS OR SHORTFALL OF FUNDS

The Borough currently has sufficient funds to cover the hard costs of one rehabilitation unit, but expects development fees to be collected during the Fourth Round period to fund the remaining two rehabilitation units. Any administrative costs above and beyond those that cannot be covered by the trust fund will be sourced from the general fund.

In the event more funds than anticipated are collected or projected funds exceed the amount necessary to implement the Fair Share Plan, the Borough will use those excess funds towards rehabilitation or affordability assistance.

RESOLUTION OF THE MAYOR AND COUNCIL OF THE BOROUGH OF HIGH BRIDGE, IN THE COUNTY OF HUNTERDON, STATE OF NEW JERSEY, OF INTENT TO BOND IN THE EVENT THAT THERE IS A SHORTFALL IN FUNDING TO EFFECTUATE CERTAIN AFFORDABLE HOUSING MECHANISMS IN ITS HOUSING ELEMENT AND FAIR SHARE PLAN

RESOLUTION: 088-2026

ADOPTED:

WHEREAS, the Council of the Borough of High Bridge desires to create a realistic opportunity for the creation of affordable housing within the Borough; and

WHEREAS, the Borough voluntarily brought a timely declaratory judgment action pursuant to the procedures set forth by Administrative Directive #14-24 seeking approval of a Housing Element and Fair Share Plan that satisfied the Borough's obligation to provide for its fair share of the regional need of low- and moderate-income housing; and

WHEREAS, the High Bridge Land Use Planning Board has adopted a Housing Element and Fair Share Plan for the Fourth Round pursuant to the Municipal Land Use Law at N.J.S.A. 40:55D-1, et seq., which addresses the requirements of N.J.A.C. 5:93-1, et seq., as amended and supplemented, N.J.A.C. 5:80-26.1, et seq. as amended and supplemented, and the New Jersey Fair Housing Act; and

WHEREAS, the Housing Element and Fair Share Plan provides for a municipally-sponsored Rehabilitation Program; and

WHEREAS, the Borough has adopted a Development Fee Ordinance in order to generate revenue for the Borough's Affordable Housing Trust Fund; and

WHEREAS, the Borough of High Bridge anticipates that monies collected and deposited in the Affordable Housing Trust Fund, along with other permitted funding sources, will be sufficient to effectuate the above-referenced mechanisms; and

WHEREAS, the Borough of High Bridge is committed to securing approval of its Housing Element and Fair Share Plan; and

WHEREAS, the Borough of High Bridge acknowledges the affordable housing rules and regulations that provide that, although utilization of a mandatory development fee ordinance is an appropriate mechanism to raise money for the purpose of off-setting the expenses incurred in connection with the Housing Element and Fair Share Plan, there must be an alternative funding source in the event that insufficient monies are derived from the mandatory development fee ordinance or other resources, or the funds are not received in a timely fashion, for the purpose of

effectuating the municipally-sponsored Rehabilitation; and

WHEREAS, the Borough of High Bridge wishes to express its commitment to cover such funding shortfalls and to fully implement the mechanisms set forth in its Housing Element and Fair Share Plan through bonding or other lawful means.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Borough of High Bridge, in the County of Hunterdon, State of New Jersey, that it does hereby confirm its intent that in the event that the projected funding from the mandatory development fee ordinance the Borough has adopted is insufficient to complete the aforementioned affordable housing mechanisms, it is the intention of the Council of the Borough of High Bridge to adopt appropriate bond ordinances in order to provide the requisite funding in an appropriate time frame.
