★★★★★ *From one of our satisfied customers.*

If you are looking for high quality, HEALTHY mattresses and bedding all from an incredibly well-run, caring LOCAL business, look no further. Pam (the owner) and her team are knowledgeable, responsive, kind and price things fairly to boot. After trying for months to cobble together healthy options for mattresses and bedding for our new home, a friend told us about Hibernate Bedding —“just call Pammy,” she said. We did and couldn’t be more thrilled. In an age of online customer service Hell, Hibernate Bedding is an incredible breath of fresh air. A local brick-and-mortar retailer where you can try before you buy, get great advice and have a great person to work with who stands behind everything they recommend and sell. Bravo!
