SECTION 1. Chapter 88, Article X, entitled, “Affordable Housing Requirement” of the Town of Clinton Code is hereby repealed and replaced as follows:

§88-69. Introduction & Applicability

- A. This section of the Code sets forth regulations regarding the very low-, low- and moderate-income housing units in Town of Clinton consistent with the provisions outlined in P.L 2024, Chapter 2, including the amended Fair Housing Act (“FHA”) at N.J.S.A. 52:27D-301 et seq., as well as the Department of Community Affairs, Division of Local Planning Services (“LPS”) at N.J.A.C. 5:99 et seq., statutorily upheld existing regulations of the now-defunct Council on Affordable Housing (“COAH”) at N.J.A.C. 5:93 and 5:97, the Uniform Housing Affordability Controls (“UHAC”) at N.J.A.C. 5:80-26.1 et seq., and as reflected in the adopted municipal Fourth Round Housing Element and Fair Share Plan (“HEFSP”).
- B. This Ordinance is intended to ensure that very-low-, low- and moderate-income units (“affordable units”) are created with controls on affordability over time and that very-low-, low- and moderate-income households shall occupy these units pursuant to statutory requirements. This Ordinance shall apply to all inclusionary developments, individual affordable units, and 100 percent affordable housing developments except where inconsistent with applicable law. Low-Income Housing Tax Credit financed developments shall adhere to affirmative marketing and random selection procedures set forth in UHAC.
- C. The Town Land Use Board has adopted a Housing Element and Fair Share Plan (“HEFSP”) pursuant to the Municipal Land Use Law (“MLUL”) at N.J.S.A. 40:55D-1, et seq. The HEFSP describes the ways the municipality shall address its fair share of very-low-, low- and moderate-income housing as approved by the Superior Court.

D. This Ordinance implements and incorporates the relevant provisions of the HEFSP and addresses the requirements of P.L. 2024, Chapter 2, the FHA, N.J.A.C. 5:99, NJ Supreme Court upheld COAH regulations at N.J.A.C. 5:93 and 5:97, and UHAC at N.J.A.C. 5:80-26.1, as may be amended and supplemented.

E. Applicability

Prior round affordable units shall be integrated with market rate units to the extent feasible.
 - iv. Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same affordable development. Prior round affordable units shall be integrated with market rate units to the extent feasible.

- iii. Restricted units may be of different unit housing product types than market-rate units, provided that there is a restricted option available for each market rate housing type. Developments containing market-rate duplexes, townhomes, and/or single-family homes shall offer restricted housing options that also include duplexes, townhomes, and/or single-family homes. The proper ratio for restricted to market-rate unit type shall be subject to municipal ordinance or, if not specified, shall be determined at the time of site plan approval.
- iv. Restricted units must meet the minimum square footage required for the number of inhabitants for which the unit is marketed and the minimum square footage required for each bedroom, as set forth in the Neighborhood Preservation Balanced Housing rules at N.J.A.C. 5:43-2.4.

supplemented. The rent shall also comply with the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.

- K. At the anniversary date of the tenancy of the certified household occupying a restricted rental unit, following a minimum 90-day notice provided to the occupant household, the rent may be increased to an amount commensurate with the annual percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), specifically U.S. Bureau of Labor Statistics Series CUUR0100SAH, titled "Housing in Northeast urban, all urban consumers, not seasonally adjusted." The maximum allowable rent increase for the year will be effective as of the same date as the regional median income limits determined pursuant to N.J.A.C. 5:80-26.3 and published by the Agency. This rent increase may not exceed five percent in any one year and notice thereof must be filed with the administrative agent. If the landlord has charged a tenant less than the initial maximum allowable rent for a restricted unit, the landlord may, with the approval of the administrative agent, use the maximum allowable rent instead of the current rent in performing this multiplication to establish the rent for the next tenant under a new lease. LIHTC units are not governed by the provisions of this section, but rather by the provisions of the State's Qualified Allocation Plan, N.J.A.C. 5:80-33.1 through 33.40.

§88-73.3. Affirmative Marketing.

- A. The municipality shall adopt, by resolution, an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.16, as may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age (except for "housing for older persons" as defined at N.J.S.A. 10:5-1 et seq., and age-restricted units as permitted pursuant to 42 U.S.C. §§ 3601 et seq.), number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, N.J.S.A. 10:5-1 through 50, to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward Housing Region 2 and is required to be followed throughout the period of deed restriction.
- C. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Process, including the marketing of initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the municipality shall implement the Affirmative Marketing Process to ensure the Affirmative Marketing of all affordable units, with the exception of affordable programs that are exempt from Affirmative Marketing as noted herein.
- D. The Affirmative Marketing Process shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Process, the Administrative Agent should consider the use of language translations where appropriate.
- E. Applications for affordable housing or notices thereof, if offered online, shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and municipal library in the municipality in which the units are located; and the developer's rental or sales office. The developer shall mail applications to prospective applicants upon request and shall make applications available through a secure online website address.
- F. In addition to other Affirmative Marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units on the New Jersey Housing Resource Center

website. Any other entities, including developers or persons or companies retained to implement the Affirmative Marketing Process, shall comply with this paragraph.

- G. In implementing the Affirmative Marketing Process, the Administrative Agent shall provide a list of HUD-certified housing counselors or otherwise experienced entities approved by the Division providing counseling services on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- H. The Affirmative Marketing Process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy and may begin before construction commences. For owner-occupied units, affirmative marketing advertising and outreach activities must continue until all of the marketed units have been sold, except that paid advertising may cease when the number of applications received is at least three times the number of units to be sold. For rental units, affirmative marketing advertising and outreach activities must continue, as long as applications are being accepted, except that paid advertising may cease when the number of applications received is at least three times the number of units to be filled.
- I. Applications must be accepted for no less than 45 days following the initial advertisement on the New Jersey Housing Resource Center, except for the resale of owner-occupied units, in which case, applications must be accepted for no less than 30 days.
- J. The cost to affirmatively market the affordable units shall be the responsibility of the developer, sponsor or owner.

§88-73.4. Selection of Occupants of Affordable Housing Units.

- A. The Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
- B. A pool of interested households will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.16.

§88-73.5. Occupancy Standards.

- A. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:
 - 1. Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
 - 2. Provide a bedroom for every two adult occupants;
 - 3. With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and
 - 4. Avoid placing a one-person household into a unit with more than one bedroom.

§88-73.6. Control Periods for Restricted Ownership Units and Enforcement Mechanisms.

- A. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.6, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the controls on affordability for a period of at least 30 years subject to the requirements of N.J.A.C. 5:80-26.6, as may be amended and supplemented.
- B. Rehabilitated housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years (crediting towards present need only).

- C. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit. The date of commencement shall be identified in the deed restriction.
- D. If existing affordability controls are being extended, the extended control period for a restricted ownership unit commences on the effective date of the extension, which is the end of the original control period.
- E. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this subchapter until the owner gives notice of their intent to make an exit sale, at which point:
 - 1. If the municipality exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
 - 2. If the municipality does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
 - 3. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
- F. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- G. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- H. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

§88-73.7. Price Restrictions for Restricted Ownership Units and Resale Prices.

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7, as may be amended and supplemented, including:
 - 1. The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.
 - 2. The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C. 5:80-26.7.
 - a. If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for a is the most recent non-exempt purchase price.
 - b. If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3

3. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
 - a. those that render the unit suitable for a larger household or the addition of a bathroom.
 - b. The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
 4. No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

§88-73.8. Buyer Income Eligibility.

- A. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented, such that very low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 30 percent of median income, low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for occupancy by households with a gross household income less than 80 percent of median income.
- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the municipality, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very-low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit

according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.

- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - 1. The household currently pays more than 35 percent (40 percent for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;
 - 2. The household has consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or
 - 3. The household is currently in substandard or overcrowded living conditions;
 - 4. The household documents the existence of assets, within the asset limitation otherwise applicable, with which the household proposes to supplement the rent payments

§88-73.9. Limitations on Indebtedness Secured by Ownership Unit; Subordination.

- A. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

§88-73.10. Control Periods for Restricted Rental Units.

- A. Control periods for units that meet the definition of prior round units shall be pursuant to the 2001 UHAC rules originally adopted October 1, 2001, 33 N.J.R. 3432 and shall remain subject to the requirements of this ordinance for a period of at least 30 years as applicable unless otherwise indicated.
- B. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 40 years. Restricted rental units created as part of developments receiving 9 percent Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.
- C. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability

controls are being extended, on the effective date of the extension, which is the end of the original control period.

- D. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years.
- E. Prior to the issuance of any building permit for the construction/rehabilitation of restricted rental units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
- F. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property. The deed restriction shall be recorded by the developer with the county records office, and provided as filed and recorded, to the Administrative Agent within 30 days of the receipt of a certificate of occupancy.
- G. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:
 - 1. Sublease or assignment of the lease of the unit;
 - 2. Sale or other voluntary transfer of the ownership of the unit;
 - 3. The entry and enforcement of any judgment of foreclosure on the property containing the unit; or
 - 4. The end of the control period, until the occupant household vacates the unit, or is certified as over-income and the controls are released in accordance with UHAC.

§88-73.11. Rent Restrictions for Rental Units; Leases and Fees.

- A. The initial rent for a restricted rental unit shall be set by the Administrative Agent.
- B. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
- C. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
 - 1. Operating costs, for the purposes of this section, include certificate of occupancy fees, move-in fees, move-out fees, mandatory internet fees, mandatory cable fees, mandatory utility submetering fees, and for developments with more than one and a half off-street parking spaces per unit, parking fees for one parking space per household.
- D. Any fee structure that would remove or limit affordable unit occupant access to any amenities or services that are required or included for market-rate unit occupants is prohibited. Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.
- E. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.
- F. Pet fees may not exceed \$30.00 per month and associated one-time payments for optional fees pertaining to pets, such as a pet cleaning fee, are prohibited.
- G. Fees charged to affordable unit tenants for other optional, unit-specific, non-communal items shall not exceed the amounts charged to market-rate tenants.

H. For any prior round rental unit leased before December 20, 2024, elements of the existing fee structure that are consistent with prior rules, but inconsistent with N.J.A.C. 5:80-26.13(c)1, may continue until the occupant household's current lease term expires or that occupant household vacates the unit, whichever occurs later.

§88-73.12. Tenant Income Eligibility.

3. Moderate-income rental units shall be reserved for households with a gross household income less than 80 percent of the regional median income by household size.

§88-73.16. Enforcement of Affordable Housing Regulations

- A. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:

- C. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
1. A fine of not more than \$1,000 or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - a. In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - b. In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- D. The municipality shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
- E. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
1. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
 2. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.
 3. Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale,

subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

4. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.
 5. Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.
 6. The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- F. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
- G. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the property is located. Any loan issued in violation of this subsection is void as against public policy.
- H. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.
- I. Appeals
1. Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison

may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

SECTION 2. Section 88-106 (A) of the Town Code, entitled "Affordable Housing," and dealing with Affordable Housing in Highlands Districts, is hereby repealed in its entirety and replaced with the following:

- (1) In accordance with the requirements of the Fair Housing Act, any development consisting of newly constructed residential units shall reserve for occupancy at least 20 percent (20%) of the residential units constructed for low-or moderate-income households. For the purposes of this section only, "newly constructed residential units" shall include substantial rehabilitation or conversion of existing structures to create residential units.
- (2) Development exempt from the Highlands Act is not exempt from the 20% reservation requirement.
- (3) Development outside of the designated Highlands Area must also comply with the provisions of this section.

- (5) No density bonus or presumptive density increase over existing zoning shall be required to be granted by the municipality for the construction of the affordable housing units on site. Density bonuses or presumptive density increases may be provided through Fair Share Plans and associated implementing ordinances to address affordable housing needs of the municipality where inclusionary housing projects are selected as a compliance mechanism by the municipality.
- (6) Municipalities shall provide for the local review of any proposed affordable units provided by requiring the submission of an Affordable Housing Production Plan by the developer in accordance with the following:
 - a. An Affordable Housing Production Plan detailing all issues related to the affordable units shall be submitted to the municipality's Land Use Board at the time application is made for any development requiring affordable housing pursuant to this ordinance.
 - b. The Affordable Housing Production Plan shall be a condition of the completeness determination by the Land Use Board and is hereby added to the submission requirements checklist for any new residential development or major residential subdivision.
 - c. The Affordable Housing Production Plan shall be consistent with the RMP
 - d. The Affordable Housing Production Plan shall include at a minimum the anticipated bedroom distribution, income split, anticipated administrative entity, tenure, estimated rent or sales prices, maintenance obligations and any other information pertinent to the creation and long-term support of the affordable housing units.
 - e. The Affordable Housing Production Plan shall include a phasing plan detailing the proposed time frames for the construction and occupation of the affordable housing units.
 - f. All Affordable Housing Production Plans shall be the subject of review by the municipality's Planning or Land Use Board for consistency with these guidelines, and the RMP Highlands Municipal Affordable Housing Guidelines
 - g. Compliance with the RMP and the Affordable Housing Production Plan shall be a condition of any local approval.
- (7) Any approval shall be accompanied by a development agreement between the applicant, the municipality, and any other party principal to the provision and/or the administration of the affordable housing units.
 - a. The development agreement shall detail the responsibilities of all parties and shall include the phasing plan for the construction and occupancy of the affordable housing units.
 - b. The cost of the construction of the units may be required to be covered by appropriate performance and/or maintenance guarantees to ensure the construction of the units.

(8) Where it has been determined that the provision of some or all affordable housing units on-site would not be consistent with the RMP (i.e., regarding septic system density or resource protection), the units may be provided off-site within the municipality wherever feasible.

SECTION 3. All ordinances or parts of ordinances in conflict or inconsistent with any part of this Ordinance are hereby repealed to the extent that they are in conflict or inconsistent.

SECTION 4. If any section, provision, or part of provision of this Ordinance shall be held to be unenforceable or invalid by any court, such holding shall not affect the validity of this Ordinance, or any part thereof, other than the part so held unenforceable or invalid.

SECTION 5. This Ordinance shall take effect after passage and publication in the manner provided by law.

A. Imposed fees.

(1) Residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1 1/2% of the equalized assessed value for residential development, provided

no increased density is permitted. ***Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.***

(2) When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a "d" variance) has been permitted, developers ~~may~~ ***shall*** be required to pay a development fee of 6% of the equalized assessed value for each additional unit that may be realized, ***except that this provision shall not be applicable to a development that will include affordable housing.*** However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1 1/2% of the equalized assessed value on the first two units; and the specified higher percentage up to 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

B. Eligible exactions, ineligible exactions and exemptions for residential development.

(1) Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units, ***if permitted by ordinance, or by agreement with the municipality and if approved by a municipality prior to the statutory elimination of payments in-lieu on March 20, 2024 per P.L.2024, c.2,*** shall be exempt from development fees.

(2) Developments that have received preliminary or final site plan approval prior to the adoption of ***this ordinance and any preceding ordinance permitting the collection of development fees*** ~~a municipal development fee ordinance~~ shall be exempt from ***the payment of*** development fees, unless the developer seeks a substantial change in the ***original*** approval. Where a site plan approval does not apply, ***the issuance of*** a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for ~~this~~ ***the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the development fee ordinance in effect on the date that the construction permit is issued.*** ~~The fee percentage shall be vested on the date that the building permit is issued.~~

(3) Owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.

(4) ~~Expansions and renovations to residential units where no new unit is created shall be exempt from development fees.~~ ***Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.***

A. Imposed fees.

- (1) Within all zoning districts, nonresidential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2 1/2% of the equalized assessed value of the land and improvements, for all new nonresidential construction on an unimproved lot or lots.
- (2) ***Within all zoning districts***, nonresidential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2 1/2% of the increase in equalized assessed value resulting from any additions to existing structures to be used for nonresidential purposes.
- (3) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2 1/2% shall be calculated on the difference between the equalized assessed value of the preexisting land and improvement and the equalized assessed value of the newly improved structure, i.e., land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the nonresidential development fee shall be zero.

B. Eligible exactions, ineligible exactions and exemptions for nonresidential development.

- (1) The nonresidential portion of a mixed-use inclusionary or market-rate development shall be subject to the development fee of 2 1/2%, unless otherwise exempted below.

- (3) Nonresidential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required pursuant to ***the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7)***, ~~P.L.2008, c.46~~, as specified in the Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.
- (4) A developer of a nonresidential development exempted from the nonresidential development fee pursuant to ***the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7)***, ~~P.L.2008, c.46~~, shall be subject to ~~it~~ ***the fee*** at such time the basis for the exemption no longer applies, and shall make the payment of the nonresidential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the nonresidential development, whichever is later.
- (5) If a property which was exempted from the collection of a nonresidential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid nonresidential development fees under these circumstances may be enforceable by Clinton Town as a lien against the real property of the owner.

H. Fifty percent of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at issuance of certificate of occupancy.

ORDINANCE NO. #26-04

AN ORDINANCE AMENDING PROVISIONS OF CHAPTER 88 “LAND USE” OF THE CODE OF THE TOWN OF CLINTON, ARTICLE VII “ZONING REGULATIONS”, TO INCLUDE NEW SECTION 58.3 SETTING FORTH MANDATORY SETASIDE REQUIREMENTS FOR RESIDENTIAL DEVELOPMENT IN THE TOWN OF CLINTON

WHEREAS, the Town of Clinton has prepared a fourth round affordable housing compliance plan that relies on a durational adjustment of its 49 unit obligation based on a lack of water and sewer capacity; and

WHEREAS, in order to capture small-scale opportunities to create new affordable housing units, the Town wishes to adopt a mandatory set-aside ordinance applicable to new residential or mixed-use projects that were not anticipated at the time the fourth round plan was adopted; and

WHEREAS, the mandatory set-aside ordinance does not create any entitlement for the granting of or lessen the burden of proof for applicants requesting variances, rezonings or redevelopment plans; and

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Town of Clinton, in the County of Hunterdon and State of New Jersey, that Chapter 88, Article VII of the Code of the Town of Clinton, is hereby amended as follows, to include new Section 88-58.3

§ 88-58.3 Mandatory Affordable Housing Set-aside

- A. All residential development, including the residential portion of a mixed-use project, which consists of five (5) or more new residential units shall be required to setaside a minimum of 20% of the residential units for very low, low, and moderate income households, as set forth below. Where the calculation of required the setaside results in a fraction of 0.49 or less, it may be rounded down to the next whole number; fractions of 0.50 or more shall be rounded up to the next whole number.
- B. This requirement shall not apply to residential expansions, additions, renovations, replacement, or any other type of residential development that does not result in a net increase in the number of dwellings of five (5) or more. This requirement shall not apply to sites or zoning districts identified in the Fair Share Plan where standards for the set-aside of affordable housing units have already been established.
- C. All affordable housing units shall comply with the Borough’s Affordable Housing Ordinance, Chapter 88, Article X, as well as the NJ Fair Housing Act (N.J.S.A. 52:27D-301 et seq.), and the Uniform Housing Affordability Control Rules (N.J.A.C. 5:80-26.1 et seq.). This shall include but is not limited to:
 - (1) The requirement that at least thirteen percent (13%) of the affordable units within each bedroom distribution shall be required to be for very low income households earning thirty percent (30%) or less of median income;
 - (2) Appropriate distribution of 1-, 2-, and 3-bedroom units;

- (3) Recording of appropriate affordability controls of not less than forty (40) years for rental units and not less than thirty (30) years for sale units, and
 - (4) Minimum unit sizes by square footage for affordable housing units.
 - (5) The affordable units shall be affirmatively marketed in accordance with UHAC and applicable law. The affirmative marketing shall include the community and regional organizations identified by the Township, and it shall also include posting of all affordable units on the New Jersey Housing Resource Center website in accordance with applicable law.
- D. The affordable units shall be integrated with the market-rate units, and the affordable units shall not be concentrated in separate building(s) or in separate area(s) or floor(s) from the market-rate units. In buildings with multiple dwelling units of similar tenure, this shall mean that affordable units shall be generally distributed within each building with market-rate units. The residents of the affordable units shall have full and equal access to all amenities, common areas, and recreation areas and facilities as the residents of the market-rate units. The affordable units shall be the same type of housing unit as the market rate units, meaning that a market rate building available to families shall not be developed to provide age-restricted housing units.
- E. Construction of the affordable units in inclusionary developments shall be phased in compliance with N.J.A.C. 5:93-5.6(d).
- F. Subdivision and/or site plan approval shall not be granted by the reviewing board unless the developer complies with the requirements to provide very low-, low-, and moderate-income housing pursuant to the provisions of this section. A property shall not be permitted to be subdivided so as to avoid meeting this requirement. The board may impose any reasonable conditions to ensure such compliance.
- G. This requirement does not create any entitlement for a property owner or applicant for a zoning amendment, variance, or adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation, or for approval of any particular proposed project.
- H. Any developer subject to the requirements of this section and who provides an affordable housing setaside shall not be subject to payment of residential development fees.
- I. In the event application of the required set-aside percentage to the total number of residential units proposed does not result in a full integer, the developer shall round the required set-aside upward and construct a whole affordable unit when 0.5 unit or more is the resulting fraction of a unit.
- J. In the event application of the required set-aside percentage to the total number of residential units proposed does not result in a full integer, the developer may round the required set-aside downward and make a payment-in-lieu of providing the affordable unit when 0.49 unit or less is the resulting fraction of a unit. The resulting fractional unit shall be multiplied by \$340,000 to determine the required payment-in-lieu. All payments-in-lieu of providing fractional units meeting the requirements of this section shall be deposited into the Town of Clinton Affordable Housing Trust Fund.

Severability

If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.
