

The Newport City School System is searching for students with disabilities within the District. The following are considered to be handicapping conditions: speech-language impaired, learning disabled, blind, deaf, health impaired, physically impaired, seriously emotionally disturbed, gifted, autism, hearing impaired, multi-handicapped, functionally disabled, or intellectually disabled. If you have a child that is not currently enrolled in the Newport City School System that meets one of the above conditions, please call the Special Education Department at Newport Grammar School at 423-625-0686.
