

**GUILTY PLEA**

I plead **GUILTY** to the violations of Tenn. Code Ann. §  
I have been advised by the Court of the following rights and I understand that I am waiving each of the following rights by pleading guilty: (1) the right to plead not guilty; (2) the right to a jury trial; (3) the right to confront and cross-examine the witnesses against me; (4) the right to remain silent and not be compelled to incriminate myself; (5) the right to indictment or Presentment by the Cocke County Grand Jury; (6) the right to present witnesses on my behalf, and to subpoena witnesses to testify for me; (7) the right to have any fine greater than \$50.00 be set by a jury; and (8) the right to appeal if convicted after trial. I fully understand and waive each and every one of these rights, and; furthermore, said waiver is freely and voluntarily made by me this day.

I have been fully advised by the Court and I understand; (9) the nature of the charge(s) against me; (10) the minimum and maximum punishments for the charge(s) against me; (11) that prior convictions and other factors may be considered in determining my sentence; (12) that after my plea, there will be no evidence presented and no trial, but only sentencing; (13) that it is perjury to falsely answer questions under oath; (14) that there must be facts to support my plea; (15) that this conviction may be used in the future to increase the punishment for subsequent offenses; and (16) that this conviction could result in immigration consequences, including deportation and admissibility.

I have questioned the defendant personally about the matters and rights itemized above, and about the defendant's waiver of said rights. I have concluded that the defendant understands the nature of the charge(s) and the rights which are given up by pleading guilty. I have concluded that there is factual basis for the defendant's plea of guilty and that the plea is being entered freely, knowingly and voluntarily; and after freely, knowingly and voluntarily waiving the rights set forth above. As such, the plea of guilty is therefore accepted by this Court.
