Over the last few days, our families have expressed concern about violence occurring in our nation and the impact it has on our students. Our number one priority is to keep our students and staff safe and in an environment that promotes educational growth. We are reviewing all complaints received at Central Office regarding alleged violations of school board policies and/or the New Mexico Administrative Code. Please know that we take these concerns very seriously. Until further notice, Assistant Principal Dosumu will be serving as the lead administrator on the Bosque Farms Elementary campus.

It is critical that we all work together to ensure that Bosque Farms Elementary continues to be a safe and welcoming environment for all students. The district has no additional comment on this personnel matter.

Thank you,

Susan D. Chavez
Superintendent, Los Lunas Schools
