# Time for a New System?

## 0% Financing

for 18 months\*

\*Subject to credit approval. SEE DEALER FOR DETAILS

**NOT READY TO REPLACE?**

**\$30 OFF**  
**Any Repair**

We work on most makes and models of furnaces & air conditioners. Our trained experts can repair your system and restore your home's comfort today! Expires 9/30/25.

## TIME FOR A DUCT CLEANING?

The air you breathe travels through your ductwork. Over time dust and debris accumulate, also inviting pet dander, mold, dust mites - even vermin! Your indoor air quality depends on the condition of your ductwork. Compromised air quality can trigger respiratory illness such as allergies and asthma.

## DUCT CLEANING

**SAVE \$150 ON**  
**Duct Cleaning Today!**

ENJOY A BREATH OF FRESH AIR - CALL US TODAY OR SCHEDULE ONLINE.  
Price is based on the number of cold air returns and heat registers.  
We do NOT do dryers vents. Expires 9/30/25.

**Your satisfaction means everything to us!**

# Fall Car Care

## Maximizing MPG

- > Keep tires inflated to the recommended PSI posted inside the driver's door.
- > Remove unnecessary weight from your trunk and vehicle.
- > For many vehicles, a steady 55 to 65 MPH highway speed will optimize fuel economy. Observe speed limits, and consider using cruise control to maintain a consistent speed.
- > Accelerate at an even, steady pace and avoid revving your engine.
- > Turn off your vehicle when idling for more than a couple of minutes.
- > A fuel injector service or cleaner can also help improve fuel economy.

## Maintenance Musts

- > Follow your vehicle manufacturer's oil grade and oil change interval recommendations.
- > Rotate your vehicle's tires every six months.
- > Replace your vehicle's air filter annually.
- > Replace coolant and antifreeze annually.
- > Check your vehicle's oil, coolant and windshield wiper fluid levels; tire treads and pressure; and lights and turn signals on a monthly basis.
- > Begin testing your car battery every six months after three years, and be ready to replace it after five years.
- > Schedule an annual systems inspection with a trusted mechanic.
- > Follow your vehicle's maintenance manual to protect your investment and your safety on the road.

## Warning Signs Not to Ignore

- > Squeaky brakes
- > Slow acceleration
- > Vibrations or noises
- > Stalling or difficulty starting
- > Changes in fuel efficiency
- > Hard shifting
- > Check engine light

If you notice any of these signs, sounds or changes in your vehicle's performance, consult a trusted mechanic.
