

BIG SHAWNEE CREEK- WABASH RIVER WATERSHED

Public Meeting Kick Off

SHARE YOUR VALUABLE INPUT
ABOUT THE LAND YOU LIVE ON!
WEDNESDAY, MARCH 4, 6 PM
COUNCIL MEETING ROOM
CITY OF ATTICA CITY HALL

Do you live, work, farm, or play in the Big Shawnee? Join us to share...

Drop in and share your perspectives on the Big Shawnee Creek, its lakes, streams and watershed and any suggestions you have on water quality or quantity, stream and lake quality, recreation or other topics!

We need volunteers like you!

The project is in its initial stages of gathering data and information, developing the project steering committee, and coordinating the gathering of public opinion. If you are interested in participating in this project, contact Fountain County SWCD at fcswcd1@gmail.com

Learn more about the project

Getting involved in a watershed project offers a direct opportunity to contribute to the health and sustainability of the local water resources that impact your community, from drinking water and recreation to the natural environment. Learn more at <https://www.warcoswcd.com/watershed>
