Ashley,

Due to the current policy of the jail all requests of copies of videos will need to be accompanied by a subpoena.

Respectfully,

Shirley,

IT has advised me that they are no longer downloading the booking videos.

I need the booking video for [REDACTED]. [REDACTED] was arrested on September 5, 2020 by Roger Young. According to the call log, Nathan Meyers went out at the jail at approximately 7:18 p.m. to give the breath test.

Please let me know if you need more information than that to find the video.

Thank you,

Ashley Ponto
