1	Ongoing Event	Establishment of an intern program designed to assist members of the community	WICS\WCCU participated in an internship program that started in early June 2025 and will conclude 8/31/2025. This year WICS and WCCU took on 5 college students interested in learning about the world of broadcasting and helped them learn the day-to-day operations of a Newsroom. The purpose of the internship program is to enhance classroom learning through practical career-related work experience for local universities and colleges. The internship experience should be designed so that the student is provided with the benefit of the opportunity to develop skills that he/she can use in multiple settings. The intern must be earning college credit.	2	News Director Assistant News Director
