

***In Loving Memory of
H. Calvin Harper
February 7, 1975***

*Not a single day goes by dear Calvin, That we don't think of you.
God called you home so young.*

Our memories are so precious and few.

*Although you traveled a rough road, It seemed not to bother you.
You were our son, a brother whose smile always shone through.*

Our love for you still grows, And will never fade away.

*Just knowing you're one of God's Angels,
Helps us make it through each day.*
