

In Loving Memory of Ronald Tanney

12-2-45 — 7-30-25

It is hard to believe that a year has passed since God called you home and Heaven became your new home.

Not a day goes by that you are not in our thoughts. We miss your smile, your laughter, and the love you shared with us. We never truly understood how difficult it would be to let you go until the time came for you to leave.

Though you are no longer by our side, you remain forever in our hearts. We take comfort in knowing that God holds you in His loving care until the day we are together again.

Sadly missed, deeply loved, and never forgotten.

*Forever remembered by your loving wife, Kathy,
and sons, Ronnie and Jason*
