

Our family would like to express our heartfelt thanks to everyone who offered their love and support during this difficult time. We are deeply grateful for the beautiful cards, flowers, kind words, Mass cards, monetary gifts, food, and acts of sympathy shown to us.

A special thank you to those who attended the funeral Mass and helped us honor and celebrate the life of our beloved husband and father. Your presence, prayers and support brought us comfort and strength when we needed it most.

Special thanks to Father Andrew, the Lucas Funeral Home and family, and Mary K.

We are truly touched by the outpouring of kindness and will carry it with us always.

*With sincere gratitude,
The Venna Family*
