San Cayetano prepares to 'start fresh' at new campus

Students attending San Cayetano Elementary and Coatimundi Middle schools will see familiar faces at different campuses at the beginning of the new school year on Monday, after

the two schools switched locations. The move, which was partly influenced by the desire to provide a neighborhood elementary for eastern Rio Rico residents, had San Cayetano staff members unpacking boxes filled with classroom supplies at their new location on 490 Avenida Coatimundi.

On Wednesday morning, as San Cayetano teachers sat in their newly-decorated classrooms and waited for families to arrive at their "Meet the Teacher" event, they expressed some relief and a lot of excitement for the big changes in the new year.
