Re: Notice of Mass Layoff, Lexington, Nebraska

Dear Messrs. Fagot & Peplitsch and Nebraska's Rapid Response Administrator:

On November 21, 2025, pursuant to the Worker Adjustment and Retraining Notification Act of 1988 (WARN Act), Tyson Foods, Inc. provided notice of its decision of a permanent mass layoff at its Lexington, Nebraska plant located at 406 East 7th Street, P.O. Box 70, Lexington, Nebraska 68850, on or about January 20, 2026. This layoff will result in a permanent plant closure. Although the layoffs commenced on January 20, 2026, with this letter, Tyson is providing notice of its decision to retain a certain number of team members past January 20, 2026, to perform duties related to the plant closure.

Tyson will extend the employment of approximately 292 team members as follows:

- Tyson will retain approximately 59 team members for approx. 3 additional days, or 1/23/2026.
- Tyson will retain approximately 93 team members for approx. 10 additional days, or 1/30/2026.
- Tyson will retain approximately 3 team members for approx. 30 additional days, or 2/20/2026.
- Tyson will retain approximately 11 team members for approx. 39 additional days, or 2/28/2026.
- Tyson will retain approximately 1 team member for approx. 132 additional days, or 6/1/2026.
- Tyson will retain approximately 127 team members for approx. 185 additional days, or 7/24/2026.

After each last day of work listed above, the employment of the relevant team members will be permanently terminated. A listing of job titles and the number of team members being retained in each position past January 20, 2026 is attached. There is no union at this location and affected team members do not have "bumping rights." In other words, affected team members do not have the right to take another team member's job.

If you have additional questions, please contact Dale Masters, HR Director, Beef & Pork Operations, at dale.masters@tyson.com or 605-235-4973.
