Featuring Homeroom Assignments for

COLUMBUS COUNTY
and
WHITEVILLE CITY SCHOOLS

A Supplement to The News Reporter

Whiteville City Schools Homeroom listings

Welcome to the 2016-2017 school year in Whiteville City Schools.

As summer provides a time for rejuvenation and relaxation for students, the administrative team of Whiteville City Schools has utilized the summer for reflection and review in preparation of the upcoming school year.

During the previous school year, Whiteville City Schools achieved many accolades for outstanding academic and extracurricular performance. Results have shown our districts performance is exceeding many public and private schools across the state and nation. The Whiteville City School community can be proud that our school district is achieving new heights in multiple areas of academics and extracurricular activities.

I would personally like to welcome each of our new faculty and staff to the Whiteville City Schools work family. We are blessed in the fact that Whiteville City Schools will begin the year with very few vacancies. Many districts cannot state this claim as they begin the new school year.

Thanks to budgetary efforts of the Columbus County Commissioners and the vision of the Whiteville City Schools Board of Education, our school district has been working very hard to upgrade facilities. Several roofing projects are near completion. Lighting upgrades, new flooring, and other various renovations are at or near completion. All of these projects are mindful of our goal; to continuously improve in all areas.

Our school district will continue to emphasize college and career readiness in all schools throughout the year. It is our goal for all students to achieve this status as they prepare for the needs of the 21st century. Our students must and will be able to compete globally in the workforce. As our vision statement reads, everyone is committed to the success of all students.

As a friendly reminder to all faculty and staff, the first workday for the 2016-2017 Whiteville City Schools calendar will be held Friday, Aug. 19 with our annual opening day breakfast. The breakfast will be held at the Whiteville High

Charles K. Garland, Ed. S.

School Cafeteria. The Todd House will provide the breakfast. It is a pleasure to provide this for all faculty and staff as a small token of appreciation from the Whiteville City Schools Board of Education in advanced of your efforts for an outstanding 2016-2017 school year.

Whiteville Primary 3-6 p.m.

Edgewood Elementary 4-7 p.m.

Central Middle 5-8 p.m.

Whiteville High 1-6 p.m.

North Whiteville Academy 1-3 p.m.

Monday, Aug. 29 will be our opening day for students. We will have many new students attending Whiteville City Schools this year. Enrollment appears to be up in many areas. One area of significant increase is at Whiteville High School. As of this letter, Whiteville High School current freshmen enrollment is 218 students. I am honored and excited each of these students will become part of our Whiteville City Schools family.

As we begin a new school year, I want to take the time to thank our greatest single resource in public education, our employees. Without each of you, our system would not be where it is today in terms of academic achievement. This year, I want to challenge each of you to strive for greater heights to meet the needs of our greatest single resource for our future, our students. Although we excel in many areas, there is still room for growth.

I pray for each of you a safe, healthy and prosperous remainder of your summer break. Let's make this upcoming school year the best ever. I end with a final quote from John C. Maxwell. "Your attitude is either your best friend or your worst enemy, your greatest asset or your greatest liability." It is a goal that each

of you will walk through the doors on August 19 with the commitment to excellence. I look forward to seeing each of

you again.

Charles K. Garland, Ed. S.
Superintendent of
Whiteville City Schools

Whiteville Primary

Dear parents and students:

"Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world." Harriet Tubman.

On behalf of the Whiteville Primary School family, it is truly a joy and an honor to welcome you to the 2016-2017 school year. As I begin my first year as principal at WPS, I will work diligently with our children, community, staff, and families to provide exceptional experiences for all children. Our children deserve the very best education.

We desire the best for every child, and we look forward to partnering with you to help our children be their best. Success isn't accidental. It is the result of a focused team effort, and everyone has a part to play if we are to achieve our goals and reach our potential. Students...come to school expecting to learn and willing to work hard. Our staff will provide the quality instruction that you deserve and that your parents expect. Parents...encourage your children often and have regular conversations with them about school and their work. Parental involvement shows children that school is important and that you are committed to their success. I encourage you to volunteer your time and abilities, visit often and communicate regularly with your child's teacher. Together, we can accomplish great things.

In closing, enjoy the remaining days of summer. I look forward to welcoming our children back to school Monday, Aug. 29 (full day 7:50 a.m.-2:45 p.m. I look forward to seeing many of you at Open House/meet the teacher Thursday, Aug. 25 from 3-6 p.m.

Kimberly Ward,
Principal

Edgewood Elementary

Coming off of a fantastic year last year, Edgewood Elementary School continues to work hard to be a flagship school in education and represent our community well! And this year we have some exciting plans for all of our students to help them reach new heights.

Your child will have a number of great opportunities to stretch themselves here at EES. Perhaps it is with one of our after school programs, such as book club, Jr. FFA, and chorus, or even through our special events, like the science fair, our various field trips, or even a chance to throw a pie at your principal.

Throughout this year, you are going to ask a lot of us. In return, we are asking you to go on this journey with us. Be ready to help with their homework. Ask your child about their day. And get involved. Joining our PTA is a fantastic way to show your support and encourage communication between the school and the community.

Should you ever have a question or concern you would like to share, call or stop by our office. This is going to be a great year.

Our 2015-2016 fees are:
 Instructional Supply Fee (all) \$5
 Meals:
 Breakfast No Charge
 Lunch No Charge
 Breakfast will be served in the classrooms.

All students must arrive at Edgewood prior to 7:55 a.m. and will be dismissed at 3 p.m.

Central Middle

On behalf of the faculty and staff of Central Middle School, I would like to welcome you to the best middle school in the nation. Congratulations, you are now officially a member of the Hornet Family. We are very excited about having you as a member of our student body. We hope that you are excited about the 2016-2017 school year as well. With hard work, determination, and dedication from you, and our staff, Central Middle School will continue to be one of the best middle schools in the public schools system.

You will find a caring and family-like atmosphere here at Central Middle School. You will also find that every member of our staff has very high expectations for all of our students. Our teachers will constantly challenge you to reach your maximum potential. Our goal is to not only help you become a better student, but prepare you to become the best citizen possible in your future. Our goal is that we build upon your skills and competencies necessary to enable you to become college and career ready. When fully prepared, you will be globally competitive and be able to contribute formidably to society. We will demand high quality work on all assignments. We guarantee, that if you put in your best effort and attend school as required, you will be fully equipped to excel in all areas at Central Middle School and beyond.

The staff of Central Middle School works very hard to maintain a safe and orderly environment. All personnel constantly patrol campus to ensure we have a safe and orderly environment. We expect you to immediately notify an adult if you see anything that may pose a safety threat.

We hope you have enjoyed your summer and you are ready to return to school. Once again, we welcome you to Central Middle School. If you or your parent/guardian have any questions or concerns, feel free to call or stop by my office anytime.

Columbus County Schools superintendent's welcome

The first day of school is almost here.

Welcome back to another fantastic school year! I am very excited about the past accomplishments and future goals of our school system.

2015-2016 was one of the most important and ambitious years in the history of our great schools, and we are expecting even more excitement during the 2016-2017 school year. We continue to modernize our teaching techniques by providing a Chromebook to every student, grades 4-8, with plans to expand to other grades as soon as possible. Our arts programs continue to excel and are among the most respected in the state. We are very proud of our arts education requirement, our music and art for all students K-12, Celebrate the Arts, the great performances that our students and teachers have produced, and the artwork that hangs everywhere from our Central Office to the State Building in Raleigh. Our Career Technical Education (CTE) programs are constantly producing stu-

Allen Faulk

dents who are certified in career areas. Our FFA students have won state competitions and our broadcasting students have won national competitions. We are also adding even more CTE classes this fall, with Emergency Medical Technician (EMT) classes added at East, South and West Columbus High Schools. I can name hundreds of achievements, but honestly these accomplishments are just a sample of the great work our

administrators, teachers and students do everyday. Our educators will continue to push the envelope with regards to learning this school year by creating lessons that are relevant, engaging and hands-on.

The new building at Old Dock Elementary is nearing completion, and the long awaited track at West Columbus is now under construction. Our athletic programs have expanded, and 6th graders can now participate in athletics. We have athletes playing sports professionally, but what's more important is we have athletes who are staying in school and excelling in the classroom because of the confidence and encouragement they have received on our athletic fields. Our broadcasting program aired over forty athletic events last year, more than any other in the state. We also began the process of consolidating schools, that while painful, will be in the best interest of our students. I know some people are upset about the potential closing of schools, and I understand. We believe that our students de-

serve not only the best teachers, but the best facilities. Old buildings and trailers out in a field are not acceptable for the students of Columbus County.

Every teacher in our system is certified. Our faculties and staffs are passionate about the students under their care, but also about the community. We provide free lunch and transportation to all of our schools. Our lessons are hands-on and not scripted. We offer the widest variety of classes, activities and athletics, and while results are not final, we anticipate that we will have higher test scores. Test scores do not tell the full story, but the accomplishments of our educators and students in all areas certainly do. My question to those of you who are choosing not to attend our schools is this: We have better teachers, better programs and are constructing modern, 21st century facilities, so why not see for yourself? Drop by a school and see what is happening in our classrooms. I believe the only reason parents choose for their child not to attend one of our schools is

they don't understand what it is we do, and how well we do it. If your child is doing well where they are, imagine how much better they could be doing with us.

We look forward to an exciting year. Join us as we continue to provide a world class education for our students.

Allen Faulk
Superintendent of
Columbus County Schools

East Columbus High

Greetings Gator Family,

On behalf of the faculty of East Columbus High School, I would like to extend a warm welcome to all of our rising 9th grade students and their parents. In addition, I would like to welcome back all of our students and parents who were with us last year.

East Columbus has made great strides over the course of the last year. Academic achievement has increased significantly, teacher turnover has decreased, and 100 percent of our staff indicated that they felt safe at our school according to the Teachers' Working Conditions Survey (TWCS). In addition, we have vastly increased the amount of technology available for our students by adding 100 Chromebooks last year and we intend to continue this trend. We have also increased community involvement by enhancing communication with parents and establishing positive relationships with local businesses and churches.

In athletics, we have a new Head Football Coach and Athletic Director, Coach Maurice Huey, who has already increased interest and participation in the football program as well as other sports. Don't forget that East Columbus won the coveted Columbus Cup last year in JV Boys' sports last year, a testimony to our underclassmen's hard work on and off the field and a sign of great things to come for our varsity programs!

Student Orientation will be held on August 25th at 7pm in the auditorium and Freshmen Orientation will immediately follow the schoolwide presentation. Homerooms assignments will be posted in the main hallway and student schedules will be provided by homeroom teachers.

Every member of our staff is committed to maintaining a safe and comfortable learning environment, teaching a rigorous curriculum, and ensuring the academic success of all students in our school. Please check our school website often for important dates and upcoming events. We look forward to another great year at East Columbus High School. "Go Gators."

Bryan Abernethy, Ed.D.

Student Spaces Available!

There are still student spaces available for the 2016-2017 school year in nearly all grades - contact Columbus Charter School at 910-641-4042 for open registration (columbuscharterschool.org).

The Roger Bacon Academy - Columbus Charter School is a tuition-free, open enrollment public school in southeastern North Carolina. Since 2007, Columbus Charter School has focused on quality K-8 education and is a premier performance-driven year round school.

Widely recognized as a compelling choice for conventional public education, the school has built a reputation for retaining dedicated and highly qualified teachers who give students a strong and proven academic foundation. Columbus Charter School is among the top scoring schools in the Southeast region of North Carolina.

South Columbus High

As the school year rapidly approaches, I would like to take a moment to commend the students, faculty and loyal stakeholders at South Columbus High School for their commitment to excellence. It is the dedication and commitment of the faculty and students that make South Columbus an effective school. The faculty and staff are busily preparing for a new and exciting school year and would like to cordially invite parents and students to our Freshmen Orientation on Aug. 23 at 6 p.m. All visitors are asked to report to the Auditorium for brief introduction comments after which parents and students may visit the classroom teachers. On behalf of the teachers and staff here at South Columbus, I am pleased to welcome back our students and look forward to making this the most successful school year yet. Go Stallions.

Adam Thompson
SCHS Principal

West Columbus High

It is my pleasure to welcome you to a new year at West Columbus High School. The faculty and staff of West Columbus High School would like to thank all of our stakeholders for a successful 2015-16 school year. This year we will continue to focus on a vision to help students become productive and respectful citizens. Our teachers are working diligently to prepare students to be engaged at the highest possible level through instruction that is relevant and inquiry-based. We will continue to raise the bar every year by challenging our students to become more independent through project-based learning. With your continued support, we will collaboratively strive to challenge students to move above and beyond their expectations during the 2016-17 school year.

Williams Township

Dear families of Williams Township School:

It is my pleasure to welcome you to Williams Township School. While we are the largest elementary school, our dedicated staff works very hard to meet the individual needs of all students, and maintain personal connections with their families.

We invite you to become an active participant in our school community through volunteering, joining our PTO or Educational Foundation, or attending and supporting school events. Research clearly supports that when parents are involved in their child's education, there is a greater likelihood of academic success for the child.

We truly believe that communication is the key to a successful educational experience. Together, we will improve the quality of our school community and provide the best for the children of Williams Township School. Education is a partnership between the schools, students, parents and community. All children are more successful when we work as a team to achieve educational goals.

Acme Delco Middle

Welcome. We are incredibly excited to begin another great year at Acme-Delco Middle School. Our staff of highly qualified professional educators and support personnel is committed to providing our students many opportunities both inside and outside of the classroom. We invite and encourage students and parents to partner with us as we work to build a school of excellence. With this journey, we make a pledge to you, our students and parents, that this will be a year of engaging, meaningful and rigorous work in our classrooms, combined with many special activities.

We highly value home/school communications and understand the vital role that it plays in the success of students and our school. We encourage you to stay in the know about your student's academics, school activities, as well as other events and happenings. It takes all stakeholders, parents, students, and school staff, to foster a successful school year.

We look forward to a very positive and productive year.

Chadbourn Middle

It's hard to believe but it's that time of the year again - the beginning of a new school year. Welcome back. And while you aren't part of the teaching staff you are just as important to your children's education as we are.

Your children receive the best education when you and our dedicated teachers work as a team. It's a parents enthusiasm, support and involvement that inspires children to do their best; and a teacher's ability to teach what they need to learn. Together we can achieve wonderful things.

I encourage you to fully embrace the moment and urge you to take the time from your busy schedule to become familiar with our school, as well as create a homework-friendly home environment that will allow your children to excel.

On behalf of the staff at Chadbourn Middle School, I am happy to welcome students and parents back for the 2016-17 school year. The wonderful Chadbourn Middle School staff and I feel privileged to be a part of this school family.

We thank you in advance for your support and encourage every parent and student to embrace the opportunity to make this a great school year.

Hallsboro Middle

I am excited to welcome you to the 2016-2017 school year. I hope that the summer has afforded you time to enjoy both a break from the hard work you did last year, and provided you with many memorable experiences with your family and friends. I am honored to be serving as the new principal at Hallsboro Middle, and look forward to getting to know each of you as we move forward this year. I have heard many wonderful things about this community, and have experienced some of these things already. Our school has an exceptionally talented faculty and staff, and we are committed to the growth of your students to prepare them for life outside of school and in high school. I believe that every child has the ability to grow and learn, and we will strive to ensure that each child has that opportunity. Our students did very well on their EOGs last year, and we look to build on that success this year, and continue to climb.

There are a few other new things going on at Hallsboro Middle School. We would like to welcome Travis Fassnacht and Claire Primrose to the faculty. Both will be teaching math and science this year. We would also like to welcome Rhonda Thompson as our new cafeteria manager. We are also excited about our new logo at center court of our gym. The new tiger paw looks great, and will help to inspire more Tiger Pride this year.

Our Open House will be Thursday, Aug. 25 from 4-6 p.m. I would like to invite all parents and community members to become involved in our many opportunities at Hallsboro Middle. The more we put into our students, the stronger they will be and the louder they will roar.

Derrick Boyd,
Principal

Nakina Middle

As principal of Nakina Middle School, it is my pleasure to welcome everyone back for another great year in Mustang Country. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help ensure every student feels welcome as part of our Nakina Mustang Family. Additionally, we strive to challenge each student to grow in his or her academic abilities. At Nakina Middle School, we have great teachers who create classroom activities to engage our students in learning. Our teachers utilize research based best practices, analyze academic data to determine current skill levels, and set goals for growth and improvement. We are looking forward to continuing the tradition of academic excellence at Nakina Middle School where I am honored to serve as principal. It is truly a privilege to be part of a community where parents, teachers, and students care for each other. In addition, we strive to build positive relationships that support academic and social growth. We realize summer is over but the most exciting time of the year is now here, as students return. On behalf of the entire Mustang family we say welcome back.

Wendell Duncan,
Principal

Tabor City Middle

Dear Parents and Students,

As we begin another great year at Tabor City Middle School, I would like to take a moment and welcome families who are new to the TCMS community and welcome those who will be returning.

Student success is the main goal of every staff member at Tabor City Middle School. I recognize that in order to be successful in school, our children need support from both the home and school. I look forward to a productive partnership with you to ensure our children will achieve their highest potential.

Tabor City Middle School faculty, staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to a great and successful 2016-2017 school year. "EAGLES SOAR."

Acme Delco Elementary

Acme Delco Elementary School staff anxiously awaits our new and returning students. Last school year was extremely successful in all areas. We could not be more pleased and proud of our students, teachers, staff, and parents. We are a community of learners and share a common vision to nurture each individual child and prepare them for success in a global and competitive society.

Cerro Gordo Elementary

The faculty and I would like to welcome you to an exciting year at Cerro Gordo Elementary School. As we start a new school year, we want to celebrate the successes that we have accomplished and strive to continually improve our practices in order to provide an education that is tailored to the personal needs of each individual child. Our goal is to see all children succeed which means all children will show academic growth. Every student is valued and worth our best effort.

In order to achieve this goal, your support is needed and appreciated. Research-based evidence supports the findings that the involvement of parents increases student achievement and positively influences student

behavior. The support and encouragement you provide at home helps to instill the importance of a quality education in your child. You are your child's most important teacher and advocate. Together as a team we will ensure that the students of Cerro Gordo Elementary School are well prepared for life in the 21st Century.

We look forward to starting the new school year with you and your child. With all stakeholders focused on the common goal of seeing students excel, the possibilities of academic and extracurricular success is endless. Let's work together to make this a great year.

Chadbourn Elementary

Dear Chadbourn Elementary School family members and students,

Welcome to Chadbourn Elementary School for the 2016-2017 school year. We are looking forward to a very positive, rewarding academic year. The school day will begin at 7:40 a.m. with dismissal at 3 p.m. Each parent will receive a Student Handbook that will include policies on behavior, student dress, car student procedures, etc.

Chadbourn Elementary's Open House is scheduled for Thursday, Aug. 25 from 5-7 p.m.

Student fees for the upcoming year are as follows:

| | |
|--------------------|--------------------------|
| Instructional Fee: | \$5 |
| School Insurance: | TBA |
| Pictures: | Package price as desired |

We have listed the homeroom teachers and homeroom assignments for students who will attend Chadbourn Elementary School this year. If your child's name is not included, call the school at 654-3825.

The faculty and staff at Chadbourn Elementary are working hard to prepare for a successful school opening.

Evergreen Elementary

Dear Students, Parents and Guardians:

It's hard to believe but it's that time of the year again - the beginning of a new school year. Welcome back. And while you aren't part of the teaching staff you are just as important to your children's education as his/her school staff.

Your children receive the best education when you and our dedicated staff work as a team. It's a parents enthusiasm, sup-port and involvement that inspires children to do their best; and a teacher's ability to teach what they need to learn. Together we can achieve wonderful things.

There's a lot of excitement ahead of us, including new teach-ers to meet, new books to read, new friends to meet and new skills to master...and I look forward to you sharing in those ex-citing times.

I encourage you to fully embrace the moment and urge you to take the time from your busy schedule to become familiar with our school, as well as create a homework-friendly home envi-ronment that will allow your children to excel.

In closing, thank you for your commitment to your child's ed-ucation and I look forward to seeing you during our Open House night Aug. 25 from 5:30-7 p.m. at Evergreen Elementary.

Georgia E. Spaulding

Children are like seeds... they need help to grow up well.

Being specialists in agriculture for Columbus County farmers, we feel a real investment in the future. We believe in investing in our children as well. Programs like Smart Start give Columbus County children a definite edge in reaching their full potential.

If it helps our children, it helps our community. And we all prosper!

Hallsboro/Artesia

Welcome back

Welcome to Panther Country. The faculty and staff of Hallsboro/Artesia Elementary School believe that teamwork is the essential element that enables teachers, students, administrators and members of our communities to utilize the tools needed to help our students become confident, self-directed, lifelong learners.

We are proud of our community school and the strong educational gains our students have made. An active PTO, strong community support and committed staff members are the key ingredients that enhance our school day. Maintaining a rigorous literacy and math program for all students, small group instruction, a physical education program, computer technology, media, art and music classes are all necessary for student growth. By working together we will continue to strive to meet and or exceed our Annual Performance Goals.

The Hallsboro/Artesia Panthers invite you to stop by to visit, volunteer, and help us continue a long tradition of success for our students.

Old Dock Elementary

Dear Parents and Friends,

As Principal of Old Dock Elementary, it is my pleasure to welcome everyone back for another great year of learning and growing together. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to ensure every child feels welcomed, connected and a vital part of Old Dock Elementary. Additionally, we promote excellence, encourage teamwork, expect personal best at all times and maintain an environment conducive to providing a strong curricular approach to learning.

As we embark upon the fast approaching 2016-17 school year I encourage you to be an integral part of your child's education. It's during these formative years that we mold and shape our children to become productive citizens to excel within a global society. We appreciate and are truly blessed with the opportunity to be a vital part of your child's life. We will strive to provide a nurturing, caring and rigorous educational environment for your child to grow and learn.

I am honored to serve as the Principal of Old Dock Elementary. It is truly a privilege to be a part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth.

Once again, welcome back. Let's make it another great year at Old Dock Elementary. Join us at our Open House Thursday, Aug. 25, 2016 from 4-6 p.m.

Rhonna Gore
Principal

I hope you have had an enjoyable and restful summer. Once again it is time to begin a new and exciting journey. Last year you made tremendous progress due to your dedicated effort and hard work. I look forward to you experiencing even more growth during the 2016-2017 school year. On Aug. 25, we will have Open House beginning at 3:30 p.m. and ending at 7 p.m. I look forward to seeing all of you Aug. 29. I hope you enjoy the rest of your summer.

Tabor City Elementary

Dear Tabor City Elementary Families,

Happy New Year. Within the next several days, we will open our school doors to welcome you to the 2016-2017 school year. Together, we will create a year of excellence for our children as we focus on creating a School of Excellence. We are determined to deliver excellent reading, mathematics and writing instruction, and we will create a school where safety, respect, accountability, support and excellence are highly evident.

Our motto here at TCES is "ALL IN" and we are excited to have a community of teachers who are "ALL IN" and committed to sharing best practices and improving their skills. We are excited to welcome new teachers to our school community- teachers who are passionate about our school vision and mission.

As your fearless leader, I will be guiding this school community through the work of confronting mediocrity and creating a culture of excellence for our school. We have a lot to be excited about as we continue our journey to overcome challenges and become a School of Excellence.

Please join us for Open House Thursday, Aug. 25, from 5-7 p.m. This will be a meet and greet time for you, your child and your child's teachers.

Sign up to volunteer. We love and need volunteers.

If you ever need anything, please do not hesitate to call me at the school anytime. I am here for each and every child's success.
ALL-IN
