SWEETEN EVERY CELEBRATION WITH STRACK & VAN TIL SCRATCH-MADE CAKES

Do you remember the freshly baked cake your mom or grandma used to make? The whiff of indulgence hit the air as the oven timer chimed, and you couldn't wait for that first moist, mouthwatering bite. Or, how about the enticing sugary scent that pulled you into the local bakery? Those were simpler times, when cake tasted the way it should. Relive those memories with signature scratch-made cakes from your local Strack & Van Til Bakery Department.

"All of our cakes are made from scratch using the freshest ingredients available, and you can tell by the taste," says Bakery Director Stephanie Flynn. "Even our rich and decadent buttercream frosting is scratch made for all store locations."

Check out customer favorite dessert cake varieties including carrot cake with cream cheese icing, Oreo cookies and cream, red velvet and German chocolate.

The Bakery Department's signature Atomic Cake is a crowd-pleaser for a reason. This triple-layer delight combines banana, chocolate and yellow cake with strawberry and Bavarian crème filling, all topped with whipped crème icing.

Looking for something fruity and light? The Strawberry Triple Layer Cake features three layers of yellow cake with strawberry filling and a whipped crème topping.
