PARTNERING FOR THE FUTURE

GEMINUS HEAD START

LEAD/ASSOCIATE TEACHER

Geminus Head Start Corporation is currently seeking Lead and Associate Teachers for the 2018-2019 Head Start Program. Geminus was established in 1992 and offers innovative concepts, providing comprehensive support services, human resources, communications, purchasing, accounting, finance, client billing, and management information systems, for affiliated organizations that provides behavioral healthcare and human services. Geminus is located in Merrillville, Indiana and is affiliated with Regional Mental Health Center, Geminus Head Start, and the Lake Park Residential Care, together these organizations employ approximately 750 employees throughout the Porter and Lake County area of Indiana.

THE POSITION:

Lead Teacher is responsible for the care and education of a group of children as a part of a teaching team. This Lead Teacher is responsible to plan and implement the curriculum in accordance with the Head Start Performance Standards, Indiana Academic Foundations, Head Start Outcomes Framework, as well as, utilizing the Developmentally Appropriate Effective Practices as defined by the National Association of Young Children (NAEYC) and preparedness of school readiness. This position requires active participation with the children, families, other members of the teaching team, as well as, various Head Start staff, to assess and address the needs of individual children. This position will work closely with the Child Development Manager both in Head Start and Early Head Start for child outcomes. The Lead Teacher is expected to present a positive and professional image of Geminus and the Head Start Division, and actively and effectively participate on committees and work teams as requested.

Associate Teacher is responsible for the care and education of a group of children as a part of a teaching team. This Associate Teacher is responsible to plan and implement the curriculum in accordance with the Head Start Performance Standards, Indiana Academic Foundations, Head Start Outcomes Framework, as well as, utilizing the Developmentally Appropriate Effective Practices as defined by the National Association of Young Children (NAEYC) and preparedness of school readiness. This position requires active participation with the children, families, other members of the teaching team, as well as, various Head Start staff, to assess and address the needs of individual children. This position will work closely with the Child Development Manager both in Head Start and Early Head Start for child outcomes. The Associate Teacher is expected to present a positive and professional image of Geminus and the Head Start Division, and actively and effectively participate on committees and work teams as requested.
