Round Up Now through October 26th

Please **Round Up** during Breast Cancer Awareness Month to support the programs of **Pink Ribbon Society** in educating and serving the men and women of Lake, Porter, Jasper and Newton Counties and for those struggling with the diagnosis of **Breast Cancer**.

Pink Ribbon has returned over **\$900,000** back to the community through numerous mammogram, voucher and wig programs. But we need your help to continue serving the many people who will reach out to us in the weeks and months to come.
