*Discover the nonprofit difference—senior living where your values, connections, and friendships count.*

We embrace your independence, offering security, flexibility, opportunities for socialization, fitness, and continued learning. You choose the space and lifestyle that works for you, a maintenance-free paired-home at the ***Meridian Woods Campus***, or an apartment at the ***Pines Village Campus***.

Cook for yourself or enjoy restaurant-style dining on-site. Drive your car or take advantage of transportation services. Both pet-friendly campuses are located in Valparaiso, feature unique amenities and services with the option to add personalized Home Health assistance.
