

# Merry Christmas to our neighbors

As your neighborhood grocer, we look forward to this time of year and seeing you in our store. Christmas reminds us of the joy and appreciation we feel in sharing this neighborhood with you. You're the reason we're anticipating ways to provide you with friendly service that you simply can't find anywhere else. We want you to know how much you are cared for and welcomed here. May the spirit and meaning of the season fill your hearts with peace and goodwill. Merry Christmas from Town & Country Food Market.
