

EXHIBIT OPENING RECEPTION STU WALES

STU WALES discovered art in 2008 through a community class in Florida. What began as a whim became a meaningful practice. His colored pencil and acrylic works reflect curiosity, gratitude, and a life rich with family, travel, and community.

Stu passed away peacefully in September. His family will present his work at the opening of *Drawing on the Past*. His artwork will be on view at The Village Gallery through January 28, 2026.
