It's with great sadness, I must share that John Dull passed away from complications related to cancer. John served as Attorney to the Board of Commissioners from 1982 until his passing. While he had a more limited role in the past 4 years, he would not let that limited role, limit his work.

John's contributions to the people of Lake County and Lake County Government are immeasurable. Countless policies, procedures, friendships and occasional song will be among his legacy.

Please remember his wife and family as they grieve his loss and let us all help to carry a bit of John's charm and intellect with us.

Michael C. Repay  
President, Lake County Board of Commissioners
