SUBJECT: Duty Pistol and Shotgun Qualification - Howard Buffett

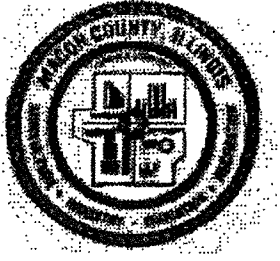

---

On 1-20-14, at the request of Chief Alinen, I ran Howard Buffett through the AZPOST daytime semi-automatic pistol qualification course at the Sierra Vista Shooting Range.

We used a TQ-19 threat target and Mr. Buffett shot his personally-owned Glock 21 .45 caliber pistol (SN: VSE475). We shot the qualification course three times and Mr. Buffett scored a 230, 225, and 225.

At Mr. Buffett's request, I also observed as he ran through what he described at the Cochise County Sheriff's Office shotgun qualification course. I am not personally familiar with this qualification course, but I did time him and score his targets. Mr. Buffett used his personally owned Remington 887 shotgun (SN: ARM058596).

On his first attempt he completed the course in 40 seconds and all of his rounds landed in the scoring ring (TQ-19 target) with the exception of two 00 Buck pellets and one slug. On his second attempt, he completed the course in 45 seconds and only missed one 00 Buck pellet.

To whom it may concern:

The qualifications which are identified as MCSO on the attached sheet represent the qualifications that Auxiliary Deputy Buffett has performed under one of the Macon County Sheriff's Office firearms instructors.

Mr. Buffett's qualifications put him in good standing for carrying a firearm on duty for MCSO.

Sincerely,

A handwritten signature in cursive script, reading "Thomas Schneider".
