JOINT ORDER CANCELLING TECHNICAL SESSION

Whereas, IC 2-2.1-1-3.5 provides for the General Assembly to convene a Second Regular Technical Session on the second Tuesday after the first Monday in May of each even-numbered year, which in Calendar Year 2024 is May 14;

Whereas, the stated statutory purpose of the Second Regular Technical Session is to consider and act upon:

- (1) Bills enacted during the Second Regular Session vetoed by the Governor;*
- (2) Bills to correct conflicts among bills enacted during the Second Regular Session; and*
- (3) Bills to correct technical errors in bills enacted during the Second Regular Session;*

Whereas, IC 2-2.1-1-3.5 provides that the Second Regular Technical Session is not required to convene if the Speaker of the House of Representatives and the President Pro Tempore of the Senate jointly issue an order finding that the purposes for which a Second Regular Technical Session may meet do not justify the cost and inconvenience of meeting in a Second Regular Technical Session;

Whereas, the Speaker of the House of Representatives and the President Pro Tempore of the Senate have reviewed the need for a Second Regular Technical Session in Calendar Year 2024 in light of the cost and inconvenience of the meeting; and

Whereas, the Speaker of the House of Representatives and the President Pro Tempore of the Senate have determined that the cost and inconvenience of meeting does not justify convening a Second Regular Technical Session in Calendar Year 2024;

Therefore,

SECTION 1. The Speaker of the House of Representatives and the President Pro Tempore issue this Joint Order cancelling the Second Regular Technical Session for Calendar Year 2024.

Dated this 22 day of April 2024.
