Developer agrees to indemnify, defend and hold the City and its respective

officers, agents and employees free and harmless from, any and all liabilities, costs, damages, claims or expenses arising out of or related to the breach of its obligations under this Section 4.9(c).

(d) Neither entering into this Agreement nor any breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Project or the Project Site made in good faith and for value.

(e) Provided Developer has given the City written notice of the existence of any Mortgage, together with Mortgagee's address and a contact party, simultaneously with the giving to Developer of any Default Notice, the City shall give a duplicate copy thereof to any Mortgagee by registered mail, return receipt requested, and no such notice to Developer shall be effective unless a copy of the same has been so sent to Mortgagee. Any Mortgagee shall have the right to cure any Default within the same period by which Developer is required to effectuate any such cure plus (a) an additional thirty (30) days for any monetary Default and (b) an additional ninety (90) days for any non-monetary Default; provided that any such ninety (90) day period shall be extended to the extent that the Default is of the nature that it cannot reasonably be expected to be cured within such ninety (90) day period and Mortgagee is diligently prosecuting such cure to completion or otherwise has commenced action to enforce its rights and remedies under any Mortgage to recover possession of the Project. In all cases, the City agrees to accept any performance by Mortgagee of any obligations hereunder as if the same had been performed by Developer, and shall not terminate the Agreement until the requisite time periods for cure by Mortgagee have been exhausted pursuant to the terms hereof. It is understood that no cure or attempt to cure by Developer, Mortgagee or any other Person of any Default shall limit the right of the City to recover damages from Developer or otherwise exercise remedies with respect to any Default during any period in which such Default remained uncured.

(f) In the event of a non-monetary Default which cannot be cured without obtaining possession of the Project or that is otherwise personal to Developer and not susceptible of being cured by Mortgagee, the City will not terminate this Agreement without first giving Mortgagee reasonable time within which to obtain possession of the Project, including possession by a receiver, or to institute and complete foreclosure proceedings. Upon acquisition of Developer's interest in the Project and performance by Mortgagee of all covenants and agreements of Developer, except those which by their nature cannot be performed or cured by any person other than the Developer, the City's right to terminate this Agreement shall be waived with respect to the matters which have been cured by Mortgagee or which are not susceptible of being cured.

4.10 Closing Deliveries.

Developer will deliver or cause to be delivered all of the Closing Deliveries no later than ten (10) Business Days following Effective Date. Unless the time for delivery of any Closing Deliveries is extended, or the satisfaction of any Closing Delivery or any other Closing Condition is waived by the City, the date that all Closing Deliveries have been made and all other Closing Conditions shall have been met is the "**Closing Date**".

4.11 Infrastructure Improvements.

The City shall not be responsible for payment of any land entitlement, design, development and construction costs of any Project Infrastructure.

(h) Developer has received no notice of and has no knowledge of any action, litigation, investigation or proceeding of any kind pending or threatened against Developer or any party controlling or controlled by Developer or any portion of the Project Site that could prevent Developer in any material respect from performing its obligations in accordance with the terms of this Agreement, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding.

(b) Deliver to the City a copy of the Application together with proof of the filing of the Application in accordance with the Act contemporaneous with or immediately following its filing, excluding, however, personal disclosure forms (including attachments or exhibits related thereto) that are included as a part of the Application.

(c) Prior to the Board issuing a License to Developer, keep the City informed as to all material contacts and communications between the Board and its staff and Developer so as to enable the City to evaluate the likelihood and timing of the Board issuing a License to Developer.

6.3 Negative Covenants of Developer.

Developer covenants that throughout the Term, Developer shall not:

(a) Upon the occurrence of an Event of Default, and until such time that such Default or Event of Default is cured, declare or pay any dividends or make any other payments or distributions to any Restricted Party.

(c) Take any action to voluntarily terminate any Casino Management Agreement or amend or waive any compliance with such Casino Management Agreement in a manner that has or could reasonably be expected to have a Material Adverse Effect on the Project or the City or Developer's ability to perform its obligations under this Agreement without submitting notice to the City of any such termination, amendment, or waiver within ten (10) days of effecting same.

6.4 Confidentiality of Deliveries.

To the extent that the Act, Sports Wagering Act, other laws of the State or the City or any other Governmental Requirements, in the reasonable opinion of Developer's legal counsel, allow confidential treatment of the items Developer is obligated to furnish to the City under Sections 6.1(c), (d), or (e)(i), (ii), (iv) and (v) or Section 6.2(b) (the "**Developer's Confidential Items**"), Developer shall have the right to deliver Developer's Confidential Items to the City's Mayor, Corporation Counsel, and consultants, upon each such Person's execution and delivery of a

customary non-disclosure agreement which shall include customary exceptions for disclosure required pursuant to subpoenas, Freedom of Information requests, or other applicable legal requirements. Further, to the extent that Developer requests confidential treatment of any other documentation or information required to be provided to the City under this Agreement, and such documentation and information may be protected from disclosure by the City under applicable law as reasonably determined by the City's Corporation Counsel, the City shall maintain the confidentiality of such documentation and information to the extent permitted by applicable law. Upon receipt of a freedom of information act or other public record request for information relating to Developer's Confidential Items, the City shall provide reasonable written notice of such request to Developer and shall consult with Developer prior to disclosure of such Developer's Confidential Items. Upon Developer's request, City shall allow Developer to commence or participate in any action it reasonably determines it shall have a basis for to protect such information from disclosure, at Developer's cost and expense.

7. **Default.**

7.1 **Events of Default.**

The occurrence of any of the following shall constitute an "**Event of Default**" under this Agreement:

(a) If Developer materially defaults in the performance of any: (i) Governmental Requirement; or (ii) commitment, agreement, covenant, representation, term or condition (other than those specifically described in any other subparagraph of this Section 7.1) of this Agreement, and in such event if Developer fails to remedy any such Default within thirty (30) days after Developer's receipt of a Default Notice with respect thereto; provided, however, that if any such Default is reasonably susceptible of being cured within ninety (90) days, but cannot with due diligence be cured by Developer within thirty (30) days, and if Developer commences to cure such Default within thirty (30) days and diligently prosecutes the cure to completion, then Developer shall not during such period of diligently curing be in Default hereunder as long as such Default is completely cured within ninety (90) days of Developer's receipt of a Default Notice with respect thereto.

(b) If Developer makes a general assignment for the benefit of creditors or admits in writing its inability to pay its debts as they become due;

(c) If Developer files a voluntary petition under any title of the United States Bankruptcy Code, as amended from time to time, or if such petition is filed against Developer and an order for relief is entered, or if Developer shall file any petition or answer seeking, consenting to or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or any future federal bankruptcy law or any other present or future applicable federal, state or similar statute or law, or seeks or consents to or acquiesces to or suffers the appointment of any trustee, receiver, custodian, assignee, liquidator or similar official of Developer, or of all or any substantial part of its properties or of the Project or any interest therein of Developer;

(d) If within ninety (90) days after the commencement of any proceeding against Developer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy code or any other present or future applicable federal, state or similar statute or law, such proceeding shall not have been dismissed; or if within ninety (90) days after the appointment, without the consent or acquiescence of Developer or any trustee, receiver, custodian, assignee, liquidator or other similar official of Developer or of all or any substantial part of its properties or of the Project or any interest therein of Developer, such appointment shall have not been vacated or stayed on appeal or otherwise, or if within ninety (90) days after the expiration of any such stay, such appointment shall not have been vacated;

(c) If any representation or warranty made by Developer hereunder proves to have been false or misleading in any material respect as of the time made or furnished, unless Developer cures such representation or warranty within thirty (30) days;

(f) If a Default occurs, which has not been cured within any applicable cure period, under, or if there is any attempted withdrawal, disaffirmance, cancellation, repudiation, disclaimer of liability or contest of obligations (other than a contest as to performance of such obligations) of, any Transfer Restriction Agreement, any Radius Restriction Agreement, any Subordination Agreement, or the Guaranty Agreement;

(g) If Developer fails to maintain in full force and effect policies of insurance meeting the requirements of Article 9 and in such event Developer fails to remedy such Default within ten (10) Business Days after Developer's receipt of a Default Notice with respect thereto;

(h) If the construction of the Project at any time is discontinued or suspended for a period of one hundred twenty (120) consecutive calendar days, and is not restarted prior to Developer's receipt of a Default Notice with respect thereto; provided, however, that if the discontinuation or suspension of construction is due to an event of Force Majeure event then such discontinuation or suspension shall not be an Event of Default during the resulting Force Majeure Period;

(i) If Operations Commencement (Temporary Project) does not occur by the Operations Commencement Date; or if Operations Commencement (Permanent Project) does not occur by the Operations Commencement Date, subject to Force Majeure as provided in this Agreement; or

(j) If Developer fails to make any Developer's Payments or any other payments required to be made by Developer hereunder as and when due, and fails to make any such payment within ten (10) calendar days after receiving a Default Notice with respect thereto.

7.2 Remedies.

(a) Upon an Event of Default, the City shall have the right if it so elects to: (i) exercise any and all remedies available at law or in equity; (ii) terminate this Agreement; (iii) receive liquidated damages under the circumstances set forth in Section 7.4; (iv) exercise its rights under any Subordination Agreement; or (v) institute and prosecute proceedings to enforce in whole or in

part the specific performance of this Agreement by Developer, or to enjoin or restrain Developer from commencing or continuing said breach, or to cause by injunction Developer to correct and cure said breach or threatened breach, and otherwise without the need to post any bond therefor. None of the remedies enumerated herein are exclusive, except the City's rights to receive liquidated damages in Section 7.4, which shall be the exclusive remedy for the City's to recover its direct damages from delay under such circumstances as the payments under Section 7.4 become payable, and nothing herein shall be construed as prohibiting the City from pursuing any other remedies at law (except as otherwise provided in herein), in equity or otherwise available to it under the Agreement.

(b) Except as expressly stated otherwise, the rights and remedies of the City whether provided by law or by this Agreement, shall be cumulative, except as set forth in Section 7.4, and the exercise by the City of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same Default or breach, to the extent permitted by law. No waiver made by the City or Developer shall apply to obligations beyond those expressly waived in writing.

(c) Notwithstanding the payments provided in Section 7.4 to compensate the City for the City's direct damages for delay, the Parties agree: (i) that irreparable damage, by way of detriment to the public benefit and welfare of the City through lost employment opportunities, lost tourism, degradation of the economic health of the City, loss of indirect revenue and otherwise, would occur to the City if the Temporary Project and the Permanent Project are not designed in accordance with Section 3.1, constructed in accordance with Section 3.2, and fully completed in accordance with Section 3.3(e) or if Developer's obligations in Exhibits A-2, A-3, A-4, A-7, A-8 and A-9 are not fully performed; and (ii) that monetary damages, even if available, would not be an adequate remedy to compensate the City for such damages if such provisions of this Agreement are not performed in accordance with the specific terms thereof. The Parties acknowledge and agree that Developer and Parent Company have been selected to enter into this Agreement as the result of a competitive Request for Proposal process, are performing aspects of the Work which are personal to Developer and Parent Company which could not be contracted-for or otherwise obtained from a third party, are providing knowhow, intellectual property and goodwill (including the 'BALLY'S' tradename and mark, and associated goodwill) for use in the operation of the Project which are unique, and that the Permanent Project has been uniquely designed and is located on a unique Project Site (Permanent). The Parties agree that (A) the City shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement or to enforce specifically the performance by Developer of the terms and provisions of this Agreement, including Section 3.3(e), in the courts described in Section 13.14 without proof of actual damages, in addition to any other remedy to which it is entitled at law or in equity, (B) Developer will not oppose the granting of an injunction, specific performance, or other equitable relief on the basis that the City has an adequate remedy at law or that an award of specific performance is not an appropriate remedy for any reason at law or equity; and (C) the City shall not be required to obtain, furnish, or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 7.2(c), and each Party irrevocably waives any right it may have to require the obtaining, furnishing, or posting of any such bond or similar instrument. The right of specific enforcement is an integral part of Developer's agreements in this Agreement, including the City's agreement to deliver the Certification on the terms herein provided. Developer

acknowledges, moreover, that in making the Certification, the City is relying on the City's right to specifically enforce this Agreement, including Developer's covenants in Section 3.3(e), in order to obtain for the benefit of the City the aforesaid irreplaceable and non-quantifiable damages, and that, without that right, the City would not have entered into this Agreement.

(d) Upon a breach of this Agreement by the City, Developer shall have all remedies at law, in equity or otherwise available to it under this Agreement, including an action for specific performance.

(e) In no event shall the City be liable under this Agreement for consequential damages, including lost profits.

(f) In the event that the City shall have been paid liquidated damages pursuant to Section 7.4 or Section 6 of Exhibit A-2 under the circumstances when such liquidated damages are payable and is awarded specific performance of this Agreement in connection with the failures to perform this Agreement giving rise to such liquidated damages, it shall not also have a separate claim for indirect or consequential damages arising from such failures to perform.

7.3 Termination.

Except for the provisions that by their terms survive, this Agreement shall terminate immediately upon the occurrence of any of the following, or as otherwise provided in this Agreement:

(a) The Closing Date does not occur;

(b) The Board rejects or denies Developer's Application; *provided*, that, if such denial or rejection is subject to appeal and Developer timely asserts and diligently continues to prosecute such appeal, no termination shall occur until the earlier of (i) the date which is twelve (12) months after the date of the Board's rejection or denial, subject to extension with the consent of the City (not unreasonably withheld) for up to an additional six (6) months, or (ii) the rejection or denial is finally upheld or affirmed without any further right of appeal during such twelve (12) month period, as it may be so extended;

(c) There is no Finding of Preliminary Suitability of Developer within twelve (12) months (as such date may be extended by the City in its sole discretion) after Developer's submission of its Application as provided in the Act; or

(d) Developer's License (i) is revoked by a final, non-appealable order; (ii) expires and is not renewed by the Board and Developer has exhausted any rights it may have to appeal such expiration or non-renewal; or (iii) imposes conditions which are not satisfied within the time periods specified therein, subject to any cure periods or extension rights.

These termination events are in addition to any other rights the City or Developer may have to terminate this Agreement whether specified herein or otherwise available to the City under law.

7.4 Liquidated Damages.

(a) In the event that Operations Commencement (Temporary Project) does not occur on or before the Operations Commencement Date (subject to the extension thereof by any Force Majeure Periods pursuant to Section 3.3(e)), Developer will pay the City an amount, calculated on a daily basis, equal to the product of (i) eighty-five percent (85%) of the Projected Per-Diem Amount (Temporary) multiplied by (ii) the number of days in the period commencing on the Operations Commencement Date through and until Operations Commencement (Temporary Project).

(b) In the event that at least seventy-five percent (75%) of the Gaming Area of the Permanent Project is not open to the general public for Casino Gaming Operations in accordance with Governmental Requirements on or before the Operations Commencement Date (subject to the extension thereof by any Force Majeure Periods pursuant to Section 3.3(e)), Developer will pay the City an amount, calculated on a daily basis, equal to the excess of (i) the product of (A) eighty-five percent (85%) of the Projected Per-Diem Amount (Permanent) multiplied by (B) the number of days in the period commencing on the Operations Commencement Date through and until (x) Operations Commencement (Permanent Project) or, (y) if earlier, the date when seventy-five percent (75%) of the Gaming Area of the Permanent Project is open to the general public for Gaming in accordance with Governmental Requirements and fees begin to accrue under Section 7.4(c) minus (ii) the actual Local Tax Revenues received for such period; *provided*, that no such payment shall be payable for any day earlier than the day which is one (1) day after the third anniversary of Operations Commencement (Temporary Project).

(c) If, on and after the Operations Commencement Date (subject to the extension thereof by any Force Majeure Periods pursuant to Section 3.3(e)), seventy-five percent (75%) of the Gaming Area of the Permanent Project shall be open to the general public for Casino Gaming Operations in accordance with Governmental Requirements but the Permanent Project nevertheless has not achieved Operations Commencement (Permanent Project), Developer will pay the City an amount, calculated on a daily basis, equal to the product of (i) ten percent (10%) of the Projected Per-Diem Amount (Permanent) multiplied by (ii) the number of days in the period commencing on the Operations Commencement Date through and until Operations Commencement (Permanent Project); *provided*, that no such payment shall be payable for any day earlier than the day which is one (1) day after the third anniversary of Operations Commencement (Temporary Project).

(d) In the event that the Permanent Project does not achieve Final Completion (Permanent Project) on or before the Final Completion Date (subject to the extension thereof by any Force Majeure Periods pursuant to Section 3.3(e)), Developer will pay an amount, calculated on a daily basis, equal to the product of (i) ten percent (10%) of the Projected Per-Diem Amount (Permanent) multiplied by (ii) the number of days in the period commencing on the Final Completion Date through and until Final Completion (Permanent Project).

(e) The City and Developer covenant and agree that, because of the difficulty or impossibility of determining the City's damages from delayed performance of Developer's covenants under Section 3.3, the percentages of the Projected Per-Diem Amount (Temporary) and the Projected Per-Diem Amount (Permanent) which would be payable under this Section 7.4 are a

reasonable forecast the City's direct damages of such delay under the circumstances in which they would become payable in accordance with this Agreement and not penalties. The City's election to receive liquidated damages pursuant to this Section 7.4 for such direct damages of the City caused by the delayed performance of Developer's covenants under Section 3.3 is not intended to and shall not derogate from the City's right to seek the specific performance or other equitable relief with respect to Developer's covenants in Sections 3.1, 3.2 and 3.3(e).

(f) The payment obligations of Developer under subsections (a), (b), (c) and (d) of this Section 7.4 shall accrue as provided herein, but the obligations accrued thereunder shall become payable only when the City delivers written notice to Developer of the City's election to receive liquidated damages pursuant to this Section 7.4. After the City gives notice, Developer's payment obligations under this Section 7.4 for accrued amounts (if any) shall be immediately due and payable, and Developer's payment obligations accruing from and after the date of such notice shall be due periodically on such schedule as the City and Developer agree, but not less often than weekly, until the violations or failures to perform giving rise to such obligations have been fully cured. All amounts payable under this Section 7.4 shall bear interest at the Default Rate from the due date until paid.

8. Transfer of Ownership Interests.

8.1 Transfer of Ownership Interests.

(a) Developer acknowledges and agrees that the obligations that Developer is to perform under this Agreement for the City's benefit are personal in nature. The City is relying upon each Restricted Party in the exercise of their respective skill, judgment, reputation and discretion with respect to the Project. Any Transfer by a Restricted Party of any Direct Or Indirect Interest in any Restricted Party shall be subject to the rules and restrictions set forth in the respective Transfer Restriction Agreement, which Developer shall cause each Restricted Party, as requested by the City, to execute and deliver to the City, as part of the Closing Deliveries.

(b) Any transferee of a Restricted Party shall hold its interests subject to the restrictions of such Transfer Restriction Agreement.

(c) Developer shall notify the City as promptly as practicable upon Developer becoming aware of any Transfer in violation of this Section 8.1.

9. Insurance.

9.1 Maintain Insurance.

Developer shall maintain in full force and effect the types and amounts of insurance as set forth on Exhibit I.

9.2 Form of Insurance and Insurers.

Whenever, under the terms of this Agreement, Developer is required to maintain insurance, the City shall be named as an additional insured in all such insurance policies to the extent of its insurable interest. All policies of insurance provided for in this Agreement shall be effected under

valid and enforceable policies, in commercially reasonable form issued by responsible insurers which are authorized to transact business in the State, having a financial strength rating by A.M. Best Company, Inc. of not less than "A-" or its equivalent from another recognized rating agency. Thereafter, as promptly as practicable prior to the expiration of each such policy, Developer shall deliver to the City an Accord certificate, together with proof reasonably satisfactory to the City that the full premiums have been paid or provided for at least the renewal term of such policies and as promptly as practicable, a copy of each renewal policy.

9.3 Insurance Notice.

Each such policy of insurance to be provided hereunder shall contain, to the extent obtainable on a commercially reasonable basis, an agreement by the insurer that such policy shall not be canceled or modified without at least thirty (30) days prior written notice by registered mail, return receipt requested, to the City.

9.4 Keep in Good Standing.

Developer shall observe and comply with the requirements of all policies of public liability, fire and other policies of insurance at any time in force with respect to the Project and Developer shall so perform and satisfy the requirements of the companies writing such policies.

9.5 Blanket Policies.

Any insurance provided for in this Article 9 may be provided by blanket or umbrella policies issued to Developer covering the Project and other properties owned or leased by Developer; provided, however, that the amount of the total insurance allocated to the Project shall be such as to furnish in protection the equivalent of separate policies in the amounts herein required without possibility of reduction or coinsurance by reason of, or damage to, any other premises covered therein, and provided further that in all other respects, any such policy or policies shall comply with the other specific insurance provisions set forth herein and Developer shall make such policy or policies or a copy thereof available for review by the City.

10. Damage and Destruction.

10.1 Damage or Destruction.

In the event of damage to or destruction of improvements at the Project or any part thereof by fire, casualty or otherwise, Developer, at its sole expense, shall promptly repair, restore, replace and rebuild, or demolish and rebuild (collectively, "**Restore**") the improvements, as nearly as possible to the same condition that existed prior to such damage or destruction using materials of an equal or superior quality to those existing in the improvements prior to such casualty. All work required to be performed in connection with such restoration and repair is hereinafter called the "**Restoration**." Developer shall obtain any required temporary certificate of occupancy as soon as practicable after the completion of such Restoration. If neither Developer nor any Mortgagee shall commence the Restoration of the improvements or the portion thereof damaged or destroyed promptly following such damage or destruction and adjustment of its insurance proceeds, or, having so commenced such Restoration, shall fail to proceed to complete the same with reasonable

diligence in accordance with the terms of this Agreement, the City may, but shall have no obligation to, complete such Restoration at Developer's expense, upon thirty (30) calendar days' notice to Developer without Developer having commenced Restoration. Upon the City's election to so complete the Restoration and the expiration of the required notice to Developer, Developer immediately shall permit the City to utilize all insurance proceeds which shall have been received by Developer, minus those amounts, if any, which Developer shall have applied to the Restoration, and if such sums are insufficient to complete the Restoration, Developer, on demand, shall pay the deficiency to the City. Each Restoration shall be done subject to the provisions of this Agreement.

10.2 Use of Insurance Proceeds.

(a) Subject to the conditions set forth below, all proceeds of casualty insurance on the improvements shall be made available to pay for the cost of Restoration if any part of the improvements are damaged or destroyed in whole or in part by fire or other casualty.

(b) Promptly following any damage or destruction to the improvements by fire, casualty or otherwise, Developer shall:

- (i) give written notice of such damage or destruction to the City and each Mortgagee; and
- (ii) deliver a written notice of Developer's intent to complete the Restoration in a reasonable amount of time plus periods of time as performance by Developer is prevented by Force Majeure events (other than financial inability) after occurrence of the fire or casualty.

(c) Developer agrees to provide monthly written updates to the City summarizing the progress of any Restoration, including but not limited to, anticipated dates for the opening of the damaged areas to the public, to the extent applicable.

(d) Developer shall have no notification requirements to the City for any Restoration having a value less than Ten Million Dollars (\$10,000,000) in the aggregate.

10.3 No Termination.

No destruction of or damage to the Project, or any portion thereof or property therein by fire, flood or other casualty, whether such damage or destruction be partial or total, shall permit Developer to terminate this Agreement or relieve Developer from its obligations hereunder.

10.4 Condemnation.

If a Major Condemnation occurs, this Agreement shall terminate, and no Party shall have any claims, rights, obligations, or liabilities towards any other Party arising after termination, other than as provided for herein. If a Minor Condemnation occurs or the use or occupancy of the Project or any part thereof is temporarily requisitioned by a civil or military governmental authority for not more than thirty (30) days, then (a) this Agreement shall continue in full force and effect; (b) Developer shall promptly perform all Restoration required in order to repair any physical damage to the Project caused by the Condemnation, and to restore the Project, to the extent reasonably

practicable, to its condition immediately before the Condemnation. If a Minor Condemnation occurs, any Proceeds in excess of Ten Million Dollars (\$10,000,000) will be and are hereby, to the extent permitted by applicable law and agreed to by the condemnor, assigned to and shall be withdrawn and paid into an escrow account to be created by an escrow agent (the "**Escrow Agent**") selected by (i) the Mortgagee if the Project is encumbered by a Mortgage (or if the Project is encumbered by multiple mortgages, the Mortgagee with the highest priority lien on the Project); or (ii) Developer and the City in the event there is no first Mortgagee, within ten (10) days of when the Proceeds are to be made available. If Developer or the City for whatever reason cannot or will not participate in the selection of the Escrow Agent, then the other party shall select the Escrow Agent, which shall be a bank with an office in the City of Chicago that takes deposits having a capital surplus in excess of One Hundred Million Dollars (\$100,000,000). Nothing herein shall prohibit the Mortgagee (or if the Project is encumbered by multiple mortgages, the Mortgagee with the highest priority lien on the Project) from acting as the Escrow Agent. This transfer of the Proceeds, to the extent permitted by applicable law and agreed to by the condemnor, shall be self-operative and shall occur automatically upon the availability of the Proceeds from the Condemnation and such Proceeds shall be payable into the escrow account on the naming of the Escrow Agent to be applied as provided in this Section 10.4. If the City or Developer are unable to agree on the selection of an Escrow Agent, either the City or Developer may apply to the Circuit Court of Cook County for the appointment of a bank with an office in the City of Chicago that takes deposits having a capital surplus in excess of One Hundred Million Dollars (\$100,000,000) as the Escrow Agent. The Escrow Agent shall deposit the Proceeds in an interest-bearing escrow account and any after tax interest earned thereon shall be added to the Proceeds. The Escrow Agent shall disburse funds from the Escrow Account to pay the cost of the Restoration in accordance with the procedure described in Section 10.2(b), (c) and (d). If the cost of the Restoration exceeds the total amount of the Proceeds, Developer shall be responsible for paying the excess cost. If the Proceeds exceed the cost of the Restoration, the Escrow Agent shall distribute the excess Proceeds, subject to the rights of the Mortgagees, first to the City to pay any amounts then due the City under this Agreement and then to Developer. Nothing contained in this Section 10.4 shall impair or abrogate any rights of Developer against the condemning authority in connection with any Condemnation. All fees and expenses of the Escrow Agent shall be paid by Developer.

11. Indemnification.

11.1 Indemnification by Developer.

(a) Developer shall defend, indemnify and hold harmless the City and each of its officers, agents, employees, contractors, subcontractors, attorneys, consultants, and members of the City's casino evaluation and selection teams (collectively the "**Indemnitees**" and individually an "**Indemnitee**") from and against any and all liabilities, losses, damages, costs, expenses, claims, obligations, penalties and causes of action (including reasonable fees and expenses for attorneys, paralegals, expert witnesses, environmental consultants and other consultants at the prevailing market rate for such services) whether based upon negligence, strict liability, statutory liability, absolute liability, product liability, common law, misrepresentation, contract, implied or express warranty or any other principle of law, and whether or not arising from third party claims, that are imposed upon, incurred by or asserted against Indemnitees or which Indemnitees may suffer or be

required to pay and which arise out of or relate in any manner including but not limited to any of the following: (1) Developer's (the terms "Developer" or "Developer's" including for purposes of clauses (1) through (15) of this Section 11.1(a)), the Casino Manager or Casino Manager's) development, construction, ownership, possession, use, condition, occupancy or abandonment of the Project or any part thereof; (2) Developer's operation or management of the Project or any part thereof; (3) the performance of any labor or services or the furnishing of any material for or at the Project or any part thereof by or on behalf of Developer or enforcement of any liens with respect thereto; (4) any personal injury, death or property damage suffered or alleged to have been suffered by Developer (including Developer's employees, agents or servants), or any third person as a result of any action or inaction of Developer; (5) any work or things whatsoever done in, or at the Project or any portion thereof, or off-site pursuant to the terms of this Agreement by or on behalf of Developer; (6) the condition of any building, facilities or improvements at the Project or any non-public street, curb or sidewalk at the Project, or any vaults, tunnels, malls, passageways or space therein; (7) any breach or default on the part of Developer for the payment, performance or observance of any of its obligations under all agreements entered into by Developer or any of its Affiliates relating to the performance of services or supplying of materials to the Project or any part thereof; (8) any act, omission or negligence of any tenant, or any of their respective agents, contractors, servants, employees, licensees or other tenants at the Project; (9) any failure of Developer to comply with all Governmental Requirements; (10) any breach of any warranty or the inaccuracy of any representation made by Developer contained or referred to in this Agreement or in any certificate or other writing delivered by or on behalf of Developer pursuant to the terms of this Agreement; (11) the environmental condition of the Project Site (including the presence of any hazardous or regulated substance in, on, under or adjacent to such property); (12) the release of any hazardous or regulated substance to the environment arising or resulting from any work or things whatsoever done in or at the Project or any portion thereof, or in or at off-site improvements or facilities used or constructed in connection with the Project pursuant to the terms of this Agreement by or on behalf of Developer; (13) the operation or use of the Project, whether or not intended, in violation of any law addressing the protection of the environment or the protection of public health; (14) any breach or failure by Developer to perform any of its covenants or obligations under this Agreement; and (15) any legal challenge brought by any community group, citizens group, or any Person relating in any way to the effectiveness of this Agreement, the process by which this Agreement was entered into or approved and the selection of Developer to negotiate this Agreement, the Request for Proposal, the Certification process, the zoning ordinance amendments necessary to develop and operate the Project, the authority of the City to enter into this Agreement, the compliance of this Agreement with the provisions of the Act, the Sports Wagering Act, or any other Government Requirement, or the implementation or enforcement of any provision of this Agreement.

(b) In case any action or proceeding shall be brought against any Indemnitee based upon any claim in respect of which Developer has agreed to indemnify any Indemnitee, Developer will upon notice from Indemnitee defend such action or proceeding on behalf of any Indemnitee at Developer's sole cost and expense and will keep Indemnitee fully informed of all developments and proceedings in connection therewith and will furnish Indemnitee with copies of all papers served or filed therein, irrespective of by whom served or filed. In such a case, Developer shall defend such action with legal counsel it selects provided that such legal counsel is reasonably satisfactory to Indemnitee. Such legal counsel shall not be deemed reasonably satisfactory to

Indemnitee if legal counsel has: (i) a legally cognizable conflict of interest with respect to the City; (ii) within the five (5) years immediately preceding such selection performed legal work for the City which in its respective reasonable judgment was inadequate; or (iii) frequently represented parties opposing the City in prior litigation. Each Indemnitee shall have the right, but not the obligation, at its own cost, to be represented in any such action by legal counsel of its own choosing.

(c) Notwithstanding anything to the contrary contained in Section 11.1(a), Developer shall not indemnify and shall have no responsibility to any Indemnitee for any matter to the extent directly caused by the gross negligence or willful misconduct of such Indemnitee.

12. Force Majeure.

12.1 Definition of Force Majeure.

An event of "**Force Majeure**" shall mean the following events or circumstances if, but only if, such event or circumstances delays performance beyond the reasonable control of Developer, or its agents and contractors, of their duties and obligations under this Agreement and such delay could not have been avoided or shortened by commercially reasonable efforts to foresee, mitigate or cure such disruption by Developer and its agents and contractors:

(a) Acts of God, tornadoes, hurricanes, floods or other abnormal and highly inclement weather, sinkholes, fires and other casualties, landslides or earthquakes;

(b) Acts of a public enemy, acts of war, terrorism, effects of nuclear radiation, blockades, insurrections, riots, civil disturbances, or national or international calamities;

(c) Rioting, looting, arson and like violent or destructive acts of civil commotion of a scale which is materially adversely impactful on the City and its businesses, taken as a whole;

(d) Actual or threatened health emergencies (including, without limitation, epidemic, pandemic, Covid-19, famine, diseases, plague, quarantine, and other health risks);

(e) Concealed and unknown conditions of an unusual nature that are encountered below ground or in an existing structure, but only to the extent that such conditions could not have been discovered by Developer's exercise of reasonable diligence;

(f) Any temporary restraining order, preliminary injunction or permanent injunction, or mandamus or similar order, or any litigation or administrative delay which prevents or materially impedes the ability of Developer to complete the Project or perform any obligations of Developer under this Agreement, unless based in whole or in part on the actions or failure to act of Developer;

(g) The failure by, or unreasonable delay of, the City or State or other Governmental Authority to issue any permits or Approvals necessary for Developer to develop, construct, open or operate the Project unless such failure or delay is based materially in whole or in part on the actions or failure to act of Developer or its Affiliates, agents, representatives or contractors;

(h) The enactment after the date hereof of any City, State, or Federal ordinance that has the effect of unreasonably delaying Developer's obligations under this Agreement; or

(i) A breach by the City of its covenants in Section 3.1(c) of this Agreement related to the review and approval of Concept Design Documents and construction documents, to the extent that such breach that results in an actual delay of Developer's performance of its obligations under Section 3.3(a) and Section 3.3(b) relative to the timeline for such performance (including the timeline for amending the PD) had the City not so breached its covenants in Section 3.1(c).

12.2 Notice.

Developer shall, within thirty (30) days, notify the City in writing of the occurrence of an event of Force Majeure of which it has knowledge, describe in reasonable detail the nature of the event and provide a good faith estimate of the duration of any delay expected in Developer's performance obligations. During the Force Majeure Period, Developer shall keep the City reasonably apprised orally or, at the City's request, in writing of the status of the Force Majeure and of Developer's efforts to prevent and remedy delays in Developer's performance resulting from the Force Majeure. Developer will furnish the City with such additional information orally or, at the City's request, in writing regarding the event of Force Majeure and the anticipated and actual delay resulting therefrom as City may reasonably request.

12.3 Delay of Performance.

Notwithstanding any other provision of this Agreement to the contrary, Developer shall be entitled to an adjustment in the time of any duty or obligation of Developer under this Agreement for Force Majeure events but only for the Force Majeure Period and only to the extent that Developer has taken commercially reasonable steps to mitigate the effects of the Force Majeure event and only if such occurrences actually delay the performance of such duty or obligation.

The failure of the City or Developer to promptly insist upon strict performance of any term, covenant, condition or provision of this Agreement, or any exhibit hereto, or any other agreement contemplated hereby, shall not be deemed a waiver of any right or remedy that the City or Developer may have, and shall not be deemed a waiver of a subsequent Default or nonperformance of such term, covenant, condition or provision, it being understood that a waiver by a Party shall be made only by a writing signed by such Party.

13.3 Applicable Law and Construction.

The laws of the State shall govern the validity, performance and enforcement of this Agreement. This Agreement has been negotiated by the City and Developer, and the Agreement,

13.5 Complete Agreement.

This Agreement, and all the documents and agreements described or referred to herein, including the exhibits and schedules attached hereto, constitute the full and complete agreement between the Parties with respect to the subject matter hereof, and supersedes and controls in its entirety over any and all prior agreements, understandings, representations and statements whether written or oral by each of the Parties.

The City on the one hand and Developer on the other, agree that nothing contained in this Agreement or any other documents executed in connection herewith is intended or shall be construed to establish the City and Developer as joint venturers or partners.

13.9 Unlawful Provisions Deemed Stricken.

If this Agreement contains any unlawful provisions not an essential part of this Agreement and which shall not appear to have a controlling or material inducement to the making thereof, such provisions shall be deemed of no effect and shall be deemed stricken from this Agreement

without affecting the binding force of the remainder. In the event any provision of this Agreement is capable of more than one interpretation, one which would render the provision invalid and one which would render the provision valid, the provision shall be interpreted so as to render it valid.

13.10 No Liability for Approvals and Inspections.

No approval to be made by the City under this Agreement or any inspection of the Work by the City shall render the City liable for failure to discover any defects or non-conformance with this Agreement, or a violation of or noncompliance with any federal, State or local statute, regulation, ordinance or code.

(b) The Parties acknowledge that the Board may, subsequent to the date of this Agreement, promulgate regulations under or issue interpretations of or policies or evaluation criteria concerning the Act which regulations, interpretations, policies or criteria may conflict with, or may not have been contemplated by, the express terms of this Agreement. In addition, the Parties acknowledge that environmental permits and approvals may necessitate changes to this Agreement. 2. Construction of Project

Developer will contractually obligate and use reasonable efforts to cause the general contractor and architect/engineer and each subcontractor involved in design and construction work for the Project to abide by the MBE and WBE contracting goals and City resident and SEDA resident goals set forth in this Section 2.

a. Contracting Goals.

For all design and construction work associated with the Project, Developer will use reasonable efforts to cause at least 36% of the work to be performed by MBE firms and at least 10% of the work to be performed by WBE firms. These goals should be met individually for the Temporary Project and the Permanent Project, and for the expansion of the hotel to five-hundred rooms when it occurs.

b. Construction Workforce Work Hours.

For all construction work associated with the Project, Developer will use reasonable efforts to cause at least 50% of the work hours to be performed by actual residents of the City and at least 15.5% of the work hours to be performed by actual residents of Socio-Economically Disadvantaged Areas of the City. These requirements will be implemented consistently with those of MCC 2-92-330, except that the SEDA goal replaces the 7.5% Project Area Goal currently codified in that section.

c. Participation Schedules and Compliance Reports.

No later than the submittal of the final concept design drawings for the Temporary Project, and for the Permanent Project, Developer must submit a preliminary "Projected Utilization Schedule" identifying the MBE and WBE firms that have been engaged to design each facility, and to what extent and when in the design process they will be utilized.

Prior to beginning construction of each the Temporary Project, of the Permanent Project, and of the expansion of the hotel, Developer must submit a "Projected Utilization Schedule," and a "Workforce Compliance Plan" in a form acceptable to the City and must meet with City monitoring staff to demonstrate understanding of the goals and reporting requirements. The Projected Utilization Schedule must show when and to what extent in the schedule for design and construction MBE and WBE firms are expected to be utilized, and to the extent practicable, identifying the specific MBE and WBE firms that will be engaged to perform the work. The "Workforce Compliance Plan" must show how Developer intends to comply with its City and SEDA resident obligations throughout the construction of the applicable facility.

Throughout construction of the Project, Developer must deliver to the City quarterly written progress reports detailing compliance with these requirements, as well as participation by local businesses as described in Section 7 below, and any other metric related to contracting equity and inclusion or economic impact as the City may reasonably request. With respect to MBE and WBE utilization, the reports must compare the Projected Utilization Schedule with actual

utilization. City may require submission of reports through electronic means compatible with its contract monitoring systems.

Developer's quarterly reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or its contractors to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with its commitments. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of all construction of the Project, including the hotel expansion. The City's monitoring staff shall, upon providing Developer at least ten (10) Business Days' notice, be provided access to records of Developer reasonably requested by such staff to allow the City to review Developer's compliance with its commitments to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction work on the project.

Quarterly reports may also include, as directed by City monitoring staff: (i) subcontractor's activity report; (ii) MBE/WBE utilization report by month; (iii) payroll showing worker hours and residency; (iv) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (v) evidence of compliance with job creation/job retention requirements.

If any such reports prior to 100% completion of the Temporary Project, Permanent Project or hotel expansion indicate a shortfall in compliance or discrepancy of greater than 5% in the participation of MBEs or WBEs, or greater than 5% in the employment of City and SEDA residents, Developer must make Good Faith Effort to correct the shortfall and must deliver an explanation for the shortfall or discrepancy and provide a plan outlining, to the Chief Financial Officer's satisfaction, the manner in which Developer will endeavor to correct any shortfall or discrepancy ("**Recovery Plan**").

3. Sourcing of Goods and Services

a. Contracting Goals.

Except for the purchase of Gaming Equipment and Related Services, in the sourcing of goods and services through the life of the Agreement, including but not limited to maintenance, repair, and renovation of the facilities, any construction work after initial development of the Project (other than the hotel expansion), as well as all provisioning and consumables, and professional consulting services, Developer* commits to making a Good Faith Effort to spend, of overall annual spending each year, at least 26% with MBEs, at least 10% with WBEs, at least 2% with BEPDs, and at least 3% with VBEs.

Developer's Good Faith Efforts to achieve these goals must include, but will not be limited to:

* All of the commitments in this Exhibit A-2 (except with respect to construction) as well as the commitments made in Exhibit A-3 would also be the responsibility of the Casino Manager, if any, so that any such Casino Manager would be required to enter into an undertaking with the City so comply in connection with the execution of any Casino Management Agreement.

- Eliminating disparities in the initial procurement process by issuing all contracts and bids in excess of \$10,000 as a competitive RFP, it being understood that a competitive RFP shall not be required in those limited situations in which the limited number of vendors or the time pressures make the use of an RFP impracticable.
- Listing all RFP vendor opportunities on Bally's Chicago website.
- Hosting an annual diversity vendor fair onsite.
- Joining or partnering with local business organizations such as the Illinois Black Chamber of Commerce, Illinois Hispanic Chamber of Commerce, Chicago Minority Supplier Development Council, Chicago Urban League, and the Chicago Business Leadership Council.
- Utilizing selection criteria that put a weighted emphasis on MBE, WBE, VBE, and BEPD certifications and Chicago-based vendors.
- Hiring a Diversity, Equity and Inclusion expert in sourcing, monitoring, compliance and contracting MBE, WBE, VBE, and BEPD vendors to leverage their network of vendors, suppliers and individuals seeking jobs to push notifications, recruit bidders, and support bidders in the process.

b. Utilization Schedules and Compliance Reports.

By such date as the Chief Financial Officer may direct, but no later than the opening of the Temporary Project, Developer must submit a Business Diversity Program in a form acceptable to the City outlining how Developer intends to comply with obligations under this Section 3, which must be updated prior to the opening of the Permanent Project and then annually. It should include a detailed buying plan, and Projected Utilization Schedule for the year which must show in which quarter of the upcoming year and to what extent Certified Firms are expected to be utilized, and to the extent practicable, identifying the specific Certified Firms that will be engaged to provide the applicable goods or services.

Additionally, throughout the life of this Agreement, Developer must submit quarterly reports, in a format acceptable to the City, regarding compliance with the goals of this Section 3 as well as participation by local businesses as set forth in Section 7 below, and any other metric related to contracting equity and inclusion or economic impact as the City may reasonably request. With respect to Certified Firm utilization, the quarterly reports must compare the Projected Utilization Schedule with actual utilization.

Developer's quarterly reports shall also include, inter alia, the name and business address of each Certified Firm solicited by to provide goods or services, and the responses received from such solicitation, the name and business address of each Certified Firm actually engaged, a description of the work performed or products or services supplied, the date and amount of such work, product or service, the amount paid, and such other information as may assist the City's monitoring staff in determining Developer's compliance with its commitments. If requested by the Chief Financial Officer, Developer must identify all firms engaged to provide goods or services. Developer shall maintain records of all relevant data with respect to the utilization of Certified Firms in connection with the Project for at least five years after purchase of the applicable goods or completion of the applicable service. The City's monitoring staff shall, upon providing Developer at least ten (10) Business Days' notice, be provided access to records of Developer reasonably requested by such staff to allow the City to review Developer's compliance with its commitment to participation by Certified Firms and the status of any Certified Firm providing goods or services.

Quarterly reports must also include the amount of excluded expenses associated with the provision or maintenance of Gaming Equipment, and upon request of the Chief Financial Officer, the details of such transactions.

If any quarterly reports indicate a shortfall in participation by Certified Firms of greater than 7.5% of the applicable goal, Developer must provide an explanation for the shortfall and make Good Faith Efforts to correct the shortfall. However, if Developer does not reasonably believe that the shortfall will be corrected before the next quarterly report is due and so promptly informs the City, Developer should also provide a detailed Recovery Plan and proposed revised Projected Utilization Schedule, and if the shortfall is not corrected when the next quarterly report is due, a detailed Recovery Plan and revised Projected Utilization Schedule are required.

Developer must also submit an annual summary report no later than a date determined by the Chief Financial Officer containing information about the Developer's Business Diversity Program and its compliance with the goals and plans therein. Information to be provided will include information on expenditure of goods and services from Certified Firms during the prior calendar year, expressed in dollars and percentages, and for each year after the first year, information on progress or changes in the program since the prior year. The report should include information about the construction of the Project if construction of the Temporary Project, Permanent Project, or hotel expansion took place during the prior calendar year.

The City may require submission of reports through electronic means compatible with its contract and business diversity monitoring systems.

4. Counting Certified Firm Participation in Contracting.

Participation by Certified Firms in contracting will be counted following the applicable rules of the Department of Procurement Services for construction work or non-construction work as they may be amended from time to time. However, from time to time the City may establish alternate rules which will be utilized instead, or Developer may propose alternate rules acceptable to Chief Financial Officer.

However, Certified Firms that hold more than one certification may only be counted under one category to demonstrate compliance with the contracting goals set forth in Sections 2.a. and 3.a above. For example, a firm certified as both an MBE and a WBE may only be counted as an MBE or a WBE, but not as both. To be counted, Certified Firms must be performing a commercially useful function as described in 49 CFR 26.55(c)(2).

5. Requests for Reduction or Waiver of Goals

If Developer believes that it will not be possible to correct a shortfall in Certified Firm contract participation, City resident work hours, or SEDA resident work hours due to causes beyond Developer's reasonable control and despite Developer making Good Faith Efforts, it may request that the Chief Financial Officer grant a reduction or waiver of the applicable goal in accordance with the procedures and standards established by the City for goal reduction or waiver requests under the applicable section of MCC Chapter 2-92. The granting of such requests shall

be in the sole discretion of the Chief Financial Officer. Requests for reduction or waiver of goals in contracting for goods and services will be granted only on an annual basis.

6. Remedies for Shortfalls.

Because the utilization of MBE, WBE, and other Certified Firms, and the employment of City residents and SEDA residents is essential to the economic vitality of the City, if (1) there is a shortfall in MBE, WBE contract participation or in City resident work hours or SEDA work hours at 100% completion of Temporary Project, at 100% completion of the Permanent Project or at 100% of the hotel expansion, or there is shortfall in Certified Firm participation in the supply of goods and services at the end of any calendar year, and (2) the Developer has not made a convincing showing that it made Good Faith Efforts to correct the shortfall in connection with the construction of the applicable facility or expansion or annual participation goal, then the City will have been harmed in a manner difficult to quantify. Therefore, the Parties agree that in the event of such a shortfall, the following liquidated damages represent a reasonable estimate of the City's damages, and are not a penalty, provided that no liquidated damages will be payable with respect to a shortfall in missing a goal in any calendar year to the extent that at least 92.5% of such goal is met:

- i. Shortfall in MBE or WBE participation, construction of Project: the amount of the shortfall, as a percentage of the sum of the final aggregate hard construction costs and architectural design and engineering costs for the Temporary Project, or for the Permanent Project, or for the hotel expansion, as applicable.
- ii. Shortfall in City resident or SEDA resident work hours: 1/20 of 1 percent (0.0005) of the sum of the final aggregate hard construction costs for the Temporary Project, or for the Permanent Project, or for the hotel expansion, as applicable per percent shortfall.
- iii. Shortfall in Certified Firm participation in the sourcing of goods and services: the amount of the shortfall, as a percentage of the annual overall spending for goods and services. With respect to a shortfall in meeting a goal of the type contemplated in this clause (iii) with respect to a calendar year, liquidated damages shall be payable (except as provided below) promptly two years after the end of such calendar years if Developer does not average at least 92.5% of such goal during the next two calendar years (the "Succeeding Years"). Notwithstanding the foregoing such liquidated damages shall be payable immediately if Developer did not meet at least 75% of such goal for such calendar year. Liquidated damages with respect to such goal with respect to either of the Succeeding Years shall be payable promptly after such Succeeding Year.

Any liquidated damages paid to the City under this Exhibit A-2 will be placed into a fund to be utilized for support of the City's contracting equity and workforce development programs, and related uses.

Additionally, to prevent future shortfalls and to help ensure continued compliance with the requirements of this Exhibit A-2 through the life of the Agreement, if there is a shortfall related to the construction of the Project, either in MBE/WBE participation or work hours, or continuing shortfalls in participation of Certified Firms in sourcing of goods and services, the City may require more stringent reporting requirements and engage in stricter oversight than set forth in this Exhibit

A-2, which may include, but is not limited to, engagement of an integrity monitor or other experts or consultants at Developer's expense to assist the Chief Financial Officer in monitoring compliance with the contracting and workforce goals, and increasing the frequency and/or detail of reporting.

Furthermore, if there are significant or continuing shortfalls in participation of Certified Firms in construction of the Project or the sourcing of goods and services, or in the work hours of City or SEDA residents, the City may exercise a right of specific performance, an injunction, or any other appropriate equitable remedy, as may be applicable.

7. Local Businesses.

In all contracting related to the Project, both during construction and during operation of the Casino, Developer and Casino Manager must provide a reasonable preference for competitively priced firms, that are, to the extent required by applicable law, qualified by or registered with the Illinois Gaming Board, located or based within the City, and secondarily for firms located within the counties of Cook, DuPage, Kane, Lake, McHenry or Will in the State of Illinois. These preferences should operate similarly to that set forth in MCC 2-92-412 "Contracts – Bid preference for city-based businesses," but Developer may establish alternate preference(s) acceptable to the City, that will serve to encourage local businesses.

8. Independent Venues

Throughout the Term, Developer will engage in good faith discussions with independent venues in the City for the purpose of coordinating the booking of live entertainment events at its Temporary and Permanent Facilities. Developer must report annually to the Chief Financial Officer on its compliance with this section.

9. Monitoring; Transparency

Developer shall at all times designate a management employee to monitor its compliance with the terms set forth in this Exhibit A-2 and in Exhibit A-3, which employee shall meet with the City as requested by the City from time to time to discuss the status of such compliance and any issues relating thereto. In support of the City's commitment to transparency, Developer must comply with City's reasonable requests for redacted versions of any reports to be submitted under this Exhibit that may contain confidential or proprietary business information, suitable for posting on the City website or other public information system of the City.

EXHIBIT A-3

HUMAN RESOURCE HIRING AND TRAINING

From time to time, Developer may amend, modify and revise the policies and procedures provided in this Exhibit A-3 in accordance with good practices in the gaming industry based on operational needs of the business, regulatory requirements, and other commercially reasonable factors. Upon the City's request, Developer will promptly provide the City with copies of Developer's policies and procedures.

C. DEVELOPER'S WORKFORCE DEVELOPMENT PLAN

Bally's strength is recruiting, hiring and successfully managing a diverse workforce. Bally's recognizes the value that diversity offers, and it has been critical to our overall success. Across Bally's casino portfolio, ~45% of its employees are women. Women also make up ~40% of its leadership roles. Similarly, minorities are well represented in these categories by ~45% and ~25%, respectively. Bally's is very familiar working within an environment that is rich with diversity.

1. Chicago Commitment

Developer's goals with respect to hiring various women, minority and underrepresented groups are as follows:

- Women – 45%
- Minorities – 60%
- Veterans – 5%
- Disabled – 5%

Bally's plans to partner with well-respected workforce development non-profits and community-based organizations in Chicago, such as Skills for Chicagoland's Future, Women Employed, Washington Heights Workforce Center and Chicago Urban League (as well as others) to achieve the above stated employment goals.

2. Bally's Affirmative Action and Equal Employment Opportunity Commitment

Bally's has adopted a policy of affirmative action and equal employment opportunity that has continued in order to create an environment that fosters diversity and inclusion. This affirmative action plan has been developed to meet the requirements of Affirmative Action Programs, sex discrimination guidelines, and guidelines on discrimination because of religion or national origin. Bally's Human Resources department has overall responsibility for administering, monitoring and updating plans as outlined in the Affirmative Action Plan. Each member of the management staff

is responsible for preventing and/or eliminating any discriminatory practices and assuring that all applicants and employees are afforded the same opportunities.

This affirmative action plan describes the policies, practices and procedures implemented by the Casino to employ and advance at all levels of employment qualified individuals without regard to race, color, religion, sex, age, national origin, disability, veteran status or other protected characteristics. Affirmative action augments Equal Employment Opportunity. An Affirmative Action Program is a set of specific and results-oriented procedures to which Bally's is committed. The procedures move Bally's toward inclusion of minorities and women with requisite skills at all levels in its workforce, and representation of their availability in appropriate labor markets.

Affirmative action requires the use of valid job-related standards in recruitment, hiring, and promotion. Bally's Affirmative Action Plan seeks, in good faith, to identify and remove barriers to Equal Employment Opportunity and to promote access for minorities and women at all levels of its workforce. This plan also covers individuals with a disability, disabled veterans, and others with protected characteristics. This plan outlines the principles established for each department and the Company in improving utilization of employees in protected categories of employees in the workforce. It is our aim to have adequate representation as it relates to all protected categories, including minorities, women, disabled individuals, individuals aged forty (40) and over, and veterans. This Affirmative Action Plan evaluates the company's initiatives and opportunities to employ and promote minorities and women with requisite skills. This program supports the company's efforts to create a workplace and community that reflect diversity.

3. Construction Work

What makes Chicago an attractive city to operate in is the depth of its workforce. Individuals and organizations with different skill sets, expertise, interests and passions. For Chicagoans to fully realize the economic benefits of this large-scale project, it is important that City residents have priority when it comes to job opportunities. Developer will meet and/or exceed the requirement of 50% of total work hours performed by City residents by hiring and retaining City residents for a large percentage of the workforce and project team both during construction and operations.

4. Operations

While Bally's has a good plan to recruit and hire City residents, it must also work hard to retain them. Employee retention is driven by company culture, and Bally's is proud of its company culture. Employee reviews on sites such as Indeed and Glassdoor, where employees self-select to rate their employer are generally positive. Comments have included:

Nationwide, Bally's has more than 7,500 employees, and our employee retention rate year-over-year is good. For example, during "the Great Resignation" of the last year, our company-wide turnover rate was below 30%, not including COVID-related staff reductions.

Bally's trains, supports and promotes its team members, but most importantly it values their contributions to the company. Engaging team members in operations and decision making encourages teamwork and overall success. Their contributions are recognized through quarterly

recognition programs culminating in an annual recognition program. Bally's looks for unique characteristics of each team member to add value to the team, department, and company. The people are truly what make Bally's special, and it anticipates that the Bally's culture found at its sites across the nation will be even greater at its flagship location – Bally's Chicago.

5. Work Hours

Bally's acknowledges that of the 50% work hours provided by city residents, 15.5% should be completed by residents who come from Socially and Economically Disadvantaged Areas. To meet this goal, Bally's will require hiring from the neighborhoods surrounding the site. Developer will deploy grassroots outreach efforts in our neighboring communities. This may include:

- Direct mail pieces to residents within neighboring zip codes about job opportunities
- Door hangers promoting job fairs
- Advertisements on neighborhood transit lines and bus shelters
- Posting on job boards in neighborhood community centers

6. Wealth Building and Increasing Employing in Disadvantaged Communities

Bally's Corporation is dedicated to providing access to programs and services that will allow our team members to achieve both short- and long-term financial goals. Bally's offers a multitude of ways for team members to build their own personal wealth. From access to the world's largest employee discount network to 401k retirement opportunities and investment consultation, Bally's is vested in the personal success our team members and offers the following to all full-time employees:

- Tuition reimbursement programs
- Supervisory career tracks
- Leadership development programs
- Employee Stock Purchase Plan
- Childcare benefits to curb costs for working parents
- Competitive and robust benefits package
- Extensive employee discount program
- Pre-and post-tax 401k investment options
- Personal financial planning and financial wellness assessments

7. Prioritize Hiring of City Residents

Bally's believes it is important for its business to reflect the local community. It will prioritize hiring a local workforce in order to increase employment and expand access to economic opportunities for Chicagoans, as well as ensure an authentic, local experience for its guests. Bally's will partner with community-based organizations, such as Skills for Chicagoland's Future, to develop workforce training and skills development programs, as well as target local recruitment through direct community outreach and engagement.

Specifically, Bally's will:

- Host career fairs exclusively for Chicago residents prior to opening positions to surrounding areas.
- Guarantee an interview to all Chicago residents any time they apply for a job.
- Create an incentive referral program for hiring local applicants.

8. Diverse Workforce

Developer will utilize internal resources, as well as partner with local Chicago community and employment groups to fulfill our goal of creating a diverse workforce at all levels. Internal resources include:

- Host career fairs for Chicago residents, with an emphasis on recruitment from south and west side communities.
- Provide employee referral bonuses.
- Utilize traditional recruitment channels such as transfers of employees, job boards, professional networking, and use of recruiters where necessary.

Bally's has met with key non-profit partners who have agreed to help it achieve and exceed its workforce diversity goals, including the Chicago Urban League and Skills for Chicagoland's Future and many more.

EXHIBIT A-4

PLANS FOR COMPULSIVE BEHAVIOR TREATMENT; PROHIBITING UNDERAGE GAMBLING; PROJECT SECURITY; ATTRACTING NEW BUSINESSES TOURISTS AND VISITORS; USE OF CUSTOMER DATABASES AND IMPLEMENTING THE PROJECT THEME

From time to time, Developer may amend, modify and revise the policies and procedures provided in this Exhibit A-4 in accordance with good practices in the gaming industry based on operational needs of the business, regulatory requirements, and other commercially reasonable factors. Upon the City's request, Developer will promptly provide the City with copies of Developer's policies and procedures.

1. Treatment of Compulsive Behavior Disorders

Parent Company and Developer (collectively for purposes of this Exhibit A-4, "**we**" or "**Bally's**") fully embrace a corporate-driven mission statement focused on a proactive commitment to identify issues and support measures related to problem gambling. We fully acknowledge that gaming and entertainment is our business, and responsible gambling is essential to our reputation, as well as interaction with the community.

We remain steadfast in our efforts to curtail problem gambling by providing educational materials and instituting a program, as noted below, for guests, as well as team members through our websites and on-site at the properties. Bally's has a proven track record of offering guidance to our patrons, and educating our employees, on how to recognize problem gamblers and referring individuals to the Responsible Gaming Helpline, and/or similar mediums, in their respective state(s) for assistance.

Bally's will develop and adhere to the highest level of responsible gaming practices, consistent with the requirements of the Act, Sports Wagering Act, and all rules, regulations and procedures of the Board, and develop a plan consisting of, but not limited to:

- Institute (or join) and provide funding for a Board/Council/Association focused on responsible gaming;
- Maintain existing memberships with the American Gaming Association and the National Council on Problem Gambling to ensure accessibility to problem gaming studies, research and programs;
- Fund relevant, local research on compulsive disorders as directed by the Board/Council/Association;
- Participate in the Responsible Gaming Education Week sponsored annually by the American Gaming Association or successor/equivalent program;
- Mandate that all front-facing team members attend Problem Gambling training, which will be conducted at least once per year, to remain relevant with the ability to recognize problem gamblers;
- Incorporate internal reference procedures for employees;

- Implement a property Problem Gaming Committee consisting of key management and front-facing team members;
- Dedicate a specific budget to support all internal Problem Gambling training and awareness programs; funding will be derived by Developer and will be comparable to those of similarly sized properties in the Parent Company's casino portfolio;
- Adhere to a Self-Exclusion Program that allows an individual to be excluded from the property and from receiving marketing messages (direct mail offers, emails, etc.);
- Several Bally's properties (including Bally's other Illinois property) have executed such programs which can be combined with a Trespass Policy:
- Establish partnerships with area hospitals, colleges, mental health counselors, treatment providers and social workers to create effective strategies to combat problem gambling;
- Promote the Responsible Gaming Program with signage and collateral materials (in multiple languages), including digital messaging, situated throughout the property; and
- Include a Responsible Gaming section on the Casino's website.

2. Ensuring Minors will be Prohibited from Gambling at the Casino

The Casino will have prominent signage throughout the operation indicating that gambling is limited to persons 21-years-of-age or older.

The Casino floor will be partitioned off and only specific entry points will provide access to the gaming floor. Prior to entering the gaming floor, all patrons who appear to be under the age of 35 will be required to provide government issued identification (e.g., driver's license, passport, etc.). The patron's identification will be scanned utilizing Veridocs (or a similarly sophisticated verification system) to ensure that all patrons are 21-years-of-age or older.

We will also regularly update our Veridocs system weekly to ensure that the IGB's Red Flag List is continually up to date. Any match at the security podium will send an alert to the security management offices, as well as to surveillance. These scanners will be located at the security podiums, the players club, cage, slots, tables, and VIP lounge. Before any gaming transaction is completed (e.g., new player card sign-up, comp issue, promotion issue, jackpot payout, check cashing, etc.) all IDs will be scanned at the outlet to ensure the patron is not on the Red Flag List.

Additionally, if a patron attempts to engage in any activity in which they will need to be further identified (e.g., writing a check, registering for credit, registering for players card/promotions/comps, or claiming a W-2 taxable jackpot), the employee at the point of contact will check the player's identification to ensure they are 21 or older and are not Self Excluded.

These efforts will also be extended to our sports wagering and patrons will not be able to register for a sports wagering account if they are under 21.

All gaming employees will be trained to detect and watch for underage gambling at new hire orientation and annually through a mandatory training platform.

The program outlined above is consistent with the operation at Bally's other Illinois property.

3. Providing Security Inside and Surrounding the Project

Security is vital to the successful operations and internal controls of all our properties. We believe that our current internal controls for security at our other Illinois property provides an excellent framework for the area-by-area approach we will take at Bally's Chicago to ensure the safety of our customers, employees and the facility in general (it being understood that we will reevaluate those procedures in light of the needs of Bally's Chicago).

We will establish security department policies and procedures that are consistent with the Act, the Sports Wagering Act, the Illinois Gaming Board's rules and regulations, the Illinois Gaming Board's Minimum Internal Control Standards and, ultimately, what will be Bally's Chicago's System of Internal Controls. We will also coordinate with the Chicago Police Department in an effort to establish methods and protocols to heighten safety in the areas of the Project.

PROCEDURE FOR A POWER FAILURE / SURVEILLANCE CAMERA OUTAGE

Power Failure

In the event the Casino experiences a power loss to the lighting system, the auxiliary power system will automatically be triggered. A security incident report will be completed, and a copy will be forwarded to the Illinois Gaming Board Casino Supervisor/ Agent. The Illinois Gaming Board Casino Supervisor/Agent and surveillance will be immediately notified of power failure, and all gaming activities will cease unless otherwise authorized by IGB Casino Supervisor/Agent. If authorized by IGB Casino Supervisor/Agent and if the auxiliary power system provides sufficient light (e.g. surveillance is able to properly view gaming areas and operations are not interrupted), gaming activities will continue as normal and no additional action as described below is necessary.

If the auxiliary power system does not provide sufficient light to properly view gaming areas, the following procedures will be performed:

- At least one (1) Security Officer will be positioned at the cashier cage on the Casino floor to ensure that all transactions have ceased until power and lighting are resumed;
- At least one (1) Security Officer will be positioned in the pit area and at least (1) Security Officer will be positioned in the poker room area to assist table games and poker room personnel watch their table games and poker tables;

- The Security Shift Supervisor and/or Security Lead Officer on duty will assign the remaining Security Officers as needed. Security personnel will provide crowd control, helping to ensure patrons and employees remain calm and do not panic during the power outage.

Dealers will take immediate action to protect the chip trays on the gaming table by placing the table tray lids on open chip trays. A table games supervisor will then lock the table tray lids. In the event of an extended power failure at the discretion of the IGB Casino Supervisor/Agent all incomplete table game bets will be returned to the bettors.

Surveillance Camera Outage

Surveillance personnel will immediately notify the Illinois Gaming Board Casino Supervisor/Agent of a camera outage. A surveillance incident report will be completed, a copy of which will be forwarded to the Illinois Gaming Board Casino Supervisor/Agent.

Upon notification from surveillance that a camera outage has occurred, a Security Officer will respond to the affected area. The responding Security Officer will ensure that all transactions will be stopped until camera coverage is restored or until approval from the Illinois Gaming Board Casino Supervisor/Agent has been given that transactions can continue under Security Officer observation. Should a camera outage affect coverage of the (soft) count room, the count team will secure all monies. When all monies are secure, a Security Officer will escort the count team from the count room and secure the count room.

Enforcement of Gambling Restrictions

It is the primary responsibility of the Security Department to properly enforce the Illinois Gaming Board's policy regarding minors. In accordance with Illinois law, any patron entering the Casino must be at least 21-years-of-age. A patron under the age of 21 must not make a wager and must not be allowed in Bally's Chicago where gambling is being conducted.

A Security Officer stationed at the admission turnstile area will be responsible for obtaining and verifying the photo identification of each patron who appears to be 35 years of age or under attempting to enter the Casino. Specifically, a Security Officer must approach each patron who appears to be 35-years-of-age or under and request the patron provide a valid government issued photo identification card prior to the patron passing through the admission turnstiles.

The forms of identification accepted by Bally's Chicago will include:

- Driver's License or State Photo Identification Card issued in the United States
- Passport
- U.S. Government issued Military I.D.
- Photo identification cards issued by government entities located within the United States or U.S. territories and possession
- U.S. Government issued Alien Identification Card

If a minor inadvertently gains access to the Casino and is later found in the gaming area, he/she will be escorted by a Security Officer to the security office. The Illinois Gaming Board Casino Supervisor/Agent will be notified of the suspected underage patron by security personnel and a security incident report will be completed. A surveillance photograph will be taken of the underage person and attached to the security incident report. A copy will be forwarded to the Illinois Gaming Board Casino Supervisor/Agent.

If an underage person is observed gaming, or if an underage person is attempting to enter the Casino area unlawfully, local law enforcement authorities must be notified by Security personnel and the underage person will be escorted off the premises. Additionally, the underage person may be charged by local police for criminal trespass or underage gambling.

Security Officers will confiscate an identification card found to be unlawfully altered, fictitious or fraudulent. The confiscated identification card will be given to the Illinois Gaming Board Casino Supervisor/Agent, and a security incident report will be completed. Security will notify the Illinois Gaming Board Casino Supervisor/Agent at the time of the incident.

Firearms Prohibition

The only individuals allowed to carry a weapon on property are as follows:

- Illinois State Police
- Peace Officers on duty within their jurisdiction
- Security personnel licensed by the Illinois Gaming Board

- FBI Agents regardless of duty status

Security Officers assigned to the entrance and exit (admission turnstile area) and the Security Officer assigned to the employee entrance and exit will inspect all packages or suspicious carry bags or any device which might jeopardize the safety of patrons or employees.

Alcohol Beverages and Intoxicated Patrons

Any patron who is suspected of being intoxicated will be prohibited from gambling and will not be served alcohol. The law governing the drinking age is consistent with the gambling age. Bally's Chicago policy regarding the consumption of alcoholic beverage is mandated by the Illinois Liquor Control Laws. Therefore, an employee of Bally's Chicago will not:

- Sell, serve, deliver, allow, or offer for sale, service or delivery of any alcoholic beverage, directly or indirectly, to any person under the age at which a person is authorized to purchase or consume alcoholic beverages in Illinois, or to any person actually or apparently intoxicated; or
- Permit the consumption of any alcoholic beverage by such a person on licensed premises.

A person must be 21-years-of-age or older to legally receive and/or consume alcoholic beverages in the State of Illinois. Enforcement of alcoholic beverage control is primarily the responsibility of the food and beverage department. The security department will assist, however, in the verification of a patron's legal drinking age when requested and will conduct the verification process by requesting a suspected individual present valid identification. Security Officers stationed at the admission turnstile area will be responsible for checking any persons who appear to be showing signs of intoxication. Such individuals may be prevented from entering the gaming area. In each such instance noted above (with the exception of the last), the Illinois Gaming Board Casino Supervisor/Agent on duty will be notified and a security incident report will be initiated by a Security Officer.

Disorderly / Disruptive Patrons

At a minimum, one Security Officer will be present while an individual is being detained or evicted. A female Security Officer or female employee will remain with a female individual in custody until the individual has left the property. A Security Shift Supervisor will be notified prior to any actions taken by a Security Officer to detain a patron. The Security Officer will inform the Security Shift Supervisor of the reasons for detention. Security will notify the Illinois Gaming Board Casino Supervisor/Agent on duty of any person being detained or evicted and the reason for detention or eviction.

A patron may be detained / evicted for the following reasons:

- The individual is in possession of evidence to a crime that has been committed (i.e. stolen property), such as video recording by surveillance
- A suspect attempts to flee upon the Security Officer's approach

A Security Officer may take immediate action in detaining an individual when there is:

- Physical harm to any person(s)
- The obvious theft of personal and/or company property

In a non-accusatory manner, the individual being detained will be advised why they are being detained. A pat down search of detained individuals may be conducted for the protection and safety of the Security Officer. A Security Officer will not perform a pat down search of an individual of the opposite sex. Security Officers will render assistance to any individual in custody, who while in custody, experiences medical problems. A security incident report will be written concerning the incident. Security will notify the following via a security incident report or verbally:

- Illinois Gaming Board Casino Supervisor/Agent on duty
- Key executive management

Trespass Policy

This policy is established to reserve the right to refuse any service to patrons who may have violated any of the following:

- The patron has disrupted normal business activity
- The patron has made threats toward employees or patrons
- A person who has been arrested for a crime against the property
- For procedures for Illinois Gaming Board Statewide Voluntary Self-Exclusion Program refer to Section A under IGB Statewide Voluntary Self-Exclusion Program

In the event a patron has been trespassed, Security will notify the following via a security incident report or verbally:

- IGB Casino Supervisor/Agent on duty
- Key executive management

Emergencies

In the event of an emergency at Bally's Chicago, at a minimum the following procedures must be observed by property personnel. Individuals from Casino management, security, surveillance, IGB Casino Supervisor/Agent, the Chicago Police Department, the Chicago Fire Department and/or other persons as the emergency dictates, must be notified of the event or incident. The situation must be assessed, and personnel must be instructed to act in a reasonable, prudent manner. Assistance must be provided to law enforcement officials as directed. At the scene of an emergency, employees must conduct crowd control, secure the area and/or assist in the evacuation of patrons and other employees. The emergency must be documented on a security incident report. All procedures for specific emergency situations are outlined in the Bally's Chicago security manual prior to opening.

Eviction Procedures

Bally's Chicago reserves the right to evict any patron deemed to be detrimental to the Casino and, in connection with any such eviction, Bally's Chicago will work with the Chicago Police

Department as appropriate or necessary to ensure an orderly eviction from the Casino and surrounding area. If an eviction is determined to be necessary, the following will apply:

- Surveillance is notified
- The individual is escorted from the gaming area and, if necessary or appropriate, the surrounding area.

If an arrest occurs after initiating the eviction process, the procedures are:

- Surveillance will be notified
- The individual will be detained until the appropriate law enforcement agency arrives (and may be escorted to the security interview room)
- The security interview room will be in the back-of-the-house and will be equipped with surveillance coverage
- A pat down search may be conducted by a same sex Security Officer
- The arrestee will be detained in an area that allows video recording by surveillance
- A security incident report will be completed, and a copy will be forwarded to the Illinois Gaming Board Casino Supervisor/Agent

4. Attracting New Businesses, Tourists and Visitors to the Area around the Project Site

Bally's does not take a one-size-fits-all approach to marketing properties. Bally's programs and investments are tailored for each market in which we operate, the casino customers and guests we will attract, and our ability to execute on our plans in a manner that is seamless, disciplined, and outcome driven. For our partnership with the City of Chicago, we bring a unique expertise to the project. Along with our history of success in markets across the country, members of our team have had proven results right here in Chicagoland. Our Executive Vice President of Casino Operations & Chief Marketing Officer, as well as the marketing agency we anticipate working with, previously collaborated in building market leadership for the Horseshoe Hammond in Indiana. We will leverage that insight, combined with the best practices of our other properties, to create an efficient and successful marketing plan for Bally's Chicago. We envision the end result will enhance Chicago's position as a world-class destination and further elevate the city on the international stage.

The Bally's Chicago marketing and operational plan is designed to address three areas critical to success:

- 3-Dimensional Customer Acquisition (Marketing and Operations Plan)
 - Optimize marketing channels, player segmentation and geography to drive long-term acquisition and retention.
- Execution Excellence
 - Leverage deep expertise and proven experience to operate a world-class entertainment destination that is woven into the fabric of Chicago.
- Community Engagement and Assimilation
 - Create employment and career opportunities for Chicago residents, support, and visibility for local businesses, and promote Chicago as a world-class entertainment destination.

Advertising

The local/regional advertising campaign utilizing all media forms, including transit, print, broadcast and social, will create an outstanding level of brand awareness in the Chicago market.

Bally's Chicago investment in advertising will reap direct benefits to Chicago businesses and drive City of Chicago tax revenue. In the Chicago market, Bally's advertising agency will "buy local" rather than looking to a national representative firm based elsewhere. Bally's will purchase media through local station representatives, partners, and publications to keep those dollars directly in Chicago. Our media channels will reflect the diverse population of the city and infuse media dollars into MBE/WBE-owned groups, LGBTQ-focused media such as The Windy City Times, and other underrepresented stakeholders.

Promotions and Special Events

Bally's builds exciting and rewarding promotions and events at all of its casinos throughout the nation. To drive repeat visitation, Bally's will draw on its operational expertise to successfully program the promotions calendar. With something for everyone, to maximize both our reach and appeal, promotions will range from largescale giveaways to personalized incentives on a frequent basis. In addition to the guidance from our Chicago-based advertising and marketing firm, and our years of experience, we believe that we excel in executing effective promotions and special events by utilizing Chicago's natural appeal. As a result of our omni-channel experience we will be able to design promotions and special events that will attract more than our land-based customers. We have the ability to reach out to the expanded customer base in the interactive space, including the online mobile sports bettors, play-for-free gamers, and in the future, online casino bettors. Therefore, our promotions and events will be marketed across all channels, greatly expanding their effectiveness.

Community Rewards Programs

Bally Rewards is a four-tier loyalty card program that offers the most lucrative rewards in the business. Bally's Chicago loyalty card members will experience the value in their rewards locally, regionally, and nationally. A significant point of differentiation is that Bally's will create a community rewards program where members can redeem their points at local small businesses, as opposed to solely within Bally's Chicago. Our localized rewards program will allow local businesses to participate in Bally Rewards. To stimulate the use of members' rewards at local businesses, a "virtual mall" will be attached to the gift shop where customers can view in real-time what is available at these businesses. This type of partnership will bring value to the customer and revenue to the local business partners.

This unique approach is a win-win for all involved. The casino offers a viable rewards program and local Chicago businesses win from patronage generated by the program. It should be noted that the reward redemption that occurs is not the only benefit. Additional advertising and awareness will be generated and built around the customer basis. This is an expense that the small business could not spend on their own and now they are in front of thousands of Bally's customers.

5. Use of Customer Base to Support the Project

Bally's Chicago will develop a brand advertising and promotions campaign long before opening that is designed to build a strong database of entertainment-seekers and casino customers.

Tiered Card Match Program

This action will require direct participation and result in capturing vital database information before the new facility opens. In addition, Bally's Chicago will advertise a tiered card match program for every customer who plays in Chicagoland. This is a popular and successful initiative that invites players from other casinos to immediately receive a comparable players club card without having to earn status through their play.

Precision Marketing Program

Over time we have developed a proprietary, algorithmic approach to better understand customer behavior as it relates to visitation, and with this information we design offers to reclaim the customers' participation in real time. This is our Precision Marketing program, and it is the foundation of our success in every market in which we operate. Precision Marketing will be installed in Chicago to provide us with customer trip patterns, which will enable us to incentivize and target customers at the right time with the right offer. Bally's will capitalize on our Midwest properties by creating a rewards program to drive those customers to Chicago as an extraordinary reward. While Bally's Chicago casino is growing and moving to its permanent location, customers will be introduced to Bally's omni-channel experience offering mobile sports betting, daily fantasy sports, and free-to-play games. Additionally, all gaming customers within the omni-channel structure will be educated on the Bally's Chicago experience.

VIP Marketing / Player Development

VIP Marketing will be instrumental in promoting Bally's Chicago as a world-class gaming destination and establishing the property as a must-visit for guests seeking a world-class entertainment experience. A significant percentage of gaming revenue comes from only 20% of the customers. Hence, we will deploy a player development team that will build significant VIP relationships providing all of the services desired by high value customers. In addition to what the casino has to offer (restaurants, hotels, promotions, and entertainment), Bally's will leverage the many attractions of the City of Chicago (restaurants, sports, arts and culture and city-wide events) to satisfy the interest of these customers. With Precision Marketing, the player development team will be able to immediately identify changes in customers' trip patterns and enable us to reach out in a very personal and effective manner. Player development representatives will provide 5-star service and a 1:1 approach to ensure the personal experience that our most valued customers expect. Using our proprietary sales tool our representatives will be efficiently reaching the right customers at the right time with the right incentives.

Marketing Point of Diminishing Returns

As a company, our marketing success has been linked to our ability to be agile and think differently than our competition. While many casino companies take a conservative approach

to marketing reinvestment, we believe that the best results are achieved through an aggressive marketing strategy. Across our portfolio, we've been able to drive significantly more revenues through marketing to the point of diminishing returns. By adding additional events and targeted offers, we've produced incremental gaming trips from all segments. Bally's has shown a consistent track record of producing above industry results through its strategic marketing approach. Our comprehensive database marketing program builds relationships with our customers. We look to introduce, grow and maintain our guest lifecycle through delivering value with our marketing. We do this at our core through an aggressive promotional calendar that targets different segments, at different times, with unique marketing. We build our customer loyalty through additional offers, events and promotions. By focusing on delivering our customers value we believe this creates the best approach to long term sustainable growth.

6. Implementing the Theme and Targeting Market Segments for the Permanent Project

Theme for the Project is "The Best of Chicago" by highlighting Chicago's building design, arts and culture, sports and food.

- Building Design - Contemporary structure contemplating Chicago's landscape
- Arts & Culture - Approximately 23,000 SF exhibit museum used to showcase immersive rotating exhibits
- Sports - Feature Chicago sports and history exhibits

OTHER AGREEMENTS

Section 1. Definitions

For purposes of Exhibit A-8, the terms defined herein below shall have the following meanings:

“**Activities**” means all of the obligations undertaken by the Contractor under this Agreement, including designing, building, and operating the Project.

“**Subcontractor**” includes all contractors, suppliers and materialmen of any tier, whether in direct privity or not with the Developer (including without limitation design firms, construction contractors, and the Casino Manager), and which Developer uses to perform the Activities under the Agreement.

“**Subcontracts**” means all oral or written agreements with Subcontractors.

Section 2. Agreements with Subcontractors

(A) Developer shall comply and shall include in all of its agreements entered into in connection with or pursuant to the performance of any acts or obligations under this Agreement a requirement that its Subcontractors comply, with all applicable federal, state, and local laws, codes, regulations, ordinances, executive orders, rules, and orders.

(B) Developer agrees that all of the applicable provisions set forth in this Exhibit will be incorporated in all of its agreements entered into in connection with or pursuant to the performance of any acts or obligations under this Agreement.

(C) Further, Developer shall execute, and shall include in all of its agreements entered into in connection with or pursuant to the performance of any acts or obligations under this Agreement a requirement that its Subcontractors execute, such affidavits and certifications as shall be required by the City setting forth Developer’s and its Subcontractor’s, as applicable, agreement to comply with all applicable federal, state, and local laws, codes, regulations, ordinances, executive orders, rules, and orders. Such certifications shall be attached and incorporated by reference in the applicable agreements.

(D) In the event that any Subcontractor is a partnership or joint venture, Developer shall also include provisions in its agreement with the Subcontractor ensuring that the entities comprising such partnership or joint venture shall be jointly and severally liable for its obligations thereunder.

(E) Developer has not and will not use the services of any person or entity for any purpose in its performance of Activities under this Agreement, when Developer has actual knowledge (or would have had such knowledge after due inquiry) that such person or entity is

ineligible to perform services under this Agreement or in connection with it, as a result of any local, state or federal law, rule or regulation.

Section 3. Disclosures and Licenses

(A) Developer has provided the City with an Economic Disclosure Statement and Affidavit ("**EDS**") for itself and EDSs for all entities with an ownership interest of 7.5 percent or more in Developer, which is attached hereto copies of which have been scanned for viewing on the City's website. Upon request by the City, Developer must further cause its Subcontractors, and proposed transferees (and their respective 7.5 percent owners) to submit an EDS to the City. Developer must provide the City, upon request, a "no change" affidavit if the information in the EDS(s) previously supplied remains accurate, or revised and accurate EDS(s) if the information contained in the EDS(s) has changed. In addition, Developer must provide the City revised and accurate EDS(s) within 30 days of any event or change in circumstance that renders the EDS(s) inaccurate. Failure to maintain accurate EDS(s) on file with the City is an Event of Default.

(B) Developer warrants and covenants that the disclosures made in its EDS are true and agrees to update its EDS promptly from time to time if they are no longer true.

(C) Developer's EDS contains a certification as required under the Illinois Criminal Code, 720 ILCS 5/33E, and under the Illinois Municipal Code, 65 ILCS 5/8 10 1 et seq. Ineligibility under Section 2-92-320 of the Municipal Code continues for 3 years following any conviction or admission of a violation of Section 2-92-320. For purposes of Section 2-92-320, when an official, agent or employee of a business entity has committed any offense under the section on behalf of such an entity and under the direction or authorization of a responsible official of the entity, the business entity is chargeable with the conduct. If, after Developer enters into a contractual relationship with a Subcontractor, it is determined that Subcontractor is in violation of Section 2-92-320, Developer must immediately cease to use the Subcontractor. All Subcontracts must provide that Developer is entitled to recover all payments made by it to the Subcontractor if, before or subsequent to the beginning of the contractual relationship, the use of the Subcontractor would be violative of this subsection.

(D) Developer must in a timely manner consistent with its obligations under this Agreement, secure and maintain, or cause to be secured and maintained at its expense, the permits, licenses, authorizations and approvals as are necessary under federal, state or local law for Developer and Subcontractors: to construct, operate, use and maintain the Casino; and otherwise to comply with the terms of this Agreement and the privileges granted under this Agreement. Developer must promptly provide copies of any required licenses and permits to the City.

Section 4. Compliance with Laws

(A) Developer must at all times observe and comply with all applicable laws, statutes, ordinances, rules, regulations, court orders and executive or administrative orders and directives of the federal, state and local government, now existing or later in effect (whether or not the law also requires compliance by other parties), including the Americans with Disabilities Act and Environmental Laws, that may in any manner affect the performance of this Agreement

(collectively, "**Laws**"), and must not use the Casino in violation of any Laws or in any manner that would impose liability on the City or Developer under any Laws. Developer must notify the City within ten business days of receiving notice from a competent governmental authority that Developer or any of its Subcontractors may have violated any Laws. Provisions required by any Law to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement. Without limiting the foregoing, Developer covenants that it will comply with all Laws, including but not limited to the following:

(B) 2014 Hiring Plan Prohibitions

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "**2014 City Hiring Plan**") entered in *Shakman v. Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of paragraph B above, or advocating a violation of paragraph C above, Developer will, as soon as is reasonably practicable, report such communication to the

Hiring Oversight Section of the City's Office of the Inspector General. Developer will also cooperate with any inquiries by OIG Hiring Oversight.

Section 5. Non Discrimination

(A) Developer for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration of this Agreement, covenants that: (i) no person on the grounds of race, color, or national origin will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in the use of the Casino; (ii) in the construction of any improvements within the Casino and the furnishing of services in them, no person on the grounds of race, color, or national origin will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination; (iii) Developer will use the Casino in compliance with all other requirements imposed by or under 49 C.F.R. Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as those regulations may be amended; and (iv) Developer shall operate the Casino on a fair, equal, and not illegally discriminatory basis to all users of it, and shall charge fair, reasonable, and nondiscriminatory prices for products (but Developer is allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers or as otherwise commercially reasonable.) In addition, Developer assures that it will comply with all other pertinent statutes, Executive Orders and the rules as are promulgated to assure that no person will, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefitting from federal assistance.

(B) It is an unlawful practice for Developer to, and Developer must at no time: (i) fail or refuse to hire, or discharge, any individual or discriminate against the individual with respect to his or her compensation, or the terms, conditions, or privileges of his or her employment, because of the individual's race, creed, color, religion, sex, age, handicap or national origin; or (ii) limit, segregate, or classify its employees or applicants for employment in any way that would deprive any individual of employment opportunities or otherwise adversely affect his or her status as an employee, because of the individual's race, creed, color, religion, sex, age, handicap or national origin; or (iii) in the exercise of the privileges granted in this Agreement, discriminate or permit discrimination in any manner, including the use of the Casino, against any person or group of persons because of race, creed, color, religion, national origin, age, handicap, sex or ancestry. Developer must post in conspicuous places to which its employees or applicants for employment have access, notices setting forth the provisions of this non-discrimination clause.

(C) Developer must comply with the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended, and to the extent required by the law, must undertake, implement and operate an affirmative action program in compliance with the rules and regulations of the Federal Equal Employment Opportunity Commission and the Office of Federal Contract Compliance, including 14 CFR Part 152, Subpart E. (1990)

and 49 CFR Part 21, as amended (the "ADA"); and all other applicable federal statutes, regulations and other laws.

(D) Developer must comply with the Illinois Human Rights Act, 775 ILCS 5/1 101 et seq. as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 5 Ill. Admin. Code §750 Appendix A. Furthermore, Developer must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq., as amended, and all other applicable state statutes, regulations and other laws..

(i) State of Illinois Equal Employment Opportunity Clause.

In the event of the Developer's non-compliance with the provisions of this Equal Employment Opportunity Clause or the Illinois Human Rights Act, the Developer may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be cancelled or voided in whole or in part, and other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. During the performance of this contract, the Developer agrees as follows:

- a. That Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service (to the extent that such unfavorable discharge is not the result of conduct that would otherwise constitute grounds for refusal of employment under this Agreement); and, further, that he or she will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any underutilization.
- b. That, if Developer hires additional employees in order to perform this Agreement or any portion of this Agreement, Developer will determine the availability (in accordance with 44 Ill. Admin. - c. That, in all solicitations or advertisements for employees placed by Developer or on Developer's behalf, Developer will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service.
- d. That Developer will send to each labor organization or representative of workers with which Developer has or is bound by a collective bargaining or other agreement or understanding, a notice advising the labor organization or representative of the Developer's obligations under the Illinois Human Rights Act and 44 Ill. Admin. Code Part 750. If any labor organization or representative fails or refuses to cooperate with

the Developer in Developer's efforts to comply with the Act and this Part, the Developer will promptly notify the Illinois Department of Human Rights and the City and will recruit employees from other sources when necessary to fulfill its obligations under the contract.

- e. That Developer will submit reports as required by 44 III. Admin. Code Part 750, furnish all relevant information as may from time to time be requested by the Illinois Department of Human Rights or the City, and in all respects comply with the Illinois Human Rights Act and 44 III. Admin. Code Part 750.
- f. That Developer will permit access to all relevant books, records, accounts and work sites by personnel of the City and the Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Illinois Department of Human Rights' Rules and Regulations.
- g. That Developer will include verbatim or by reference the provisions of this clause in every subcontract awarded under which any portion of the contract obligations are undertaken or assumed, so that the provisions will be binding upon the subcontractor. The Developer will not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

(E) Developer must comply with the Chicago Human Rights Ordinance, sec. 2-160-010 et seq. of the Municipal Code, as amended, and all other applicable City ordinances and rules. Further, Developer must furnish or must cause each of its Subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

(F) Developer must insert these non-discrimination provisions in any agreement by which Developer grants a right to any person, firm, or corporation to render accommodations and/or services to the public in the Casino. To the extent required by applicable law, Developer must incorporate all of the above provisions in all agreements entered into with any sublicensees, suppliers of materials, furnishers of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement, and Developer must require them to comply with the law and enforce the requirements. In all solicitations either by competitive bidding or negotiations by Developer for work to be performed under a Subcontract, including procurements of materials or Licenses of equipment, each potential Subcontractor or supplier must be notified by Developer of the Developer's obligations under this Agreement relative to nondiscrimination.

(B) Developer represents that it, and to the best of its knowledge, its Subcontractors, if any (Developer and its Subcontractors being collectively referred to in this Section as "**Contracting Parties**"), presently have no direct or indirect interest that would conflict in any manner or degree with the performance of its Activities under this Agreement.

(C) Further, Contracting Parties must not assign any person having any conflicting interest to perform any Activities under this Agreement or have access to any confidential information.

- (2) Contractor shall not seek an applicant's wage or salary history, including benefits or other compensation, from any current or former employer.

If Contractor violates the above requirements, Contractor may be deemed ineligible to contract with the City; any contract, extension, or renewal thereof awarded in violation of the above requirements may be voidable at the option of the City. Provided, however, that upon a finding of a violation by Contractor, no contract shall be voided, terminated, or revoked without

consideration by the Chief Procurement Officer of such action's impact on the Contractor's MBE or WBE subcontractors.

This Transfer Restriction Agreement ("**TRA**") is made as of this ___ day of _____, 20___, by _____ limited liability company ("**Casino Manager**"), having its office at _____ to and for the benefit of the City of Chicago, Illinois, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois (the "**City**"). The Casino Manager and the City shall be referred to herein individually as a "**Party**" and collectively as the "**Parties**".

RECITALS

A. On June 28, 2019, the Governor of the State of Illinois (the "**State**") signed into law Public Act 101-0031, which public act significantly expanded gaming throughout the State by, among other things, amending the Illinois Gambling Act, 230 ILCS 10/1-et seq., as amended from time to time (the "**Act**") and authorizing the Illinois Sports Wagering Act, 230 ILCS 45/25 et seq., as amended from time to time (the "**Sports Wagering Act**").

B. _____, an Illinois limited liability company (the "**Developer**") and the City have executed that certain Host Community Agreement dated _____, 20___, as the same may from time to time be amended ("**Agreement**," with capitalized terms herein having the same meaning as therein defined, unless expressly otherwise defined herein), which Agreement sets forth the terms and conditions upon which Developer has agreed to develop, construct, operate and maintain a casino, including all buildings, hotel structures, recreational or entertainment facilities, restaurants or other dining facilities, bars and lounges, retail stores or other amenities, back office facilities and improvements developed, constructed, used or maintained by Developer in connection with the casino (the "**Project**").

C. Casino Manager will be engaged by Developer to provide casino resort development and management services to Developer pursuant to the terms of a Management Agreement to be entered into between the Developer and Casino Manager, as the same may from time to time be amended ("**Management Agreement**").

D. Casino Manager, by virtue of entering into the Management Agreement with Developer, will benefit from the financial success of Developer.

E. The City is relying upon Developer and the Casino Manager in the exercise of their respective skill, judgment, reputation and discretion with respect to the Project.

F. The execution and delivery of this TRA is required under the terms of the Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and in order to induce the City to execute and deliver the Agreement, Casino Manager, acknowledging that, but for the execution and delivery of this TRA, the City would not have entered into the Agreement with Developer, hereby covenants and agrees as follows:

1. Without first obtaining the prior written consent of the City, the Casino Manager shall not permit or engage in the following transfers (each a “**Restricted Transfer**”):

(a) consummate a sale of all or substantially all of its assets;

(b) consummate a merger or consolidation with any other corporation or entity, other than a merger or consolidation which would result in the voting securities of the Casino Manager outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into the voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Casino Manager or such surviving entity outstanding immediately after such merger or consolidation;

(c) liquidate all or substantially all of its assets;

(d) (i) change its ownership through a transaction or a series of related transactions, such that any person or entity is or becomes the beneficial owner, directly or indirectly, of securities in the Casino Manager representing more than fifty percent (50%) of either the combined voting power of the voting securities or the economic interests of the Casino Manager, or (ii) otherwise allow or experience a change in Control of the Casino Manager; or

(e) transfer, whether by assignment or otherwise, the Management Agreement.

2. Nothing contained in this TRA shall prevent (i) the delegation of certain duties and responsibilities regarding the Project to third parties so long as (x) such delegation is ordinary and customary in the casino industry, and (y) the Casino Manager remains the primary provider of overall services and continues to exercise ultimate operational control over the Project, (ii) a pledge or a grant of a security interest by the Casino Manager of its assets, ownership interests or its direct or indirect interest in Developer or the Management Agreement to one or more an institutional lender(s), provided that the prior written consent of the City shall be required if any such institutional lenders in the exercise of their remedies desires to affect a Restricted Transfer, and (iii) the Board from authorizing the appointment of an interim casino manager under the Act.

3. The procedure for obtaining approval of a Restricted Transfer by the City under this TRA shall be as follows:

(a) Casino Manager shall notify the City as promptly as practicable upon Casino Manager becoming aware of any Restricted Transfer or proposed Restricted Transfer. The City shall have a period of thirty (30) calendar days to consider a Restricted Transfer after a written request for approval of such Restricted Transfer has been provided to the City by the Casino Manager. If the City fails to take any action concerning a proposed Restricted Transfer within such 30-day period, the Restricted Transfer shall be deemed to have been approved. The Casino Manager shall provide the City with such information as the City may reasonably request regarding such Restricted Transfer to the extent that such information is either in possession of the Casino Manager or reasonably accessible by it. Pursuant to the request of either Party, the Casino Manager and the City agree to meet and confer during the review process to discuss any proposed Restricted Transfer.

(b) [Intentionally Omitted].

(c) In the event that the City shall withhold approval of any Restricted Transfer, such withholding of approval shall be in writing and shall set forth with reasonable specificity each of the reasons why such approval has been withheld. In the event that the Casino Manager disputes the withholding of such approval, then the Casino Manager shall have the right to invoke the dispute resolution provisions set forth in this TRA.

4. Each Party hereby represents and warrants that:

(a) it is duly organized, validly existing and in good standing under the applicable laws of the jurisdiction of its formation, with full power and authority to execute and deliver this TRA and consummate the transactions contemplated hereby; and

(b) the execution and delivery of this TRA and the consummation and performance by it of the transactions contemplated hereby: (1) have been duly authorized by all actions required under the terms and provisions of the instruments governing its existence ("**Governing Instruments**") and the laws of the jurisdiction of its formation; (2) create legal, valid and binding obligations of it enforceable in accordance with the terms hereof, subject to the effect of any applicable bankruptcy, moratorium, insolvency, reorganization or other similar law affecting the enforceability of creditors' rights generally and to the effect of general principles of equity which may limit the availability of equitable remedies (whether in a proceeding at law or in equity); (3) does not require the approval or consent of any federal, state, county or municipal governmental authority, agency or instrumentality, including the City, State or the United States and all executive, legislative, judicial and administrative departments and bodies thereof (each a "**Governmental Authority**") having jurisdiction over it, except those already obtained; and (4) do not and will not constitute a violation of, or default under, its Governing Instruments, the Act, the Sports Wagering Act, and all laws, ordinances, statutes, executive orders, rules, zoning requirements and agreements of any Governmental Authority that are applicable to the acquisition, remediation, renovation, demolition, development, construction and operation of the Project, including all required permits, approvals and rules, guidelines or restrictions enacted or imposed by Governmental Authorities, but only to the extent that such laws, ordinances, statutes, executive orders, zoning requirements, agreements, permits, approvals, rules, guidelines and restrictions are valid and binding on Casino Manager (the "**Government Requirements**"), agreement, commitment or instrument to which it is a party or by which any of its assets are bound, except for such violations or defaults under any Government Requirements, agreements, commitments or instruments that would not result in a material adverse change in the condition, financial or otherwise, or in the results of operations or business affairs of the Casino Manager and its subsidiaries, considered as one enterprise; and

(c) a true, complete and accurate copy of the Casino Manager's operating agreement dated _____ is attached hereto as Exhibit E-1.

5. Each Party covenants with the other Party as follows:

(a) none of the representations and warranties of such Party in this TRA contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained therein or herein, in the light of the circumstances under which they were made, not misleading.

(b) Casino Manager shall give notice to the City promptly upon the occurrence of any Event of Default (hereinafter defined). Each notice pursuant to this subparagraph shall be accompanied by a statement setting forth details of the Event of Default referred to therein and stating what action Casino Manager proposes to take with respect thereto.

(c) the Casino Manager agrees, upon the reasonable request of the City, to do any act or execute any additional documents as may be reasonably required by the City to accomplish or further confirm the provisions of this TRA.

6. The City may declare Casino Manager to be in default under this TRA upon the occurrence of any of the following events ("**Events of Default**"):

(a) If Casino Manager fails to comply with any material covenants and agreements made by it in this TRA (other than those specifically described in any other subparagraph of this paragraph 6) and such noncompliance continues for fifteen (15) days after written notice from the City, provided, however, that if any such noncompliance is reasonably susceptible of being cured within thirty (30) days, but cannot with due diligence be cured within fifteen (15) days, and if Casino Manager commences to cure any noncompliance within said fifteen (15) days and diligently prosecutes the cure to completion, then Casino Manager shall not during such period of diligently curing be in default hereunder as long as such default is completely cured within thirty (30) days of the first notice of such default to Casino Manager;

(b) If any representation or warranty made by Casino Manager hereunder was false or misleading in any material respect as of the time made;

FORM OF RESTRICTED PARTY RADIUS RESTRICTION AGREEMENT¹

This Radius Restriction Agreement (“**RRA**”) is made as of this ____ day of _____, 20__, by _____ (the “**Restricted Party**”), having its office at _____ to and for the benefit of the City of Chicago, Illinois, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois (the “**City**”). Restricted Party and the City shall be referred to herein individually as a “**Party**” and collectively as the “**Parties**”.

RECITALS

A. _____, LLC, an Illinois limited liability company (the “**Developer**”), and the City have executed that certain Host Community Agreement dated _____, 20__, as the same may from time to time be amended (“**Agreement**,” with capitalized terms herein having the same meaning as therein defined, unless expressly otherwise defined herein), which Agreement sets forth the terms and conditions upon which Developer has agreed to develop, construct, operate and maintain the Project.

B. The Restricted Party, as an indirect owner of Developer who is not a Passive Investor, will benefit from the financial success of Developer.

C. The execution and delivery of this RRA is required under the terms of the Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and in order to induce the City to execute and deliver the Agreement, the Restricted Party, acknowledging that, but for the execution and delivery of this RRA, the City would not have entered into the Agreement with Developer, hereby covenants and agrees as follows:

1. The Restricted Party shall not itself, directly or indirectly, nor permit any of its subsidiaries or any Persons controlled by it, directly or indirectly, to: (i) manage, operate or become financially interested in any casino, whether land based or riverboat, or in any other establishment at which Gambling Games or historical horse racing are authorized (a “**Restricted Activity**”), within the Restricted Area other than the Project; (ii) make application for any franchise, permit or license to manage or operate any Restricted Activity within the Restricted Area other than the Project; or (iii) respond positively to any request for proposal to develop, manage, operate or become financially interested in any Restricted Activity within the Restricted Area (the “**Radius Restriction**”) other than the Project.

2. It is the desire of the Parties that the provisions of this RRA be enforced to the fullest extent permissible under the laws and public policies in each jurisdiction in which enforcement might be sought. Accordingly, if any particular portion of this RRA shall ever be adjudicated as invalid or unenforceable, or if the application thereof to any Party or circumstance shall be adjudicated to be prohibited by or invalidated by such laws or public policies, such section

¹ Certain provisions of this Agreement will need to be modified for the Restricted Parties who are individuals

or sections shall be (i) deemed amended to delete therefrom such portions so adjudicated or (ii) modified as determined appropriate by such a court, such deletions or modifications to apply only with respect to the operation of such section or sections in the particular jurisdictions so adjudicating on the Parties and under the circumstances as to which so adjudicated.

3. The Restricted Party hereby represents and warrants that:

(a) it is duly organized, validly existing and in good standing under the applicable laws of the jurisdiction of its formation, with full power and authority to execute and deliver this RRA and consummate the transactions contemplated hereby; and

(b) the execution and delivery of this RRA and the consummation and performance by it of the transactions contemplated hereby: (1) have been duly authorized by all actions required under the terms and provisions of the instruments governing its existence ("**Governing Instruments**") and the laws of the jurisdiction of its formation; (2) create legal, valid and binding obligations of it enforceable in accordance with the terms hereof, subject to the effect of any applicable bankruptcy, moratorium, insolvency, reorganization or other similar law affecting the enforceability of creditors' rights generally and to the effect of general principles of equity which may limit the availability of equitable remedies (whether in a proceeding at law or in equity); (3) do not require the approval or consent of any Governmental Authority having jurisdiction over it, except those already obtained; and (4) do not and will not constitute a violation of, or default under, its Governing Instruments, any Government Requirements, agreement, commitment or instrument to which it is a party or by which any of its assets are bound, except for such violations or defaults under any Government Requirements, agreements, commitments or instruments that would not result in a material adverse change in the condition financial or otherwise, or in the results of operations or business affairs of the Restricted Party and its subsidiaries, considered as one enterprise.

4. The Restricted Party covenants with the City as follows:

(a) none of the representations and warranties in this RRA contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained therein or herein not misleading;

(b) the Restricted Party shall give notice to the City promptly upon the occurrence of any Event of Default. Each notice pursuant to this subparagraph shall be accompanied by a statement setting forth details of the Event of Default referred to therein and stating what action Related Party proposes to take with respect thereto; and

5. The City may declare the Restricted Party to be in default under this RRA upon the occurrence of any of the following events (each, an "**Event of Default**"):

(a) If the Restricted Party fails to comply with any covenants and agreements made by it in this RRA and such noncompliance continues for thirty (30) days after written notice from the City, provided, however, that if any such noncompliance is reasonably susceptible of being cured within sixty (60) days, but cannot with due diligence be cured within thirty (30) days, and if the Restricted Party commences to cure any noncompliance

within said thirty (30) days and diligently prosecutes the cure to completion, then the Restricted Party shall not during such period of diligently curing be in default hereunder as long as such default is completely cured within sixty (60) days of the first notice of such default to the Restricted Party; and

(b) If any representation or warranty made by the Restricted Party hereunder was false or misleading in any material respect as of the time made.

6. Remedies:

(a) Upon an Event of Default, the City shall have the right if it so elects to: (i) any and all remedies available at law or in equity; or (ii) institute and prosecute proceedings to enforce in whole or in part the specific performance of this RRA by the Restricted Party, or to enjoin or restrain the Restricted Party from commencing or continuing said breach, or to cause by injunction the Restricted Party to correct and cure said breach or threatened breach without the need to post any bond therefor. None of the remedies enumerated herein is exclusive and nothing herein shall be construed as prohibiting the City from pursuing any other remedies at law, in equity or otherwise available to it under this RRA, including seeking damages for breach of this Agreement.

(b) The rights and remedies of the City whether provided by law or by this RRA, shall be cumulative, and the exercise by the City of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same default or breach, to the extent permitted by law. No waiver made by the City shall apply to obligations beyond those expressly waived in writing.

7. If any of the provisions of this RRA, or the application thereof to any Person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this RRA, or the application of such provision or provisions to Persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected thereby, and every provision of this RRA shall be valid and enforceable to the fullest extent permitted by law.

8. This writing is intended by the Parties as a final expression of this RRA, and is intended to constitute a complete and exclusive statement of the term of the agreement among the Parties. There are no promises or conditions, expressed or implied, unless contained in this writing. No course of dealing, course of performance or trade usage, and no parol evidence of any nature, shall be used to supplement or modify the terms of this RRA. No amendment, modification, termination or waiver of any provision of this RRA, shall in any event be effective unless the same shall be in writing and signed by the City, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No waiver shall be implied from the City's delay in exercising or failing to exercise any right or remedy against Developer or any Restricted Party in connection with any radius restriction imposed on Developer or any Restricted Party under the Agreement or under any other Radius Restriction Agreement.

9. Notices shall be given as follows:

(a) Any notice, demand or other communication which any Party may desire or may be required to give to any other Party hereto shall be in writing delivered by (i) hand-delivery, (ii) a nationally recognized overnight courier, or (iii) mail (but excluding electronic mail, i.e., "**e-mail**") addressed to a Party at its address set forth below, or to such other address as the Party to receive such notice may have designated to all other Parties by notice in accordance herewith:

12. This RRA shall be governed by, and construed in accordance with, the local laws of the State without application of its law of conflicts principles.

13. Submission to Jurisdiction

(a) The Parties expressly agree that the sole and exclusive place, status and forum of this RRA shall be the City. All actions and legal proceedings which in any way relate to this RRA shall be solely and exclusively brought, heard, conducted, prosecuted, tried and determined within the City. It is the express intention of the Parties that the exclusive venue of all legal actions and procedures of any nature whatsoever which related

2. Except as provided below, Developer may make, and Casino Manager may accept, the Management Payments in accordance with the terms of the Management Agreement, so long as at the time of, and after giving effect to, the making of such payments, no Casino Manager Default has occurred or would occur. If at any time a Casino Manager Default has occurred and is continuing, then Developer shall not make, and the Casino Manager shall not accept, any Management Payments and shall not take any steps, whether by suit or otherwise, to compel or force the payment of the Management Payments nor use the Management Payments by way of counterclaim, set-off, recoupment or otherwise so as to diminish, discharge or otherwise satisfy in whole or in part any liability of the Casino Manager to the City, whether now existing or hereafter arising, until such time as the City has advised Casino Manager in writing that such Casino Manager Default has been cured or is no longer continuing. "**Casino Manager Default**" shall mean a "Default" as defined in the Agreement or "Event of Default" as defined in this Subordination Agreement.

3. In the event of any distribution, dividend, or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, of all or any part of the assets of the Developer or of the proceeds thereof to the creditors of the Developer or upon any indebtedness of the Developer, occurring by reason of the liquidation, dissolution, or other winding up of the Developer, or by reason of any execution sale, or bankruptcy, receivership, reorganization, arrangement, insolvency, liquidation or foreclosure proceeding of or for the Developer or involving its property, no dividend, distribution or application shall be made, and the Casino Manager shall not be entitled to receive or retain any dividend, distribution, or application on or in respect of any Management Payments, unless and until all Developer Payment Obligations then outstanding (including, without limitation, all principal, interest, fees, and expenses, including post-petition interest in a bankruptcy or similar proceeding whether or not allowed) shall have been paid and satisfied in full in cash (or cash equivalents acceptable as such to the holder thereof), and in any such event any dividend, distribution or application otherwise payable in respect of Management Payments shall be paid and applied to the Developer Payment Obligations until such Developer Payment Obligations have been fully paid and satisfied.

4. If notwithstanding the provisions of this Subordination Agreement, Casino Manager shall receive payment of any Management Payments which the Developer is not entitled to make pursuant to the terms hereof, whether or not the Casino Manager has knowledge that the Developer is not entitled to make such payment, the Casino Manager shall properly account for such payment and agrees to turn over to the City such payments within fifteen (15) days after the City has given Casino Manager written demand.

5. The City may, at any time and from time to time, without the consent of or notice to Casino Manager, all such notice being hereby waived, and without incurring responsibility to the Casino Manager or impairing, releasing or otherwise affecting this Subordination Agreement:

(a) amend, restate or otherwise modify the terms of the Agreement, including, without limitation, any amendment or modification which increases or decreases the amount of any Developer Payment Obligation or otherwise modifies the terms of any Developer Payment Obligation or creates any new Developer Payment Obligation;

(b) grant an extension of the Term;

(c) defer Developer Payment Obligations or enter into a workout agreement on the Developer Payment Obligations;

(d) declare a Casino Manager Default and notify Casino Manager to stop accepting Management Payments; or

(e) agree to release, compromise or settlement of Developer Payment Obligations.

6. Casino Manager will not sell, assign or otherwise transfer the Management Agreement or its right to receive any Management Payments thereunder, or any part thereof, except upon written agreement of the transferee or assignee to abide by and be bound by the terms hereof.

7. Casino Manager hereby represents and warrants that:

(a) it is duly organized, validly existing and in good standing under the applicable laws of the jurisdiction of its formation, with full power and authority to execute and deliver and become bound by this Subordination Agreement and to consummate the transactions contemplated hereby; and

(b) the execution and delivery of this Subordination Agreement and the consummation and performance by it of the transactions contemplated hereby: (1) have been duly authorized by all actions required under the terms and provisions of the instruments governing its existence ("**Governing Instruments**") and the laws of the jurisdiction of its formation; (2) create legal, valid and binding obligations of it enforceable in accordance with the terms hereof, subject to the effect of any applicable bankruptcy, moratorium, insolvency, reorganization or other similar law affecting the enforceability of creditors' rights generally and to the effect of general principles of equity which may limit the availability of equitable remedies (whether in a proceeding at law or in equity); (3) does not require the approval or consent of any Governmental Authority having jurisdiction over it, except those already obtained; and (4) do not and will not constitute a violation of, or default under, its Governing Instruments, any Government Requirements, agreement, commitment or instrument to which it is a party or by which any of its assets are bound, except for such violations or defaults under any Government Requirements, agreements, commitments or instruments that would not result in a material adverse change in the condition, financial or otherwise, or in the results of operations or business affairs of the Casino Manager and its subsidiaries, considered as one enterprise.

8. Casino Manager covenants with the City as follows:

(a) Casino Manager shall give notice to the City promptly upon the occurrence of any Event of Default. Each notice pursuant to this subparagraph shall be accompanied by a statement setting forth details of the Event of Default referred to therein and stating what action Casino Manager proposes to take with respect thereto.

(b) Casino Manager agrees, upon the reasonable request of the City, to do any act or execute any additional documents as may be reasonably required by the City to accomplish or further confirm the provisions of this Subordination Agreement.

9. The City may declare Casino Manager to be in default under this Subordination Agreement upon the occurrence of any of the following events (each an "**Event of Default**").

(a) If Casino Manager fails to comply with any covenant or agreement made by it in this Subordination Agreement (other than those specifically described in any other subparagraph of this paragraph 9) and such noncompliance continues for thirty (30) days after written notice from the City;

(b) If any representation or warranty made by Casino Manager hereunder was false or misleading in any material respect as of the time made;

(c) If any of the following events occur with respect to Casino Manager: (i) by order of a court of competent jurisdiction, a receiver, liquidator or trustee of Casino Manager or of any of the property of Casino Manager (other than non-material property and with respect to which the appointment hereinafter referred to would not materially adversely affect the financial condition of Casino Manager) shall be appointed and shall not have been discharged within ninety (90) days; (ii) a petition in bankruptcy, insolvency proceeding or petition for reorganization shall have been filed against Casino Manager and same is not withdrawn, dismissed, canceled or terminated within ninety (90) days; (iii) Casino Manager is adjudicated bankrupt or insolvent or a petition for reorganization is granted (without regard for any grace period provided for herein); (iv) if there is an attachment or sequestration of any of the property of Casino Manager and same is not discharged or bonded over within ninety (90) days; (v) if Casino Manager files or consents to the filing of any petition in bankruptcy or commences or consents to the commencement of any proceeding under the Federal Bankruptcy Code or any other law, now or hereafter in effect, relating to the reorganization of Casino Manager or the arrangement or readjustment of the debts of Casino Manager; or (vi) if Casino Manager shall make an assignment for the benefit of its creditors or shall admit in writing its inability to pay its debts generally as they become due or shall consent to the appointment of a receiver, trustee or liquidator of Casino Manager or of all or any material part of its property;

(d) If Casino Manager ceases to do business or terminates its business for any reason whatsoever or shall cause or institute any proceeding for the dissolution of Casino Manager; or

(e) If Casino Manager takes any action for the purpose of terminating, repudiating or rescinding this Subordination Agreement.

10. Remedies:

(a) Upon an Event of Default, the City shall have the right if it so elects to: (i) any and all remedies available at law or in equity; or (ii) institute and prosecute proceedings to enforce in whole or in part the specific performance of this Subordination Agreement by Casino Manager, or to enjoin or restrain Casino Manager from commencing or continuing said breach, or to cause by injunction Casino Manager to correct and cure said breach or threatened breach without the need to post any bond therefor. None of the remedies enumerated herein is exclusive and nothing herein shall be construed as prohibiting the City from pursuing any other remedies at law, in equity or otherwise available to it under this Subordination Agreement, including seeking damages for breach of this Agreement.

(b) The rights and remedies of the City whether provided by law or by this Subordination Agreement, shall be cumulative, and the exercise by the City of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same default or breach, to the extent permitted by law. No waiver made by the City shall apply to obligations beyond those expressly waived in writing.

11. If any of the provisions of this Subordination Agreement, or the application thereof to any Person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Subordination Agreement, or the application of such provision or provisions to Persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected thereby, and every provision of this Subordination Agreement shall be valid and enforceable to the fullest extent permitted by law.

12. This writing is intended by the Parties as a final expression of this Subordination Agreement, and is intended to constitute a complete and exclusive statement of the terms of the agreement among the Parties. There are no promises or conditions, expressed or implied, unless contained in this writing. FORM OF GUARANTY AGREEMENT

This Guaranty Agreement ("**Guaranty**") is made as of this ___ day of _____, 2022, by Bally's Corporation, a Delaware corporation ("**Guarantor**"), having its office at 100 Westminster Street, Providence, RI 02903, to and for the benefit of the City of Chicago, Illinois, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois (the "**City**"). The Guarantor and the City shall be referred to herein individually as a "Party" and collectively as the "Parties".

R E C I T A L S

A. Bally's Chicago Operating Company, LLC, an Illinois limited liability company ("**Developer**") and the City have executed that certain Host Community Agreement dated of even date herewith ("**Agreement**," with capitalized terms herein having the same meaning as therein defined, unless expressly otherwise defined herein), which Agreement sets forth the terms and conditions upon which Developer has agreed to develop, construct, operate and maintain the Project.

B. Guarantor, as the ultimate parent company of Developer, will benefit from the financial success of Developer.

C. The execution and delivery of this Guaranty is required under the terms of the Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and in order to induce the City to execute and deliver the Agreement, Guarantor, acknowledging that, but for the execution and delivery of this Guaranty, the City would not have entered into the Agreement with Developer, hereby covenants and agrees as follows:

1. Guarantor hereby absolutely, unconditionally and irrevocably guarantees to the City the following obligations of Developer under, in accordance with, and subject to the terms and conditions of this Guaranty (collectively, the "**Developer's Obligations**"): the full and faithful performance by Developer of its obligations under the Agreement.

2. Guarantor will have and maintain available financial resources in an amount reasonably sufficient to fund all amounts necessary to allow Guarantor to perform all of the Developer's Obligations.

3. Upon notice to Guarantor from the City that Developer has failed to perform any of the Developer's Obligations, Guarantor agrees to:

(a) assume full responsibility for and perform the Developer's Obligations in accordance with the terms, covenants and conditions of the Agreement;

(b) indemnify and hold the City harmless from and against any and all loss, cost, damage, injury, liability, claim or reasonable and documented expense the City may

suffer or incur by reason of any nonpayment or nonperformance of any of the Developer's Obligations; and

(c) fully reimburse and repay the City promptly on demand for all reasonable, and documented outlays and expenses, including interest thereon at the Default Rate, that the City may make or incur by reason of any nonpayment or nonperformance of any of the Developer's Obligations.

4. Upon any Event of Default hereunder, the City shall have the following rights and remedies:

(a) if the City, in its sole discretion, chooses to do so, it may perform any or all of the Developer's Obligations to be performed hereunder on Guarantor's behalf. In such event, Guarantor shall reimburse the City within twenty (20) days of demand for all reasonable and documented costs and expenses, including reasonable attorneys' fees that the City may incur in performing those Developer's Obligations, together with interest thereon at the Default Rate from the dates they are incurred until paid; and

(b) in addition, the City may bring any action at law or in equity or both, to compel Guarantor to perform the Developer's Obligations hereunder and to collect compensation for all loss, cost, damage, injury and reasonable and documented expense which may be sustained or incurred by the City as a direct or indirect consequence of Guarantor's failure to perform those Developer's Obligations, including interest thereon at the Default Rate.

5. Guarantor authorizes the City to perform any and all of the following acts at any time in its sole discretion, upon written notice to Guarantor and without affecting the Developer's Obligations:

(a) with the consent of Developer, alter, amend or modify any terms of the Agreement, including renewing, compromising, extending or accelerating, or otherwise changing the time for performance thereunder;

(b) take and hold security for the Developer's Obligations, accept additional or substituted security therefor, and subordinate, exchange, enforce, waive, release, compromise, fail to perfect and sell or otherwise dispose of any such security;

(c) apply any payments or recoveries from Developer, Guarantor or any other source, and any proceeds of any security, to the Developer's Obligations in such manner, order and priority as it may elect, whether or not those obligations are guaranteed by this Guaranty or secured at the time of the application;

(d) release Developer of all or any portion of its liability under the Developer's Obligations and the Agreement; or

(e) consent to any assignment or successive assignments of the Agreement by Developer.

6. Guarantor expressly agrees that until the Developer's Obligations are fully satisfied and each and every term, covenant and condition of this Guaranty is fully performed, Guarantor shall not be released by or because of:

(a) any act or event which might otherwise discharge, reduce, limit or modify the Developer's Obligations (other than the performance of the Developer's Obligations by Developer);

(b) any waiver, extension, modification, forbearance, delay or other act or omission of the City, or any failure to proceed promptly or otherwise as against Guarantor or any collateral, if any;

(c) any action, omission or circumstance which might increase the likelihood that Guarantor may be called upon to perform under this Guaranty or which might affect the rights or remedies of Guarantor as against Developer; or

(d) any dealings occurring at any time between Developer and the City, whether relating to the Agreement or otherwise.

Guarantor hereby expressly waives and surrenders any defense to its liability under this Guaranty based upon any of the foregoing acts, omissions, agreements, waivers or matters. It is the purpose and intent of this Guaranty that the obligations of Guarantor under it shall be absolute and unconditional under any and all circumstances.

7. Guarantor waives:

(a) all statutes of limitations as a defense to any action or proceeding brought against Guarantor by the City to the fullest extent permitted by law;

(b) any right it may have to require the City to proceed against Developer, proceed against or exhaust any security held from Developer, or pursue any other remedy in its power to pursue;

(c) any defense based on any claim that Guarantor's obligations exceed or are more burdensome than those of Developer;

(d) any defense based on: (i) any legal disability of Developer, (ii) any release, discharge, modification, impairment or limitation of the liability of Developer under the Agreement from any cause (other than the performance of the Developer's Obligations by Developer), whether consented to by the City or arising by operation of law or from any bankruptcy or other voluntary or involuntary proceeding, in or out of court, for the adjustment of debtor-creditor relationships ("**Insolvency Proceeding**"). or (iii) any rejection or disaffirmance of the Agreement in any such Insolvency Proceeding;

(e) any defense based on any action taken or omitted by the City in any Insolvency Proceeding involving Developer, including any election to have a claim allowed as being secured, partially secured or unsecured, any extension of credit by the

City to Developer in any Insolvency Proceeding, and the taking and holding by the City of any security for any such extension of credit; and

(f) all presentations, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, notices of acceptance of this Guaranty and of the existence, creation, payment or nonpayment of the Developer's Obligations and demands and notices of every kind and nature.

8. The City shall not be required, as a condition precedent to making a demand upon Guarantor or to bringing an action against Guarantor upon this Guaranty, to make demand upon, or to institute any action or proceeding at law or in equity against, Developer, any other guarantor or anyone else, or exhaust its remedies against Developer, any other guarantor or anyone else, or against any collateral, if any, given to secure the Developer's Obligations. All remedies afforded to the City by reason of this Guaranty are separate and cumulative remedies and it is agreed that no one of such remedies, whether exercised by the City or not, shall be deemed to be exclusive of any of the other remedies available to the City and shall not limit or prejudice any other legal or equitable remedy which the City may have.

9. Until the termination of this Guaranty in accordance with its terms, Guarantor hereby waives all rights of subrogation, contribution and indemnity against Developer, now or hereafter arising, whether arising hereunder, by operation of law or contract or otherwise, as well as the benefit of any collateral which may from time to time secure the Developer's Obligations, and to that end, Guarantor further agrees not to seek any reimbursement, restitution, or collection from, or enforce any right or remedy of whatsoever kind or nature in favor of Guarantor against, Developer or any other person or any of their respective assets or properties for or with respect to any payments made by Guarantor to the City hereunder or in respect of the Developer's Obligations. The City, in the course of exercising any remedies available to it under the Agreement, at its sole option may elect which remedies it may wish to pursue without affecting any of its rights hereunder. The City may elect to forfeit any of its rights, unless such actions shall result in a full or partial loss of rights of subrogation which Guarantor, but for the City's actions, might have had.

10. If, at any time, all or any part of any payment previously applied by the City to any of the Developer's Obligations is rescinded or must otherwise be restored or returned by the City for any reason, including, without limitation, the insolvency, bankruptcy, dissolution, liquidation or reorganization of Developer, or upon or as a result of the appointment of a receiver, intervenor, custodian or conservator of, or trustee or similar officer for, Developer or any substantial part of its property, Guarantor shall remain liable for the full amount so rescinded or returned as though such payments had never been received by the City, notwithstanding any termination of this Guaranty or the cancellation of the Agreement evidencing the obligations of Developer.

11. Before signing this Guaranty, Guarantor investigated the financial condition and business operations of Developer, the present and former condition, uses and ownership of the Project, and such other matters as Guarantor deemed appropriate to assure itself of Developer's ability to discharge its obligations under the Agreement. Guarantor assumes full responsibility for that due diligence, as well as for keeping informed of all matters which may affect Developer's ability to pay and perform the Developer's Obligations. The City has no duty to disclose to

Guarantor any information which it may have or receive about Developer's financial condition or business operations, the condition or uses of the Project, or any other circumstances bearing on Developer's ability to perform under the Agreement.

12. Any rights of Guarantor, whether now existing or hereafter arising, to receive payment on account of any indebtedness (including interest) owed to it by Developer, or to withdraw capital invested by it in Developer, or to receive distributions from Developer, shall, to the extent and in the manner provided herein, be subordinate as to time of payment and in all other respects to the full and prior payment and performance of Developer's Obligations (to the extent then due). Following and during the continuance of an Event of Default, Guarantor shall not be entitled to enforce or receive payment of any sums or distributions from Developer until the Developer's Obligations have been paid and performed in full (to the extent then due) and any such sums received in violation of this Guaranty shall be received by Guarantor in trust for the City.

13. Guarantor hereby represents and warrants that:

(a) it is duly organized, validly existing and in good standing under the applicable laws of the jurisdiction of its formation, with full power and authority to execute and deliver this Guaranty and consummate the transactions contemplated hereby;

(b) the execution and delivery of this Guaranty and the consummation and performance by it of the transactions contemplated hereby: (1) have been duly authorized by all actions required under the terms and provisions of the instruments governing its existence ("**Governing Instruments**"), the laws of the jurisdiction of its formation and the laws of the State; (2) create legal, valid and binding obligations of it enforceable in accordance with the terms hereof; (3) subject to applicable law do not require the approval or consent of any Governmental Authority having jurisdiction over it, except those already obtained; and (4) do not and will not constitute a violation of, or default under, its Governing Instruments, any Government Requirements, agreement, commitment or instrument to which it is a party or by which any of its assets are bound;

(c) subject to applicable gaming laws, neither it nor any of its property has any immunity from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) or the jurisdiction of any court of the United States sitting in the State or any court of the State;

(d) the condensed and consolidated financial statements of Guarantor included in Guarantor's Form 10-Q for the quarterly period ended March 31, 2022 filed with the Securities and Exchange Commission on May 5, 2022 (the "**Financial Statements**") heretofore delivered to the City by Guarantor, are true and correct in all material respects as of the date thereof, have been prepared in accordance with GAAP, consistently applied (except insofar as any change in the application thereof is disclosed in such Financial Statements), and fairly present the consolidated financial condition of Guarantor and its subsidiaries as of March 31, 2022, and no materially adverse change has occurred in the financial condition reflected in such Financial Statements since March 31, 2022 and no material additional borrowings have been made or guaranteed by Guarantor since March

31, 2022, in either case, which individually or in the aggregate materially adversely affects the ability of Guarantor to pay and perform its obligations hereunder;

(e) none of the Financial Statements or any certificate or statement furnished to the City by or on behalf of Guarantor in connection herewith, and none of the representations and warranties in this Guaranty, contains any untrue statement as of its date of a material fact or omits to state a material fact necessary in order to make the statements contained therein or herein not misleading;

(f) Other than as disclosed in Guarantor's Form 10Ks and 10Qs filed pursuant to the Securities and Exchange Act of 1934, there are no actions, suits or proceedings pending, or, to the knowledge of Guarantor, threatened against or affecting Guarantor, or to Guarantor's knowledge which involve or to Guarantor's knowledge may individually or in the aggregate materially adversely affect the ability of Guarantor to perform any of its obligations under this Guaranty, and Guarantor is not in default with respect to any order, writ, injunction, decree or demand of any court, arbitration body or Governmental Authority, which default materially adversely affects the ability of Guarantor to pay and perform its obligations hereunder; and

(g) all permits, consents, approvals, orders and authorizations of, and all registrations, declarations and filings with, all Governmental Authorities (collectively, the "**Consents**"), if any, that are required in connection with the valid execution and delivery by Guarantor of this Guaranty have been obtained and Guarantor agrees that all Consents, if any, required in connection with the carrying out or performance of any of the transactions required or contemplated thereby (including, but not limited to, all authorizations, approvals, permits and consents) will be obtained when required in order to satisfy the obligations hereunder in accordance with the terms of this Guaranty.

14. Guarantor covenants with the City as follows:

(a) Guarantor will furnish to the City the following (it being understood that the filing publicly by Guarantor of such Financial Statements with the Securities and Exchange Commission shall satisfy this obligation):

and

(ii) any (A) material default or event of default by Guarantor under any contractual obligation of Guarantor or (B) litigation, investigation or proceeding which may exist at any time between Guarantor or any Person or Governmental Authority, in each case which would reasonably be expected to have a material adverse effect on the ability of Guarantor to pay its obligations hereunder.

Each notice pursuant to this paragraph shall be accompanied by a statement setting forth details of the occurrence referred to therein and stating what action Guarantor proposes to take with respect thereto.

15. The City may declare Guarantor to be in default under this Guaranty upon the occurrence of any of the following events ("**Events of Default**").

(a) if Guarantor fails to pay any amounts required to be paid or expended under this Guaranty and such nonpayment continues for twenty (20) Business Days after written notice from the City;

(b) if Guarantor fails to comply with any covenants and agreements made by it in this Guaranty (other than those specifically described in any other subparagraph of this paragraph 15) and such noncompliance continues for fifteen (15) days after written notice from the City, provided, however, that if any such noncompliance is reasonably susceptible of being cured within thirty (30) days, but cannot with due diligence be cured within fifteen (15) days, and if Guarantor commences to cure any noncompliance within said fifteen (15) days and diligently prosecutes the cure to completion, then Guarantor shall not during such period of diligently curing be in default hereunder as long as such default is completely cured within thirty (30) days of the first notice of such default to Guarantor;

(d) if any of the following events occur with respect to Guarantor: (i) by order of a court of competent jurisdiction, a receiver, liquidator or trustee of Guarantor or of any

(e) if Guarantor ceases to do business or terminates its business for any reason whatsoever or shall cause or institute any proceeding for the dissolution of Guarantor; or

(f) except on satisfaction of the Developer's Obligations, if Guarantor attempts to withdraw, revoke or assert that the Guaranty is of no force or effect.

16. If any of the provisions of this Guaranty, or the application thereof to any Person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Guaranty, or the application of such provision or provisions to Persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected thereby, and every provision of this Guaranty shall be valid and enforceable to the fullest extent permitted by law.

19. Time is of the essence in performance of this Guaranty by Guarantor.

20. Guarantor's obligations under this Guaranty are in addition to its obligations under any other existing or future guaranties, each of which shall remain in full force and effect until it is expressly modified or released in a writing signed by the City. Guarantor's obligations under this Guaranty are independent of those of Developer under the Agreement.

21. The terms of this Guaranty shall bind and benefit the legal representatives, successors and assigns of the City and Guarantor; provided, however, that Guarantor may not assign this Guaranty, or assign or delegate any of its rights or obligations under this Guaranty, without the prior written consent of the City in each instance.

22. This Guaranty shall be governed by, and construed in accordance with, the local laws of the State without application of its law of conflicts principles.

23. Submission to Jurisdiction

(a) The Parties expressly agree that the sole and exclusive place, status and forum of this Guaranty shall be the City. All actions and legal proceedings which in any way relate to this Guaranty shall be solely and exclusively brought, heard, conducted, prosecuted, tried and determined within the City. It is the express intention of the Parties that the exclusive venue of all legal actions and procedures of any nature whatsoever which related in any way to this Guaranty shall be the Circuit Court of Cook County, Illinois, or the United States District Court for the Northern District of Illinois (the "**Court**").

(b) If at any time during the Term, the Guarantor is not a resident of the State or has no officer, director, employee, or agent thereof available for service of process as a resident of the State, or if any permitted assignee thereof shall be a foreign corporation, partnership or other entity or shall have no officer, director, employee, or agent available for service of process in the State, the Guarantor or its assignee hereby designates the Secretary of the State of Illinois, as its agent for the service of process in any court action between it and the City or arising out of or relating to this Guaranty and such service shall be made as provided by the laws of the State of Illinois for service upon a non-resident.

24. Guarantor acknowledges that it expects to benefit from the extension of the Agreement to Developer because of its relationship to Developer, and that it is executing this Guaranty in consideration of that anticipated benefit.

25. Notwithstanding anything to the contrary in this Guaranty or the Agreement, the obligations of Guarantor under this Guaranty with respect to the Developer's Obligations shall terminate and be of no further force or effect (subject to reinstatement pursuant to paragraph 10 hereof) upon the date that is two (2) years from the later of (i) the date on which Developer achieves Operations Commencement (Permanent Project) or (ii) the date on which Developer achieves Final Completion (Permanent Project). (For the avoidance of doubt, Final Completion (Permanent Project) does not include the Hotel Extension Rooms.)

26. The City shall not issue a written release of Developer, other than as it may be compelled to do so by court order unless it issues a similar release of Guarantor.

IN WITNESS WHEREOF, this Guaranty has been duly executed as of the day and year first above written.
