September 23, 2020

Good afternoon,

We have received several requests asking that we release the information we review regarding COVID-19 and the impact it has on our county, community, and school system. Included in this email you will find several data points as well as information we review. Beginning tomorrow, the COVID-19 Impact Data chart will be posted on our website and the information will be updated by Friday at 4:00 pm.
