

NOTICE OF PUBLIC HEARING

VILLAGE OF OSCEOLA

POLK COUNTY, WISCONSIN

NOTICE IS HEREBY GIVEN that the Village Board of the Village of Osceola will hold a Public Hearing on Tuesday, March 10, 2026, at 6:00 p.m. in Room 205 of the Osceola Village Hall, to consider and receive public comment on a proposed Resolution adopting the newly created Storm Water Sewer Utility (SWU) for establishing rates.

Proposed Rate Structure

The proposed Storm Water Sewer Utility will assess properties using an Equivalent Runoff Unit (ERU) methodology. The proposed base rate is \$2.75 per ERU.

Residential parcels will be assessed solely at the base rate (1.00 ERU). Non-residential parcels will be assessed using Residential Equivalency Factors (REFs), which reflect the relative stormwater runoff potential of different property types compared to a residential parcel.

All interested persons will be given an opportunity to be heard. Written comments may also be submitted prior to the hearing to the Village Clerk at the Osceola Village Hall during regular business hours.

Dated this 20th day of February, 2026.

Carie Krentz, Village Clerk
