4TH OF JULY

PARADE OF HONOR

On the fourth of July, our country celebrates its birthday, thus reaffirming the principles on which this nation was founded. Freedom from tyranny, the right to free speech, life, liberty, and the pursuit of happiness, just to name a few. Our local merchants take great pride in joining in this affirmation and in celebrating it with all of you.

Thank You to all who are fighting to defend our freedoms.

Considering Back Surgery?

Spinal Decompression Provides an Alternate Solution!

"...I consulted Dr. Throckmorton and he recommended Spinal Decompression Therapy which I'm doing now. I noticed a difference after my first treatment. I've had six treatments and it's getting better every day and I have no more pain!"

- Margie H.

"I've lived with constant pain for years. I've had spinal epidurals and other pain injections and they either didn't work or didn't work as well and I was taking a lot of pain medication. Dr. Throckmorton suggested Spinal Decompression Therapy to me. Since I came to See Dr. Throckmorton, I've already cut down the amount of pain medication drastically and I'm also able to stand and walk for much longer periods of time, and I'm sleeping through the night now. I'm looking forward to more treatments and more improvement! Thanks to Dr. Throckmorton and his warm staff, I have my life back."

- Shirley J.
