Chamber Scholarship Applications Available

High school seniors living in Mahaska County and attending any high school are eligible to apply now for a Chamber Scholarship sponsored by the Mahaska Chamber & Development Group. Information is available from one's school counselor or the web at <https://www.mahaska-chamber.org/resources/scholarships/> where you will find a link to the fillable form. Scholarships are sponsored by area businesses and industries. Last year \$25,750 was distributed to 22 students.

The application requests information such as participation in school and community activities and a short essay. Be prepared with a PDF of your transcript. Online applications and school transcripts are due no later than Tuesday, April 1, 2025.

“Area businesses and individuals are encouraged to contribute to the Chamber Scholars program to provide deserving students with financial support as they pursue their academic and career goals. This program would not be possible without the generous contributions we receive annually from local business leaders and individuals. We encourage more community members to get involved, as this program continues to strengthen the partnership between education and community,” Morgan McClendon stated. “Another way to contribute to this special program is by participating in the annual Chamber Golf outing on Friday, May 9. Teams of four and hole sponsorships raise additional funds for the Chamber Scholars program.”

The Chamber Scholars program, now in its 29th year, continues to partner with the “52577 Scholarship.” Contributions to the program are tax deductible and can be made in any amount. If one chooses to donate \$1,000 it will be awarded this year. If one wants to contribute to the perpetual scholarship fund through “52577”, any amount may be donated to be used in future years.

For further information to apply or to contribute to the fund contact the Mahaska Chamber at 641.672.2591 or email events@mahaskachamber.org.

Spinal Decompression Provides an Alternate Solution to Surgery

"...I consulted Dr. Throckmorton and he recommended Spinal Decompression Therapy which I'm doing now. I noticed a difference after my first treatment. I've had six treatments and it's getting better every day and I have no more pain!"
- Margie H.

"I've lived with constant pain for years. I've had spinal epidurals and other pain injections and they either didn't work or didn't work as well and I was taking a lot of pain medication. Dr. Throckmorton suggested Spinal Decompression Therapy to me. Since I came to See Dr. Throckmorton, I've already cut down the amount of pain medication drastically and I'm also able to stand and walk for much longer periods of time, and I'm sleeping through the night now. I'm looking forward to more treatments and more improvement! Thanks to Dr. Throckmorton and his warm staff, I have my life back."
- Shirley J.
