### A perfect moment to talk about alcohol.

Kids who start drinking before age 15 are five times more likely to have alcohol problems as adults. It can be hard to talk about drinking with children, but your words make a big difference. For tips on how—and when—to begin the conversation, visit:

*A time to celebrate those precious dad moments!*

## Plan a special day for Dad!

Are you looking to celebrate Father's Day by planning an unforgettable outing this year? Great idea! Thankfully, you won't need to

think too hard to find ways to bring a smile to dear ole' Dad's face. All you need to do is choose an activity that the two of you will enjoy doing together.

If your dad is a sports enthusiast who loves the great outdoors, a hike in the woods, a canoe excursion or a fishing trip will surely make his day. You could take advantage of the beautiful weather to go for a bike ride, have fun at an amusement park or play a friendly game of golf, soccer, volleyball — whatever his sport of choice!

Perhaps your dad is more the type to appreciate a delicious meal and a good bottle of wine? In that case, share a tasty dinner at a restaurant he's always been meaning to try and watch him beam with delight. And if you prefer to think outside the box, a tasting workshop (chocolate, cheese, beer) or cooking class is a surefire way to create cherished memories that will last you both a lifetime.

Alternatively, if your dad loves cultural experiences, a visit to the local museum or art gallery is the perfect way to share a special day that's both inspiring and entertaining. Does your father absolutely love a good flick or an upbeat tune? Catch an afternoon showing at the movie theatre or attend a concert in his company to mark this most special of occasions.

## Kids' gifts for loving dads

Father's Day is fast approaching, which means your kids will surely want to give a little something special to Dad to show him just how much he means to them. Here are a few heartfelt gift ideas that will definitely make him smile.

**CRAFTS:** A greeting card, pencil holder, personalized mug, keychain, painting, drawing, macaroni picture frame, papier-mâché sculpture — the possibilities are endless when it comes to making a handmade Father's Day gift. One thing's for sure: Dad will be proud of his budding little artists!

**PHOTOS:** Let your kids flip through old photo albums and choose their favourite family photos. Next, help them create an annotated scrapbook that will surely bring a smile to Dad's face and allow him to reminisce about cherished memories with those he holds dear to his heart.

**POEMS:** Help your kids compose a few rhymes paying homage to Dad. Have them recite their poems on Father's Day and present daddy dearest with a written, framed copy to hang in his office or workshop.

**VIDEOS:** Make a home video in which your kids share some loving thoughts about Dad. Have them explain what they like the most about their father or what activities they like to do together. This thoughtful video will warm Dad's heart, and he'll undoubtedly take great pleasure in rewatching it countless times.

## Gift ideas for every kind of dad

Can't think of an original gift idea for Father's Day? Seeing as every dad is unique in his own right, why not give him something that reflects the person you love so much? To help get you inspired, here are a few gift ideas for every type of dad.

**THE FOODIE:** Does your father enjoy a gourmet spread? Between craft beers, good wines, fine cheeses, sweet treats — like rich chocolates and gourmet candies — local produce, and other mouth-watering delicacies, there are many options to appeal to your dad's taste buds.

**THE HANDYMAN:** If your dad loves projects that force him to roll up his sleeves, why not give him a new tool or innovative gadget to add to his prized collection? A gift

card for his hardware store of choice is also an excellent idea.

**THE ATHLETE:** Sportswear, a smart watch, a refillable water bottle, a guide to the region's best cycling routes or nicest hiking trails — there's no shortage of options to please the number-one athlete in your life.

**THE TECHNOPHILE:** Is your dad into everything technology? Between

Bluetooth speakers, a tablet, a drone or the latest state-of-the-art camera, you have a ton of choice when it comes to high-tech gifts.

**THE THINKER:** There's nothing like a board game or puzzle book to get Dad's grey matter going. You can also surprise him with a documentary series or a subscription to a scientific magazine to quench his thirst for knowledge.
