Mahaska Health is hosting a complimentary Injury Prevention and Wellness Health Screening Event

Let us care for you so you can be sure to never miss out on important moments.

Our Mahaska Health Team of experts never miss a beat when it comes to your health. They will be here for you, whatever you are facing, and put everything they have into healing you and getting you back to what matters most. The first step in keeping you healthy is to take time for you!! Staying on top of routine screenings is one of the most important aspects of healthy aging.

Start by scheduling a complimentary cholesterol screening and meet with our team of Mahaska Health experts on Saturday, April 24th 9:00 AM to 12:00 PM. Pre-register: 641.672.3197. Our Mahaska Health experts will be available to meet with you, answer your questions, all screenings are free and include:

- Cholesterol Screening
- Blood Pressure checks
- Food and Nutrition/Dietary Advice
- 3D Mammography Q&A
- Injury Prevention
- Primary Care
- Orthopaedics & Sports Medicine
- Physical Therapy
- Learn how to reduce your Stroke risk
- Pain Assessment
- Coffee and refreshments

It's our mission to help you and your family access the right care from experts that can help you live life to the fullest. Mahaska Health offers the unique benefit of comprehensive care – Our Teams work together and work directly with your Primary Care and Specialty Healthcare Providers to ensure your treatment is the best fit for you to enjoy a healthy and active lifestyle.

If you are experiencing pain, or have had a sports or orthopaedic injury like tendinitis, arthritis, a stress fracture, or low back pain, you can consult with one of our Mahaska Health Orthopaedics, Sports Medicine, Primary Care, and Physical Therapy experts who are dedicated to helping you keep your life in motion and specialize in injury prevention and wellness.

# 4 ESSENTIAL car care tips

April is National Car Care Month, which makes it a perfect time to highlight the importance of keeping your ride in top shape. Here are four tips for taking care of your car.

## 1. WASH IT REGULARLY

Washing and waxing your car helps prevent the body and paint from getting damaged by corrosive debris such as road salt. Additionally, keeping your windshield, windows, mirrors and lights spotless improves how well you can see while driving.

## 2. CLEAN THE INTERIOR

It doesn't take long for dust, dirt and crumbs to collect inside your car. In addition to causing odors, contaminants can lead to bacteria growth and compromise the air quality in your car's cabin. Keep the interior of your vehicle tidy by regularly vacuuming the seats and carpets, wiping down surfaces with a disinfectant cloth and replacing the cabin air filter as needed.

## 3. KEEP UP WITH ROUTINE CARE

To prevent breakdowns, make sure to get your car regularly serviced. Refer to the user's manual to determine the recommended maintenance schedule for your type of car. Even better, find a reliable mechanic who can suggest a maintenance timeline after inspecting and servicing your vehicle.

## 4. LOOK OUT FOR PROBLEMS

Is your car making weird noises? Does it handle differently? Or maybe a dashboard warning light has come on? Addressing issues right away, even if they seem minor, can help you avoid costly repairs and keep you safe on the road.

Last but not least, make sure to practice safe driving to protect your car as well as yourself, your passengers and other road users.
