Oskaloosa High School Students, Parents, & Partners,

After multiple conversations and an analysis of our data, we have made the decision that we need to transition educational services to a HYBRID delivery model at **Oskaloosa High School only**. Therefore, we are notifying the community, teachers/staff, parents/guardians, students that we will be transitioning from educational services provided solely on-site, to a hybrid of both face to face and online learning. We are instituting this change because we have evaluated our current data and have determined that we need to support students/staff within a distance format. To best support the health and safety of our teachers, staff and students, we will be holding school following the **HYBRID schedule beginning Tuesday, September 8, 2020 and running through Thursday, September 17, 2020 at the high school only**. We will continue to monitor the situation and communicate any updates/changes.

We are running the following HYBRID schedule at the Oskaloosa High School only:

Day	Face-to-Face	Online
Tuesday, September 8	Silver	Maroon
Wednesday, September 9	Maroon	Silver
Thursday September 10	Maroon	Silver
Friday, September 11	Silver	Maroon
Monday, September 14	Maroon	Silver
Tuesday, September 15	Silver	Maroon
Wednesday, September 16	Silver	Maroon
Thursday, September 17	Maroon	Silver

Students participating in the following college level courses will be expected to attend face to face for these courses every day: Constructions Trades, Welding Academy, IH Discovery Academy, and Nursing Academy.

Students are expected to attend school face to face on their assigned day and participate in required learning during their assigned online days. Curriculum and instruction will continue throughout the HYBRID learning both face to face and online. Attendance will be taken and participation is required. All assignments/learning activities will be required whether face to face or online. School will follow a regular time schedule M-F with an early dismissal on Wednesday.

KEY POINTS:

- HYBRID SCHEDULE FOR **HIGH SCHOOL ONLY**
