Spinal Decompression Provides an Alternate Solution to Surgery

"I came to see Dr. Throckmorton because I was having a lot of lower neck pain with limited rotation and pain into my arm. I was afraid I was going to need surgery, but now, after several treatments of Decompression Therapy, I feel almost 100% better again."
— Brad S. of Fremont

"I've lived with constant pain for years. I've had spinal epidurals and other pain injections and they either didn't work or didn't work as well and I was taking a lot of pain medication. Dr. Throckmorton suggested Spinal Decompression Therapy to me. Since I came to see Dr. Throckmorton, I've already cut down the amount of pain medication drastically, and I'm also able to stand and walk for much longer periods of time, and I'm sleeping through the night now. I'm looking forward to more treatments and more improvement! Thanks to Dr. Throckmorton and his warm staff, I have my life back."
— Shirley J.

Mahaska Diplomats visit Shullaw BBQ on a cold afternoon Monday, February 8. You may know owner Doug Shullaw with the Civil Service Commission and Board of Appeals. He also served 17 years as a deputy in Minnesota. Shullaw's BBQ is family owned, and opened October 3, 2020 at 110 North E Street in Oskaloosa. Shullaw's have 30+ years of experience in smoked meats and bbq. Their hours are Tuesday - Saturday 11-7. You may call or text 641.670.8964 with your order. She took over the salon formally known as Signatures Salon in September from John and Theresa Grahek. She specializes in haircuts, colors, facial waxing, lash lifting and tinting. Hairitage Salon also offers permanent cosmetics by Marlo Brown R.N. If you are in need of any services you may contact Kristen at 641.660.9335 or Marlo at 641.455.4567 to schedule an appointment, walk ins are welcomed if available.

NATIONAL AGRICULTURE WEEK

During National Agriculture Week, we salute our local agriculture industry. From the dedicated farmers out in the field to their hardworking suppliers of seed, feed, equipment and more, we all benefit from the fruits of their labor. The men and women in agriculture not only feed our families, they also feed our economy by diligently tending to our most valued resources. Our economy would not be the thriving success it is today without the men and women who nurture our nation's agricultural resources.

Thanks for keeping a good thing growing!
