Tender moments with MOM

MOTHER'S DAY
May 9, 2021

4 Mother's Day gifts to help Mom relax

Would you like to help your mom relax and unwind this Mother's Day? If so, here are a few gift ideas that may be a good fit.

1. AN OVERNIGHT STAY AT A HOTEL

There's nothing like a change of scenery, even a brief one, to take the edge off the daily grind. Depending on her tastes, opt for something

sleek and polished in town or quaint and charming off the beaten track. With room service and onsite amenities, Mom will be able to indulge in a little pampering.

2. A HOME-DELIVERED MEAL

Help your mom take a break from cooking by serving her a meal she doesn't have to make. Order a dish she loves from her favourite restaurant or buy the ingredients to prepare it yourself. Either way, she's sure to appreciate your thoughtfulness.

3. A BASKET OF BATH PRODUCTS

Give your mother an excuse to bask in the bath by offering her an assortment of goods. Put together a basket filled with bubble bath, a sponge, scented candles, a bottle of wine, a box of chocolates and other treats for a relaxing experience.

4. A SPA TREATMENT AND MASSAGE

This guaranteed anti-stress remedy is the perfect way to help Mom unwind. If you're not sure which types of massages and treatments

she would enjoy, opt for a gift card from a place that offers a variety of services.

From scented oil diffusers and adult colouring books to foot massagers and facial steamers, there are many other gifts that can help your mom relax. Look for these and other products and services in your area.

Flowers for the mothers in your life

Giving flowers on Mother's Day is a time-honoured tradition. If you're looking to show your mom, your grandmother or the mother of your children that you care, here are some suggestions.

CUT FLOWERS

Fresh bouquets are sure to please the ladies in your life. Offer them bundles of cut roses, gerberas, tulips, camellias, carnations, irises, lilies or birds of paradise. Select blooms in their favourite colours or fragrances, or let your florist make a custom arrangement.

FLOWERS FOR THE GARDEN

If the mother you're celebrating has a green thumb, consider giving her a new plant for her garden. Pretty perennials like primroses and peonies or

flowering shrubs like rhododendrons and lilacs are all good choices. Assess the landscaping of the yard to help you make the right choice. Alternatively, ask a professional at your local nursery for suggestions.

FLOWERING PLANTS

There are many types of flowering plants that make great Mother's Day gifts. You could get an African violet or orchid for her home, or a hanging basket or rose bush for her yard. Just be sure the person receiving your gift is

interested in keeping the plant alive. When in doubt, look for easy-to-care-for plants like peace lilies and Christmas cacti.

Regardless of what type of flowers you buy for Mother's Day, remember to include a card. The best part about your gift is sure to be that it came from you.

Spinal Decompression Provides an Alternate Solution to Surgery

Dr. Throckmorton performs rehabilitation of the cervical and lumbar spine by decompressing the discs of the neck or low back to relieve pressure on the nerves.

"I came to see Dr. Throckmorton because I was having a lot of lower neck pain with limited rotation and pain into my arm. I was afraid I was going to need surgery, but now, after several treatments of Decompression Therapy, I feel almost 100% better again."

- Brad S. of Fremont

"I've lived with constant pain for years. I've had spinal epidurals and other pain injections and they either didn't work or didn't work as well and I was taking a lot of pain medication. Dr. Throckmorton suggested Spinal Decompression Therapy to me. Since I came to See Dr. Throckmorton, I've already cut down the amount of pain medication drastically and I'm also able to stand and walk for much longer periods of time, and I'm sleeping through the night now. I'm looking forward to more treatments and more improvement! Thanks to Dr. Throckmorton and his warm staff, I have my life back."

- Shirley J.
