Oswego Industries and The Arc of Oswego County to hold on-site hiring event May 6

FULTON — Oswego Industries and The Arc of Oswego County, two non-profit organizations based in Fulton that support individuals with intellectual and developmental disabilities, have announced they will be holding an on-site hiring event from 9 a.m. to 3 p.m. on May 6 at their shared headquarters, 7 Morrill Place, Fulton.

“We recognize the challenges of coming back to work during the pandemic,” said Eric Morris, Human Resources Manager at Oswego Industries and The Arc. “Our agencies offer flexible scheduling in a variety of positions to support candidates as they transition back into the workforce. Employment opportunities range from directly supporting people with disabilities to production work in assembly/packaging, textiles, and document imaging. We have full-time and part-time positions available with the options to work day or evening shifts.”

Oswego Industries prides itself on being an equal opportunity employer and encourages candidates of all abilities and backgrounds to apply. The company also boasts competitive pay, great benefits and opportunities to advance in a workplace where employees can make an impact and improve lives.

To schedule an interview, please contact Stephanie Wallace, Admin Support Assistant, at 315-598-3108, ext. 291. To browse current open positions, visit bit.ly/arc-oi-openings. Questions about openings can be directed to hr@oswegoind.org.

Possession, other charges
Oswego City Police charged Tiffany J. Furlong, 32, of Oswego, with seventh-degree criminal possession of a controlled substance, a class A misdemeanor, on March 22, in connection to an alleged March 14 drug complaint.

Health department taking appointments for COVID-19 vaccine clinic in Fulton

OSWEGO COUNTY — The Oswego County Health Department will hold another COVID-19 vaccination clinic at G. Ray Bodley High School, 6 William Gillard Drive, Fulton. First dose appointments for the Moderna vaccine will be available from 3-4:30 p.m. on Saturday.

The Moderna vaccine requires two doses and is only approved for those aged 18 and over. People must be able to return on May 15 for their second dose. For more information about the three COVID-19 vaccines, click on the “Fact Sheet” link for each one at covid19vaccine.health.ny.gov/.

Appointments are required for all COVID-19 vaccination clinics and can be made online at <https://health.oswego-county.com/> by clicking on the link for “Local Information About the COVID-19 Vaccination.” The Oswego County COVID-19 Hotline is open weekdays from 8:30 a.m. to 4 p.m. to help people make appointments as well. Call 315-349-3330.

“With vaccine eligibility now open — and with the pause of the Johnson & Johnson vaccine today — clinics

will likely fill more quickly,” said Oswego County Public Health Director Huang. “Still, if a clinic looks like it’s fully booked, keep checking back. Appointments may become available if other people cancel or re-schedule theirs.”

To prepare for their appointment, people are advised to be well-hydrated before they come in and to continue to hydrate afterward. They should also eat beforehand and dress in comfortable layers of clothing that can be removed if they get over-heated.

All those attending an Oswego County Health Department vaccination clinic must have an appointment and bring proof of eligibility, such as proof of age. Other acceptable proofs include pay stubs, work ID, or a letter from health care provider. Those without an appointment and proof of eligibility will not be vaccinated.

Oswego County and Oswego County Opportunities, Inc. are partnering to offer free transportation to residents to go to COVID-19 test and vaccination sites. The service is available Monday through Saturday between 6 a.m. and 7 p.m. Call 315-598-1514 to schedule a ride in advance.
