St. Luke's 'Bundle of Bucks' charity raffle drawing to be broadcast live on May 15

Proceeds benefit residents served by local healthcare affiliates

OSWEGO – This year's St. Luke "Bundle of Bucks" charity raffle will feature drawings for cash prizes and more, all to be broadcast live on Facebook on May 15.

Watch all the fun and excitement as 15 ticket numbers will be picked from those purchased for cash prizes totaling \$25,000, including one grand prize ticket worth \$10,000 to a lucky winner.

And there is more! New this year, ticket holders will have the opportunity to take chances on virtual door prizes — four prizes ranging from gift cards to a collection of home accessories, which will be raffled off to entrants.

Last year's drawing featured appearances by some familiar "celebrities" so there is no telling who may be a part of this year's event. To view the raffle drawing, log on to the St. Luke Family of Caring Facebook page beginning at 1 p.m. on May 15.

Raffle tickets are still for sale, but only 1,000 tickets will be sold. To get raffle tick-

ets, download applications at www.stlukehs.com/giving/bundle-of-bucks-affle, and mail it in with payment, or call St. Luke Health Services at 315-342-3166 and ticket applications can be mailed.

The entry fee for the raffle is \$50 dollars per ticket. Tickets can be purchased individually or consider purchasing a "group ticket" with family members, co-workers or friends.

Proceeds from the charity raffle are used to support pro-

grams, activities and services benefiting residents served by our local, not-for-profit, affiliated healthcare organizations St. Luke Health Services, Bishop's Commons Enriched Housing Residence and St. Francis Commons Assisted Living Residence.

Participants must be 18 years or older to participate in the raffle. All ticket numbers purchased are entered in all 15 prize drawings, so ticket holders could win more than once.

The St. Luke Family of

Caring is an affiliation of community-based, non-denominational, not-for-profit healthcare and residential service providers serving the greater-Oswego County area since 1975. Affiliates include St. Luke Health Services, Bishop's Commons Enriched Housing Residence and St. Francis Commons Assisted Living Residence. Together we provide care and services to over 300 individuals daily in the community and on our healthcare campus in Oswego.
