Oswego County's Health Matters

## Health officials: Flu shot more important than ever amid COVID pandemic

*Photo provided*

Jim Weatherup, chairman of the Oswego County Legislature, gets his flu shot from Anna Reitz, immunization coordinator for the Oswego County Health Department. The health department is scheduling appointments for flu shots on Mondays, Wednesdays, and Fridays at the Nick Sterio Public Health Clinic, 70 Bunner St., Oswego. To make an appointment, call the health department at 315-349-3547. Health officials recommend a flu shot for everyone over the age of 6 months.
