August 25, 2020

The Eddyville-Blakesburg-Fremont CSD school year has officially began with students attending the Junior / Senior High School Monday. I expected decisions involving COVID-19 to occur this year, just not before the elementary students began.

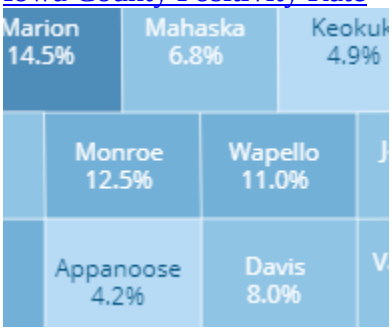
The **Fremont Elementary building** is closed from Wednesday, August 26th through Friday, August 28th. Multiple staff members in the Fremont Elementary are exhibiting COVID symptoms with one testing positive. The building could be closed past Friday, August 28th.

I will determine an opening date after consulting with the Department of Education and the Department of Health at the local level.

When analyzing the entire Eddyville-Blakesburg-Fremont CSD community the school district is aware 3 parents (non-staff) who have tested positive placing 8 students in quarantine for 14 days.

The caption below illustrates the positivity rate for the counties Eddyville-Blakesburg-Fremont CSD serves. The website where this information can be found is at the link below:

Iowa County Positivity Rate



I firmly believe students learn best with a teacher's directed instruction. I want our students to have teacher directed instruction.

Sincerely,

Scott Williamson
