

PLEASE

Winter has started and it has already been a tough year for us all.

So many people are hurting ... and they are our neighbors.

Imagine the anxiety of our brothers and sisters who, despite their own best efforts, cannot afford rent, heating, or enough food for themselves and their children.

In these tough times, they need our help more than ever.

So we are asking if you would help to make a difference on their behalf.

Relying on your generous compassion we beg your help to provide food for the hungry & utility or rent assistance this winter for our unfortunate neighbors.

Any donation up to \$400 per individual or \$800 per couple, can be deducted dollar-for-dollar from your AZ state taxes even if you do not itemize.

No matter the sum, your donation of any size will be most helpful and appreciated.

We will send you a receipt so that you can get your donation refunded when you file your 2021 state income taxes.
