Subject: Communication

Hi everyone,
I can appreciate that you all have been working hard on this, seeking legal advice, and navigating this from a system perspective. I just wanted to let you know that I continue to receive emails, phone calls and correspondences regarding my lack of communication. I have not yet responded to individuals and am looking for some guidance that is timely. I feel like I have worked hard to build the trust of the parent community at GSP and have concerns about jeopardizing this the longer I wait to respond.

Looking for next steps and guidance,

Thanks,
Vanessa
