Subject: FYI- Glen Stewart

Good afternoon,

Most of you would now be aware of the guilty plea entered by a former sub (Matthew Craswell). We were aware of the situation at Glen Stewart but some details mentioned yesterday in the agreed statement of facts came from the police investigation and were not details that we had knowledge of. The situation continues to be fluid and we are working diligently on the proper communication to reassure our school communities of our ongoing commitment to the safety of our students.

We will provide more information to the public in the coming days.

Dominique
