

Select Yearling Sale at Crapaud

Gross \$1.9 million, Average \$13,100

The Friday, October 10 Atlantic Classic Yearling Sale attracted horse people from across Canada with something like 150 actually going thru the sales ring, bringing a gross of \$1.9 million and a new average of \$13,100, both new records for the PEI Yearling Sale. The venue was in great condition, spotters on their toes, a great graphics board, great announcer and no delays- not a flaw anywhere, no dragging them out, just quick, efficient and professional. To the Sales Committee, people like Julie Jamieson, her right hand person Zach Conway, Nick Oakes – a tip of the hat for a great job.
