Some people who received this message don't often get email from Section 15(1) Learn why this is important

Good morning,

It is deplorable that we, as parents of a kindergarten child last year Section 15(1) had to find out about this through news media. No email was sent out to parents yesterday as a warning. The way this entire thing has been handled by the school is unacceptable.

We want a written response by the end of the week with every date Matthew Craswell substituted for Section 15(1) last school year.

Thank you,

Section 15(1)
