Subject: CBC REQUEST: Interview Friday on Craswell situation

Hi Matt,

In light of the information that has come out over the last few days, including Tracy Beaulieu's email that went out to parents yesterday, there are some questions we think the PSB needs to answer in an interview.

I understand the topic is sensitive and difficult and can promise I will treat it as such. It would **not** be a live interview, but something we would pre-tape this afternoon and then edit and air in parts on TV, and more fulsomely on radio.

Please let me know ASAP if this will be possible today.

If the PSB declines, we will say that and send along some questions you can respond to in writing.

I am on the road this morning to go to a hearing in SUmmerside, so feel free to call me before 10am if you want to discuss.

Again, let me know ASAP on an interview and we will figure out a time from there.

Cheers
Nicola
