John R. BYRD Sr.

PERSON COUNTY COMMISSIONER

I thank everyone who has supported me on this journey over the past 5 years since I first decided to run for county commissioner. I am humbled at the response I got this election. I applaud all of my fellow candidates for putting themselves out there and being willing to serve.

I will honor my campaign mantra as "The People's Candidate", Let's work together to make Person County a place we can all be proud of!!!
