FUNERAL HOME AND CREMATORY

Your Way Is Our Way

On-Site Crematory

From the moment your loved one comes into our care, they will be tended by us – and only us.

The importance of having our own on-site crematory means there is no need for additional transportation charges or scheduling problems with another crematory facility. Our families who choose cremation can expect thorough privacy, convenience and respect since we have complete control in the handling of the entire cremation process.
