

The Town of Milton, in partnership with the Piedmont Triad Regional Council, hereby solicits proposals from qualified firms to provide design, bidding, and construction oversight for installation of a new water supply well and related appurtenances to provide a secondary and backup water source. This federally funded project is subject to Davis-Bacon Act and Build America, Buy America (BABA) requirements. The full RFP and submission details are available on the PTRC website:<https://www.ptrc.org/Home/Components/News/News/1457/47>
